I personally know first hand the differences in nursing homes, independent living facilities, memory care. I saw all of this with my mother. Then there is the differences in physical therapy. In some facilities the residents/clients are left sitting instead of getting the therapy they deserve, unless a family member/advocate is there.

Prior work records shall be admitted to be considered in deciding the appropriateness of the penalty recommended by the Department Advocate.

8. At such hearing, the Chairman of the Committee shall maintain order and enforce obedience, and if any person at the hearing conducts himself in a disorderly manner, and after notice from the Chairman persists therein, the Chairman may order the person to withdraw from the hearing, and on the person's refusal may order the Sheriff, Chief Deputy Sheriff, or other person to take the person into custody until the hearing is adjourned for that day.
9. At the termination of the hearing, the Committee shall issue an order in writing, including their reasons whether or not the charge is well-founded, and shall take such action by way of discipline, suspension, demotion, discharge, or reinstatement as it may deem proper under the circumstances, and file same with the Secretary of the Commission. The Committee shall make a determination as to the loss or reinstatement of back wages when applicable to individual cases. The Committee shall send notice of its determination to the employee along with notice of his appeal rights by certified mail or by personal service.

10. The Deputy Sheriff may appeal from the order to the Circuit Court by serving written notice thereof on the Secretary of the Committee within ten (10) days after notice of the order of the Committee is served on him. Within five (5) days thereafter, the Committee shall certify to the Clerk of Circuit Court the record of the proceedings, including all documents, testimony, and minutes. The action shall then be at issue and shall have precedence over any other cause of a different nature pending in the Court, which shall always be open to the trial thereof, pursuant to Wisconsin Statutes.

The Court shall, upon application of the Deputy Sheriff or the Grievance Committee, fix a date of trial which shall not be later than fifteen (15) days after such application, except by agreement.

The trial shall be by the Court and upon the return of the Committee, except that the Court may require further return of the taking and return of further evidence by the Committee. The question to be determined by the Court shall be "Upon the evidence, was the order of the Committee reasonable?"

No costs shall be allowed either party and the Clerk's fees shall be paid by the County. If the order of the Committee is reversed, the Deputy Sheriff shall be reinstated and entitled to such pay as though in continuous service. If the order of the Committee is sustained, it shall be final and conclusive.

(7) General Provisions.

- (a) The Board of Supervisors shall fix the number of Deputy Sheriffs to be appointed and the salaries to be paid, but the number of Deputy Sheriffs shall not be less than required by the Wisconsin Statutes.
- (b) Should it be determined by the Board of Supervisors, at any time, that the staff of the Sheriff's Department is too large and that a reduction in the number of Deputy Sheriffs is necessary, Deputy Sheriffs may and shall be terminated to bring about such reduction.

(10) Rights.

- (b) The personnel records of an individual shall be reviewed with the individual upon request, at any time, and at the convenience of the Sheriff and/or Chief Deputy Sheriff.

(12) Leaves of Absence.

(a) Sheriff Candidates.

- 1. If a Deputy Sheriff is the Sheriff-Elect, his tenure as a Deputy Sheriff shall terminate upon his executing and filing the official bond and oath as Sheriff unless prior thereto he requests, in writing, to the County Board, a leave of absence for the period he holds the office of Sheriff.
- 2. The County Board shall grant such request.
- 3. Such Deputy Sheriff shall be reinstated with the same rank and position that he held at the time of his written request upon completion of duties as Sheriff. The time spent as Sheriff shall count as tenure as though such Deputy Sheriff had not been on such leave of absence; provided his tenure of the office of Sheriff is not terminated for reasons of conduct unbecoming an officer, or for improperly performing duties as an officer of the law. If his tenure of the office of Sheriff is terminated for such reason, he shall be granted a hearing in the manner provided by the Wisconsin Statutes and shall not be reinstated as a Deputy Sheriff unless so ordered after such hearing.

(b) Deputy Sheriffs with the Rank of Sergeant or Above.

- 1. Request shall be made in writing to the Sheriff and/or Chief Deputy Sheriff, and shall set forth the reasons and desired length of time for such leave of absence.
- 2. If the Sheriff and/or Chief Deputy Sheriff approves such request, it shall be referred to the Administration Committee, which Committee may recommend, approve or disapprove.

