APPOINTMENT 2016/17-47

RE: KENOSHA COUNTY LOCAL EMERGENCY PLANNING COMMITTEE

TO THE HONORABLE KENOSHA COUNTY BOARD OF SUPERVISORS:

Placing special trust in his judgment and based upon his qualifications, I hereby submit to the Honorable Kenosha County Board of Supervisors for its review and approval the name of

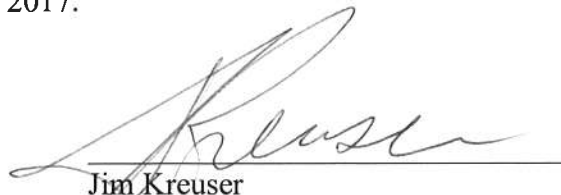

Mr. Kurt Gardner
Ocean Spray Cranberries, Inc.
Environment, Health and Safety Manager
7800 60th Avenue
Kenosha, WI 53142

to serve on the Kenosha County Local Emergency Planning Committee (Group #5 – Owners & Operators of facilities subject to the requirements of EPCRA) beginning immediately upon confirmation of the County Board and continuing until the 1st day of August, 2019 or until a successor is appointed by the County Executive and confirmed by the Kenosha County Board of Supervisors.

Mr. Gardner will serve without pay.

Mr. Gardner will be succeeding Michael Tarasik.

Respectfully submitted this 2nd day of March, 2017.

Summary of Experience

Over 23 years of diverse safety and management experience in the food and heavy manufacturing industry. Specific assignments include the creation, development and implementation of plant and corporate wide safety, health and environmental programs, workers compensation, ergonomics, security oversight, on site physical therapy, environmental permitted programs and regulatory requirements.

2009 to Present **Ocean Spray Cranberries, Inc.**, Kenosha WI

High quality producer of innovative juices, cranberry sauce and sweet and dry cranberries (SDC's)

Safety Manager: Member of the SLT team and responsible to the Plant Manager for: Safety and Environmental Compliance, Workers Compensation, Security Oversight and other assigned projects.

- Responsible for the oversight of 34 plant safety, health, environmental, DHS and security programs to assure employee safety, environmental health and Quality program requirements are met. **Result:** Compliant safety, health and environmental programs including Department or Homeland Security requirements for chemicals of interest. Compliant TIER II reporting and Off Site Emergency Action Plan.
- Responsible for Storm water Pollution Prevention, Spill Control and Countermeasure Plans, WPDES and Significant Industrial Water User (SIU) permits, Air Permits. **Result:** Compliant and sustainable Environmental programs.
- Responsible for RMP/PSM program for two plant ammonia refrigeration systems. **Result:** Compliant RMP/PSM programs.
- Responsible for the Site Security Plan covering the Department of Homeland Security (DHS) requirements covering a Chemical of Interest (COI). **Result:** In a recent DHS audit it was found that plant was compliant.
- Responsible for the Implementation of a proactive, comprehensive ergonomic and injury case management program to address the high cost of injuries resulting in strains and sprains. **Result:** Job analysis completed and onsite injury rehab response clinic successfully implemented treating work and non-work related cases.
- Supervision of security team responsible for site security and food defense. **Result:** implemented team responsible for addressing employee safety, plant physical security, employee and visitor badge process, food defense and visitor and contractor safety policies.
- Implemented lockout tagout team and equipment assessment. **Result:** Reviewed and updated equipment energy source locations for quick and accurate locating. Performed hazard risk assessment for unit ops involving multiple tasks resulting in clear safe guards related to routine and integral tasks and those that require lockout tagout. Implemented LOTOTO boards for equipment cell lockout tagout needs.
- Assessed fall protection requirements related to five 40 foot sugar tanks. **Result:** Implemented stainless steal ladder fall arrest system on each tank to assure falls are eliminated when ascending and descending the ladder structure.
- Accessed floor slip hazards around sauce filler equipment. **Result:** Tried 2 floor grip styles that eliminated the slip hazard in a wet and slippery environment and set

the bar for future floor coating styles.