3. The Administration Committee shall file its written approval with the County Board of Supervisors for action.
4. No leaves of absence shall be granted so as to permit the Deputy Sheriff to seek other employment.
5. The Sheriff may grant a leave of absence without further authority of the County Board for fourteen (14) calendar days or less.

(13) Duty Assignments.

- (a) The duties of personnel on each shift shall be left to the discretion of the Sheriff and/or Chief Deputy Sheriff without regard to seniority.
- (b) Any Deputy Sheriff or commanding officer wishing to change shifts temporarily, not to exceed 90 days within any twelve (12) month period, may do so with the permission of the Sheriff and/or Chief Deputy Sheriff. The Deputy Sheriff or commanding officer having the greatest seniority shall move into the vacancy left by such change, if they are agreeable thereto.
- (c) Any Deputy Sheriff may be temporarily assigned to another shift for periods not to exceed 120 days during any twelve (12) month period. Such reassignments shall be made only to fill an articulable need of the department or to facilitate the fulfillment of a demonstrable training need.
- (d) In reducing the number of personnel in any classification or rank, the last person promoted shall be the first person reduced in rank, and the last person reduced in rank shall be the first person restored to the rank previously held, should a vacancy occur within two (2) years.
- (e) Any person reduced in rank or classification as the result of a personnel cutback shall return to the rank or classification held prior to his/her last promotion.
- (f) Time in grade, for the purposes of this section, shall be defined as the length of time in rank or classification presently held by the employee. Time in grade for persons reduced in rank or classification because of a personnel reduction shall be computed from the date of promotion to the rank now held, including the length of service in the higher rank.

(14) Wages and Fringe Benefits.

- (a) Wages and fringe benefits shall be determined by labor negotiations between the Kenosha County Deputy Sheriff's Association and Kenosha County, and shall be approved by the Kenosha County Board of Supervisors.
- (b) The salary and fringe benefits of any civil service officer holding a supervisory rank not represented by the Kenosha County Deputy Sheriff's Association shall be determined by the Kenosha County Board. Such salary and fringe benefits, with the exception of unused vacation cash out (Section 15.5 Cash Out and/or Carry Over of Unused Vacation, Collective Bargaining Agreement, County of Kenosha, Wisconsin and the Kenosha County Deputy Sheriff's Association) shall not be less than those granted to the Kenosha County Deputy Sheriff's Association. Unused vacation cash out shall not be a benefit of civil

service officers not represented by the Kenosha County Deputy Sheriff's Association, effective December 31, 2010. (11/10/10)

(15) Rewards, Gifts, and Gratuities.

- (a) Other than their lawful salary, or payment for approved special off-duty or private employment, employees of the Sheriff's Department shall not accept any gifts, gratuities, or rewards in money or other consideration for services rendered in the line of duty to the community or to any person, business or agency.
- (b) Should any gift, gratuity, or reward come into the possession of any employee, the employee shall not accept, but shall immediately forward same to the office of the Sheriff and/or Chief Deputy Sheriff, together with a written report explaining all the circumstances connected therewith. The Sheriff and/or Chief Deputy Sheriff shall thereupon deposit the gift, gratuity, or reward with the President and Treasurer of the Deputy Sheriff's Association for deposit in their Benevolent Fund for the benefit of all the members of the Kenosha County Sheriff's Department.

(16) Coverage.

This civil service chapter shall apply only to such Deputy Sheriffs that are regularly employed full time in the Sheriff's Department.

(17) Interpretation.

The provisions of this chapter are hereby declared severable. All provisions or sections which may hereinafter be declared to be illegal or unconstitutional shall be declared repealed and the remainder shall not be affected thereby. This ordinance shall be liberally construed to give full effect to its terms and purposes.

(18) Conflicts.

All ordinances or parts of ordinances in conflict with any provision of this chapter are hereby repealed. If any valid terms of a collective bargaining agreement are in conflict with any of the provisions of this ordinance, such valid collective bargaining agreement shall control for the employees who are subject to such agreement.

4.40 JAIL INMATE MAINTENANCE COSTS.

- (1) The cost per day for the maintenance of the inmates in the County Jail shall be as follows:

- (a) The charge for confinement of prisoners from municipalities or towns in Kenosha County shall be as follows:

2011 - \$21  
2012 - \$28  
2013 - \$36  
2014 - \$44

For years 2015 and beyond, the rate will be adjusted annually using the CPI. (11/9/10)

- (b) The charge for Huber Law commitments shall be \$16.00 per day plus meals provided in the County Jail. Said charge shall be reviewed at budget time every year. (11/19/96)
- (c) The charge for confinement of prisoners from municipalities, counties or towns outside of Kenosha County shall be \$60.00 per day.

- (d) The meals served in the County Jail charged to Huber commitments shall be as follows:

Breakfast: \$2.00    Dinner: \$3.50    Supper: \$2.50

- (e) The charge for electronic monitoring shall be \$16 per day. (2/4/14)

- (2) Charges for actual confinements shall be charged back to the municipalities or towns detaining such prisoners in the County Jail and charges for Huber Law or work release commitments shall be deducted from the earnings of the private employment of such inmates.
- (3) Municipalities, counties and towns are responsible for the cost of medical services provided to an inmate placed upon their behalf in the Kenosha County Jail. In addition, municipalities, counties and towns are solely responsible for any salary expenses incurred in maintaining an inmate at a hospital who was initially placed in the Kenosha County Jail on their behalf.

4.50 COUNTY LIABILITY FOR ACTS OF SHERIFF AND/OR NON-CIVIL SERVICE APPOINTEES OF THE SHERIFF.

(1) Criminal Actions Against the Sheriff.

- (a) Fines. The county shall not assume any liability for the payment of any fines imposed upon the sheriff as a result of any criminal action filed against him.
- (b) Attorney fees, costs and disbursements. In any criminal action filed against the sheriff of Kenosha County, the county shall pay for reasonable attorney fees and reasonable and necessary costs and disbursements in the defense of the sheriff if the action is dismissed outright or the sheriff is found innocent in that action, and only when the criminal charges stem from acts performed in the official course of his duties as sheriff of Kenosha County. The county shall pay the aforementioned attorney fees, costs and disbursements only if within ten days of service of the complaint counsel for the sheriff gives written notice to the Finance Committee of the Kenosha County Board of Supervisors by delivery to the County Clerk indicating this method of billing and hourly rate for his services (including appeals) and an estimate or approximation of his fees, costs and disbursements. In the event that the finance committee deems such legal fee or rate to be unreasonable, it may limit the county's potential liability for attorney fees to a given rate by giving written notice to counsel for the sheriff within sixty days after having received the aforementioned notice from counsel for the sheriff. The county shall in no event pay for any costs and disbursements arising out of such action unless evidence is presented to the finance committee substantiating the indebtedness for such costs and disbursements.

(2) Civil Actions Against the Sheriff.

- (a) Damages. Pursuant to Article VI section 4 of the Wisconsin Constitution, the county shall not be liable for payment of any judgment damages incurred by the sheriff as a result of civil litigation commenced against him.
- (b) Attorney fees, costs and disbursements.

1. In those instances in which the sheriff of Kenosha County has obtained the benefit of a policy of liability insurance in full force and effect covering acts or omissions arising out of the scope of his employment and has filed a copy of said insurance policy with the Kenosha County Clerk, legal representation of the sheriff shall be by the insurer in the first instance. In the event that the insurer refuses to provide such legal representation, or in the event the sheriff has elected not to procure such insurance, the corporation counsel's office shall offer to provide counsel to the sheriff for the purpose of challenging the decision of the insurer and/or representing the sheriff in the principal cause of action commenced against him for acts or omissions of the sheriff arising out of the scope of his employment.

Should the sheriff decline the offer of representation by the corporation counsel's office, the county shall assume no liability for legal fees incurred by the sheriff. In the event of representation by the corporation counsel's office, it shall be understood that the sheriff retains his right to seek outside counsel at his own expense, and furthermore, in so representing the sheriff, he shall hold harmless the county for providing his legal defense. Legal fees incurred by the sheriff in defending an action shall only be paid by the county should the corporation counsel's office refuse or be unable to defend the sheriff. Notice of such expenses shall be given to the Finance Committee as provided in section (1)(b). Reasonable and necessary costs and expenses (excluding attorney fees) not covered by a policy of insurance and incurred in the defense of civil actions commenced against the sheriff in his official capacity shall be paid by the county pursuant to the guidelines set forth in section 895.35 of the Wisconsin Statutes regardless of representation by the corporation counsel's office, provided, however, that the county shall in no event pay for any costs and disbursements arising out of such action unless evidence is presented to the finance committee substantiating the indebtedness for such costs and disbursements.