- Implemented secondary container labeling system at the plants chemical storage locations. **Result:** Compliant labeling process and materials for assuring secondary containers are properly labeled and that all information is available to assess hazards and train employees on chemicals used.
- Participated in and led corporate plant safety audits. **Result:** Reviewed network plant safety programs and identified opportunities and made recommendations for program improvement. Observed well run programs and incorporated best practices into current safety programs.
- Engaged safety team in the redraft of the Emergency Action Plan (EAP). **Result:** Completed a detailed EAP that outlines all aspect of emergency response including response assessment levels and detailed checklists outlining roles and responsibilities. Conducted plant drills that resulted in 6-7 minute evacuation times from announcement of an emergency to full accountability of all employees in the plant.
- Responsible for the implementation and maintenance of the In house First Aid, Haz Matt and Confined Space Rescue Team. **Result:** Teams are well equipped and trained to respond to medical, chemical and confined space rescue emergencies.
- Conducted 2 plant wide full scale worst case scenario ammonia release drills. Drills involved a high concentration ammonia release, a down employee, missing person(s), plant evacuation and accountability and the Kenosha fire department, Kenosha Haz Mat Team level B and the Racine County Haz Mat team level A response. **Result:** Known expectations of response activities and levels of support from outside ERS agencies. Face to face confidence in response teams abilities.
- By supporting the Cultural Change path and integrating the ACTS program (Acting, Coaching, Thinking, Seeing) developed for Ocean Spray, assembled a team of hourly and management employees to educate and train employees on people based safety. **Result:** Lowest injury (TIR) and dart incident rate since 2003, increased employee morale, program support and participation.

2000 to
2009

Metal Technologies, Inc., West Allis, Wisconsin

High quality producer of gray and ductile iron castings for the automotive, small engine and home appliance markets.

Safety Manager/ Ergonomic Evaluations: Responsible to Vice President of Human Resources for: Safety Compliance, Workers Compensation, Ergonomic Evaluations, Security Oversight and other assigned duties.

- Supervised security team with 1 supervisor and 7 officers. **Result:** Secured property assets with 24-7 on site personnel, facilities video and key equipment monitoring, time keeping and invoice tracking, immediate injury care, timely injury reporting, reduced equipment down time, and 0 catastrophic incidents.
- Implemented remote plant security monitoring through integrated video surveillance and strategic internal motion detectors. **Result:** Secured property assets and eliminated onsite security staff saving \$175,000.00 annually. Security options for current plant closure will result in annual savings of \$260,000.
- Oversaw Safety Intern. **Result:** Implemented specific confined space entry procedures.
- Established partnerships with local health care centers to treat work related injuries. **Result:** Reduced recordable and lost time injuries and enhanced doctor/employer relationships.