- (3) Actions Against Non-Civil Service Appointees of the Sheriff.  
If a non-civil service appointee of the sheriff is a defendant in any action or special proceeding and is proceeded against in an official capacity or is proceeded against as an individual because of acts committed while carrying out duties as a non-civil service appointee of the sheriff and the jury or the court finds that the defendant was acting within the scope of employment, the judgment as to damages and costs entered against the non-civil service appointee of the sheriff in excess of any insurance applicable to the officer or employee shall be paid by Kenosha County. Regardless of the results of the litigation, the county, if it does not provide legal counsel to the non-civil service appointee of the sheriff, shall pay reasonable attorney fees and costs of defending the action, unless it is found by the court or jury that the defendant non-civil service appointee of the sheriff did not act within the scope of employment. Failure by the non-civil service appointee of the sheriff to give notice to the sheriff of an action or special proceeding commenced against the defendant non-civil service appointee of the sheriff as soon as reasonably possible is a bar to recovery by the non-civil service appointee of the sheriff from the county of reasonable attorney fees and costs of defending the action. The attorney fees and expenses shall not be recoverable if

the county offers the non-civil service appointee of the sheriff legal counsel and the offer is refused by the non-civil service appointee of the sheriff. If the non-civil service appointee of the sheriff refuses to cooperate in the defense of the litigation, the non-civil service appointee of the sheriff is not eligible for any indemnification or for the provision of legal counsel by the County under this ordinance.

## MEMO

DATE: May 10, 2018

TO: The Honorable Chairman and Members  
of the Finance/Administration Committee

FROM: Robert J. Riedl  
Division Director of Human Resources

SUBJECT: Civil Service Ordinance

Over the course of the past several months, the Civil Service Ordinance has undergone review. The review considered recommendations from the Civil Service Commission, the Kenosha County Sheriff, Corporation Counsel and Human Resources. What follows is a summary of the changes under consideration.

### The Hiring Process

With the implementation of the human resources management system all applications will be submitted electronically. The expectation is that we will receive significantly more applications through the online process necessitating an immediate elimination of applicants who are not 21, who do not have an acceptable driving record, who have a felony on their record which was not reversed and who are not U.S. citizens.

The remaining applicants will be invited to take the written test. Applicants will be required to respond to the invitation affirming their intent to participate in the exam. Depending upon the number of affirmations received, applicants will be assigned a test time.

Test scores will be ranked in descending order. Those who pass the test and who are eligible will have Veteran's points added to the scores. In addition, five (5) points will be added if the applicant is a sworn law enforcement officer and three (3) points will be added if the applicant is a Kenosha County Corrections Professional. The candidates will then be re-ranked.

The top candidates will be invited to participate in the Multiple Interview Assessment (MIA) offered in sessions of seven candidates each. The MIA will be pass/fail. Those who fail will be eliminated from consideration.

Background investigations will commence for those candidates who pass the MIA, establishing a pool of candidates eligible to interview with the Civil Service Commission.

Those who pass the interview with the Commission will be certified as eligible for appointment by the Sheriff. The Sheriff, Chief Deputy and Captains will interview the certified candidates and have the authority to make a conditional job offer or recommend disqualification to the Civil Service Commission. The Chief Deputy will report to the Commission on the outcome of the Sheriff's interviews at the next available Civil Service Commission meeting.

Physical Readiness Tests, Job Trait Assessments and Physical Examination will follow a conditional job offer by the Sheriff. The job offer is confirmed after a successful PRT, job trait and physical.

The process will continue down the hiring list adding MIA sessions as needed. The list will be used for one year.

I believe that these changes will expedite the hiring process through the use of on-line applications and a streamlined MIA process. The Sheriff's authority to disqualify from the certified list those candidates he will not hire, improves the fairness of the process by not keeping a candidate in a state of uncertainty.

#### Other Changes

The Ordinance will give the Commission discretion to cancel, replace or consolidate the list at any time.

The Ordinance will also include the ability to consider driving violations from other States.

An addition to the Ordinance is language which requires the Sheriff to the "greatest extent possible" to fill additional Deputy position from the ranks of former police officers who lost their positions, when the Sheriff's department takes over law enforcement services in a City or Village.

Language will change to make the educational requirement for detective consistent with the educational requirement for deputies, 60 credits.

Language will reflect the current residency requirements as specified in Wisconsin Act 20.

WHEREAS, the Kenosha County Board of Supervisors has previously passed a Resolution 17-30, on August, 2017, calling on the Wisconsin State Legislature and Governor to support legislation proposed to address the Dark Store loopholes; and

WHEREAS, this was done in recognition of the fact that national chain stores are utilizing arguments that assessed values of new stores should be based on comparisons to sales of vacant stores in abandoned locations which, when accepted by courts, have resulted in significant reductions in assessed values, often requiring municipalities to refund tax revenue back to the stores; and

WHEREAS, these reductions in assessed values have resulted in a shifting of the tax burden to local business and homeowners; and

WHEREAS, passage of the resolution was further done in an effort to protect homeowners and local businesses from having even more of the property tax burden shifted to them; and

WHEREAS, Wisconsin State Statute 59.52(25) allows for a county board to conduct a county-wide referendum for advisory purposes; and

WHEREAS, such a county-wide referendum on the issue of Dark Stores would provide guidance to the state legislature as to the will of the Kenosha County electorate on this issue; and

NOW, THEREFORE BE IT RESOLVED, that the Kenosha County Board of Supervisors does resolve to conduct a county-wide advisory referendum, to be held with the November 2018 general election, to advise the State of Wisconsin as to the level of support within the Kenosha County population for addressing the Dark Store loopholes; and

BE IT FURTHER RESOLVED that said advisory referendum read as follows:

*Should the state legislature enact proposed legislation that closes the Dark Store loopholes, which currently allow commercial retail properties to significantly reduce the assessed valuation and property tax of such properties, resulting in a substantial shift in taxes levies against other tax paying entities, such as residential home owners, and/or cuts in essential*

*services provide by an affected municipality?*

BE IT FURTHER RESOLVED that the Corporation Counsel's Office shall fulfill its statutory obligations with respect to drafting an explanation of the above referendum question and that the Clerk be directed to place said question and explanation on the November 6, 2018 ballot.

Respectfully submitted,

RESOLUTION NO.

Subject: Calling on the Legislature to Address the Dark Store Loophole

**Whereas**, home owners in Wisconsin already pay approximately 70% of the total statewide property tax levy; and

**Whereas**, that property tax burden is about to get more disproportionate unless the legislature addresses tax avoidance strategies that national chains stores are using across the country to gain dramatic reductions in their property tax bills at the expense of homeowners and other taxpayers; and

**Whereas**, national chain stores are using what is known as the “Dark Store Theory” to argue that the assessed value of a new store in a thriving location should be based on comparing their buildings to sales of vacant stores in abandoned locations from a different market segment; and

**Whereas**, national chain stores in Wisconsin have argued in communities across Wisconsin that the assessed value of their property for property tax purposes should be less than half of their actual sale prices on the open market; and

**Whereas**, lawsuits filed by national chain stores in Wisconsin are forcing assessors to dramatically reduce the market value of thriving national retail stores, shifting their tax burden to local businesses and homeowners; and

**Whereas**, in many cases the courts have sided with these national chain stores, requiring communities to refund tax revenue back to the stores.

**Now, Therefore, Be It Resolved**, that the Kenosha County Board of Supervisors call on the Wisconsin State Legislature and Governor to protect homeowners and local businesses from having even more of the property tax burden shifted to them by passing legislation clarifying that: leases are appropriately factored into the valuation of leased properties; and when using the comparable sale method of valuation, assessors shall consider as comparable only those sales within the same market segment exhibiting a similar highest and best use rather than similarly sized but vacant properties in abandoned locations; and

**Be It Further Resolved**, that the Kenosha County Board of Supervisors call on the Wisconsin State Legislature and Governor to pass legislation prohibiting assessors from valuing new retail stores the same as nearby abandoned stores from a different market segment; and

**Be It Further Resolved**, that the Kenosha County Board of Supervisors urges our legislators and the governor to have this matter reviewed by the Wisconsin Legislative Council Study Committee on Property Tax Assessment Practices no later than July, 2018; and

**Be It Further Resolved**, that since this matter has **not** been adequately addressed in 2018 by the Wisconsin State Legislature, the Governor shall call a special session of the Wisconsin State Legislature to address this issue no later than September 2018; and

**Be It Further Resolved**, that a copy of this resolution be forwarded to Kenosha County's legislative delegation, Governor Scott Walker, the Wisconsin Counties Association, and to all other Wisconsin counties.