- Implemented a comprehensive partnership and an integrated program with an onsite physical therapy partner. **Result:** Reduced strains injuries by 45% with a worst case cost savings exceeding \$250,000.
- Utilized American Industrial Medical (AIM) for audiograms and respirator medical clearances. **Result:** Achieved 100% compliance in audiogram testing and respirator clearances.
- Conducted industrial hygiene surveys to assure good air quality and determine respiratory and hearing protection requirements. **Result:** Engineered out and abated repairable silica dust to below the OSHA PEL, reduced CO exposure below the OSHA TWA, and achieved 100% compliance with respirator and hearing protection requirements.
- Integrated a complete safety program that included new and annual employee training, behavior based training, monthly safety audits, safety topics and safety incentive programs. **Result:** Achieved no OSHA citations or violations, a lost time incident rate below the industry average and a workers' compensation modification factor between .80 and .85.
- Developed a Management Accountability Program (MAP). **Result:** Achieved 100% compliance with safety audits, injury corrective actions, STOP observations and established yearly safety goals 30 supervisors.
- Implemented monthly workers compensation review meetings with the VP of Human Resources, plant HR Managers, Safety Managers, and VP of finance. **Result:** Assured accurate reserve figures and timely credit for claims closed under reserved amount, increased timely closure of claims and 0 claims left un-reviewed.
- Managed workers compensation (WC) program for two WI plants. **Result:** Achieved 100% timely reporting of first reports of injury, 100% accident investigations performed, surveillance, questionable claims, weekly wage reporting, and daily tracking of individual doctor and physical therapy appointments modified work assignments, and developed a close relationship with claims handlers to assure accurate claims management.
- Implemented ergonomic enhancements. **Result:** Mover stacker equipment and lift tables eliminated back strains, hydraulic wedger's reduced hammering 50%, bob cat mounted breaker unit greatly reduced carpal tunnel, and a trialed system to manually handle and stack 50 + pound castings eliminated arm and shoulder strains and allowed company flexibility to process heavier castings safely.
- Initiated a cost effective personal protective equipment (PPE) distribution center. **Result:** Reduced PPE cost by over 45% with an annual savings of \$60,000. Assured PPE availability and streamlined invoicing.
- Volunteered to head up and broker the sale and dismantle of the plant back up fuel system. **Result:** Sold two 60,000 gallon propane tanks and remaining liquid propane, rendered tanks safe for removal, removed fill station, mixer equipment, mercury switches, asbestos, deluge system and vaporizer which netted \$200,000.
- Implemented the 5 "S" housekeeping program. **Result:** Improved space utilization and professional appearance, minimized combustibles, streamlined purchasing of various process materials, and increased worker utilization.
- Established alternative fire system protection options for current plant closure. **Result:** Produced reliable and compliant system that will protect company assets as the building becomes unoccupied and weather becomes colder.

- Partnered with local West Allis Fire Department. **Result:** Implemented fire department personnel plant tours, conducted yearly on site confined space rescue training, gained an ally when dealing with neighborhood affairs, and achieved 100% compliance with fire inspections.

1995 to
2000

J&L Fiber Services, Waukesha, Wisconsin

A foundry supplier of refiner fillings and screen cylinders for the paper industry.

Safety / Ergonomic Engineer: Responsible to Plant Manager for Safety Compliance, Workers Compensation, and Ergonomic Project Solutions.

- Directed all aspects of the plant safety program. **Result:** Achieved 100% compliance with OSHA lead standard and a random on site OSHA inspection with air sampling resulted in minimal findings.
- Eliminated need to manually lift and flip 250 lb sand molds on a pouring cart. **Result:** Engineered a manipulator to lift and flip 250 lb sand molds onto a pouring cart eliminating the potential for back and shoulder injuries.

1994 to
1995

Anchor Glass Container Corporation, Gurnee, Illinois

A glass foundry supplier of bottles and jars for the food and beverage industry.

Safety Supervisor / Process Improvement Facilitator: Responsible to Plant Manager for Safety Compliance, Workers Compensation, and Quality Control Facilitation.

- Conducted all aspects of the Illinois and Minnesota glass manufacturing safety and workers compensation programs.
- Coordinated and conducted line team training of 150 employees in Statistical Process Control.

1993

FEISCO, Jacksonville, Florida

A workers compensation fund provider for Florida employers.

Internship as a Loss Control Counselor:

Met with clients to develop and maintain cost effective safety programs.

Education: BS Degree, Education/ Occupational Safety, University of Wisconsin- Whitewater, 1993

Continuing Education: E.P.A 165.15 Haz Mat technician 40 Hr. Certified
First Aid – CPR and AED Certified
Confined Space Rescue Certified
Certified in DOT Hazardous Materials Transportation
Community Emergency Response Team (CERT) Trained
Completed Dale Carnegie Course: Skills for Success
30 hour OSHA voluntary compliance course
Industrial Ergonomics I: Basic Principles

SUMMARY OF CRIME OR INCIDENT

On 2/3/17 at 2258 hours, I, Deputy Jose Gonzalez #311 along with Deputy T. Johnson #272 responded to Ray's Change of Pace (34814 Geneva Rd) reference a cabaret license inspection. Upon arrival I made contact with the owner/manager, Chad R. Weis (VER). Chad was provided a copy of Kenosha County Ordinance #8.02. I completed a cabaret license check list as well as a rough diagram of the tavern. The tavern appeared to be in compliance with Kenosha County Ordinance #8.02.

See report for further information.

36525 75th St. Wheatland, WI 53105 (262)527-4990

I – Weis, Chad R. (VER) 4/25/77 W M
6730 Fox River Rd, (262)210-5181

On 2/3/17 at 2258 hours, I Deputy J. Gonzalez #311 along with Deputy T. Johnson #272 responded to Ray's Change of Pace (34814 Geneva Rd.) reference a cabaret license inspection.

Upon arrival, I made contact with the owner/manager, who was verbally identified as Chad R. Weis. Chad was behind the bar area working as the bar tender. There were approximately 15 patrons inside the tavern at the time.

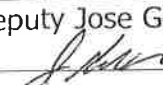

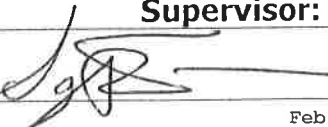

I informed Chad that I was there to conduct a cabaret license check. I provided Chad with a copy of Kenosha County Ordinance #8.02 and advised that rules and regulations were clearly stated within the ordinance. Chad stated that he and his father, Raymond N. Weis were co-owners of the tavern and the only key holders. Chad provided his father information as Raymond was not there at the time.

Chad provided a current cabaret license with an expiration date of February 5, 2017. Chad also presented a receipt for the renewal purchase of a Dance hall and Cabaret license with a receipt number of 100-140-1410-1000-4401. The cabaret license listed Raymond N. Weis as the agent.

Chad then provided a current class "B" liquor license #2016/2017-006. The license was issued July 1, 2016 and was valid through June 30, 2017 for the tavern. The listed agent on the liquor license was Raymond N. Weis. The liquor license, cabaret license, and bartender's license were visibly displayed within a cabinet near the bar area.

I informed Chad that he was responsible for contacting a local building inspector for a building inspection. I informed Chad that the results of the inspection were to be forwarded to the Kenosha County Sheriff's Department (KSD) 2nd shift supervisor. Chad stated he did not know he had to have an inspection of the tavern done. Chad was informed that failure to complete the inspection, and submit the inspection to KSD 2nd shift supervision would result in denial of the cabaret license. Chad stated he understood.

I conducted a walkthrough of the tavern. There were two exits with a listed exit sign on the doors. The path to the doors were clear of any obstructions and there was ample room for people to walk through. The bar area for the tavern had ample room for patrons and was well lighted.

KENOSHA SHERIFF'S DEPARTMENT SUPPLEMENTARY INVESTIGATION REPORT

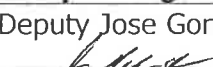

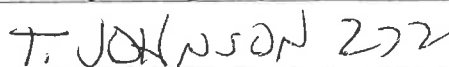

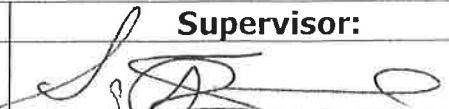

Case or Event No. 2017-015870		No. of Pages 3 of 3
Date of Supplemental		Date Time Reported 2/3/17 at 2258 hrs.

Involved Parties Codes – C= Complainant I= Involved Person V=Victim S=Suspect R=Reporting Person							
Name	Last	First	MI	DOB	Race	Sex	Driver's License No.
Address		City – State – Zip			Identification		Phone No.

While conducting the walkthrough, Chad stated the area near the east door exit/entrance would be used for the cabaret license. Chad stated he would move the pool table out of that area for any setup he needed.

Once the walkthrough was completed, Chad stated he and his father, Ray, had no plans for any changes to the tavern. Chad stated that if they did use the cabaret license, they would use it for a DJ or band.

After completing my inspection, I see no reason for not approving the cabaret license for Ray's Change of Pace. End of report.

RECORDS BUREAU

Feb. 7, 17

CABARET LICENSE INSPECTION CHECKLIST

Establishment: Rayo Change of Pace

- J.6311 (1) Give the attached copy of Kenosha County Ordinance #8.02 to the business owner/manager.
- J.6311 (2) Obtain complete personal information, (i.e. name, d.o.b., address and telephone number), of the following person(s):
- a. Owner
 - b. Manager
 - c. Agent listed on the cabaret license application
 - d. Agent listed on the current class "B" liquor license
 - e. Keyholder's not mentioned above
- *** Please list their respective roles within the business
- J.6311 (3) List the "business name" as the complainant at the top of the face sheet.
- J.6311 (4) Conduct a physical inspection of the premises. If a diagram is attached to this packet, please verify that it is current. If only minor changes are required, please make them on the diagram provided. If major changes are required or there is no existing diagram with this packet, please submit a new one.
- J.6311 (5) Inform the owner/manager that the establishment is responsible for making contact with the local building inspector to arrange for a building inspection. The results are to be forwarded to the Shift Commander (2nd shift Patrol) at the Kenosha County Sheriff's Department as soon as possible. Failure to do so will result in the denial for the cabaret license application.
- J.6311 (6) Upon your inspection of the premises, determine if the establishment meets all requirements under Kenosha County Ordinance #8.02. If modifications are required, it is the responsibility of the establishment to meet these requirements and to contact K.S.D. for a follow-up inspection.
- J.6311 (7) Check for proper posting of liquor and bartender's licenses. Please include expiration dates in your report.
- J.6311 (8) Check for any underage person(s) during your visit.
- J.6311 (9) Upon your final inspection, indicate in your report whether or not you recommend the approval of the license application based on your observations.

*** Be sure that all information listed above is included in your report!!

*** Submit all information to Cabaret File Coordinator for review!!

NOTICE

PLEASE TAKE NOTICE of the following circumstances underlying and constituting a claim against the County of Kenosha and the Kenosha County Sheriff Department, given pursuant to §893.80, Wis. Stats., to-wit:

CIRCUMSTANCES OF EVENT

1. Sunny T. Chong is an adult resident of the City and County of Racine, State of Wisconsin, whose current address is 6111 Douglas Avenue, Racine, Wisconsin 53402.
2. Date and time of incident: January 6, 2017 at 6:38 a.m.
3. Location of incident: STH 158/52nd Street, at or about the intersection with 17th Avenue, in the City and County of Kenosha, State of Wisconsin.
4. Circumstances of incident: Claimant, Sunny T. Chong, on the date and time indicated, was traveling east bound in the curb lane in the 1700 block of STH 158/52nd Street. Kenosha County Sheriff Deputy, Adam R. Barnard, driving a Kenosha County Sheriff Department vehicle was traveling eastbound in the center lane in the 1700 block of STH 158/52nd Street, when he attempted to merge into the curb lane, striking the vehicle being driven by claimant, Sunny T. Chong. As a result of the accident claimant, Sunny T. Chong, suffered injuries to her left hand, left shoulder, left buttock and other injuries.
5. Adam R. Barnard negligently operated the vehicle so as to cause it to collide with the vehicle operated by claimant, Sunny T. Chong.

6. At all times material the vehicle driven by Adam R. Barnard was owned, operated and maintained by the County of Kenosha and the Kenosha County Sheriff Department; and Adam R. Barnard was in the scope of his employment with the County of Kenosha.

7. The above-named party was negligent as to the speed, lookout, and management and control of said vehicle.

8. As a direct and proximate result of the negligence of the above-named parties claimant, Sunny T. Chong, suffered personal injuries, mental anxiety and distress, and other personal injuries, including, but not limited to, past and future pain, suffering and disability; past and future medical expenses; and past and future wage loss and loss of earning capacity.

9. At all times material, the above-named parties had actual notice of the aforesaid incident and injuries and thoroughly investigated the same, by virtue of the Wisconsin Motor Vehicle Accident Report (KPD Ref: 6JL0QJJ8VP), a copy of which is attached As Exhibit A.

10. This document is a notice of circumstances of claim served on the above-named parties in compliance with Wisconsin law. This document is not a claim for damages. A claim for damages will be made at a later time, upon completion of medical treatment.

Dated in Racine, Wisconsin, this 8th day of February, 2017.
