2.01 Rules of procedure.

The most recent version of Robert's Rules of Order (Newly Revised) shall govern the proceedings at all meetings of the Kenosha County Board of Supervisors and its committees and all other boards and commissions of Kenosha County Government except as set forth in these County Board Rules, also referred to herein as Board Rules, and except as otherwise provided by Wisconsin state statute.

2.02 Meetings, time and place.

(1) ORGANIZATIONAL MEETING AND DUTIES OF OFFICERS.

(a) On the third Tuesday in April in even-numbered years, after each regular election at which members are elected for full terms, the County Board will meet and shall:

1. Meet for the purpose of organizing and for transacting general business.
2. Elect a member chair to perform the duties set forth in section 59.12(1) of the Wisconsin Statutes in addition to other duties established in these Rules or by the County Board from time to time. Specifically, without limitation, the chair may administer oaths to persons required to be sworn concerning any matter submitted to the County Board or a committee of the County Board or connected with their powers or duties. The chair shall countersign all ordinances of the County Board, and shall preside at meetings when present. When directed by ordinance the chair shall countersign all county orders, transact all necessary County Board business with local and county officers, expedite all measures resolved upon by the County Board and take care that all federal, state and local laws, rules and regulations pertaining to county government are enforced.
3. Elect a member vice-chair to perform the duties set forth in section 59.12(2) of the Wisconsin Statutes. Specifically, in case of the absence or disability of the chair, the vice-chair shall perform the chair's duties.

The organizational meeting may be adjourned in the same manner as prescribed for the adjournment of the annual meeting as set forth in section [59.11\(1\)](#) of the Wisconsin Statutes.

(b) Duties of Board Chair.

1. At the Biennial Organizational Meeting described in sec. 2.04(1)(a) or as soon thereafter as practicable, the Board Chair shall appoint members to the standing committees of the County Board and shall call upon the chairs of such standing committees to advise him or her from time to time as the need arises as members of the chair's advisory committee. The Board Chair has the authority, in his or her sole

discretion, to remove members from committees and remove members as chair of a committee.

2. In the absence of the Board Chair and the Vice-Chair and where their presence is necessary to carry out the responsibilities of their office, the Kenosha County Board of Supervisors does hereby designate the most recent past chair present the responsibility to serve as chair pro tempore of a meeting of the County Board. In the absence of a past chair, such responsibilities shall be carried out by the most senior member of the County Board. (10/7/86)

(c) The County Board shall also hold an organizational meeting on the third Tuesday in April in non-election years for the purpose of transacting business that is permitted at the annual meeting and for the further purpose of organizing or reorganizing as may be deemed necessary.

(2) *ANNUAL MEETING.* The County Board shall hold an annual meeting on the date established in section 59.11(1) of the Wisconsin Statutes.

(3) *REGULAR MEETINGS.* In addition to the organizational and annual meetings, the County Board shall meet at 7:30 p.m. on the first and third Tuesday of each month for the purpose of transacting business. The Chair, in his or her discretion, may cancel a regular meeting for any reason, including, but not limited to: a lack of agenda items, inclement weather, or other unforeseen circumstances. The Board Chair shall provide reasonably adequate notice to the Supervisors and the public in advance of any such meeting cancellation.

(4) *SESSION.* The two-year period of time between the organizational meetings in sec. 2.04(1)(a) hereof shall constitute a session of the County Board, and any business pending and upon which the Board has not acted prior to the close of a session can no longer be acted upon without being reintroduced. (3/20/18)

(5) *SPECIAL AND EMERGENCY MEETINGS.* Special and emergency meetings of the County Board may be held at the call of the Board Chair for any reason or otherwise pursuant to section [59.11\(2\)](#) of the Wisconsin Statutes, as amended. A written request delivered under section 59.11(2) of the Wisconsin Statutes may be signed and delivered electronically.

2.03 Meetings, quorum, conduct of.

- (1) A majority of the supervisors entitled to a seat on the Board or a committee thereof shall constitute a quorum. All questions shall be determined by a majority of the supervisors present unless otherwise provided.
- (2) Where two or more committees of the County Board hold a joint meeting, no business shall be conducted unless there is a quorum from each committee present. Members of the County Board who are present and serving as members of more than one of the committees meeting jointly are to be considered present in determining whether there is a quorum of each committee of which they are a member.
- (3) In those cases where a joint report or resolution is to be considered, those members serving on more than one of the committees meeting jointly shall be entitled to cast separate votes as a member of each committee upon which he or she serves.
- (4) The Board Chair shall preside at all meetings, preserving order and decorum and shall decide all questions of procedure and order, subject to appeal to the Board. The Board Vice-Chair shall preside in the absence of the Chair. The Board Chair and Vice-Chair shall be entitled to vote on all matters presented to the Board. (5/17/16)
- (5) The Corporation Counsel's office shall serve as parliamentarian for Board meetings.
- (6) All matters referred to committee or committees must be returned to the Board within sixty days if supported by the committee. In the event of referral to more than one committee, action must be taken separately by each committee, although joint meetings may be held and joint reports may be made as outlined in subsections [\(2\)](#) and [\(3\)](#). An issue that does not receive an affirmative vote in committee may be reported back to the County Board during supervisor comments by the committee chair. (8/6/91)
- (7) Persons wishing to make presentations to the County Board during the citizen comments portion of the meeting will limit their comments to one five-minute presentation and otherwise abide by the terms of the citizen comment rules in sec. 2.07(10) . Persons requested to appear before the Board, the county executive and county department heads shall not be limited in the time required to provide the presentation. (4/17/90)

(8) *Supervisor Reports, Announcements, and Referrals (4/12/05).* After “Citizen Comments” at County Board meetings, an item shall appear on the agenda entitled: “Supervisor Reports, Announcements and Referrals.” This item is intended to allow for committee reports by committee chairs, routine announcements, and matters that a supervisor would like referred to a committee or department. No debate or official action will be taken up on any matter announced under such agenda items.

(9) *Supervisor Comments (4/12/05).* Comments by Supervisors regarding matters on the agenda shall be made only at the time that the matter is properly before the Board. Supervisor comments on matters not on the agenda shall be specifically noted on the agenda with a description of the comments with enough specificity to comply with the Wisconsin Open Meeting Law. (5/17/16)

(10) *Rules for Citizen Comment.* The following rules apply to all periods of citizen comment at County Board and Committee meetings:

(a) Any person who wishes to address the County Board during the “Citizen Comment” portion of the agenda must complete the “Citizen Comment” sign-in sheet and verbally state their name and address prior to beginning comment.

(b) All comments shall be limited to five (5) minutes in length per speaker unless the Board Chair establishes a different time limit in his or her discretion, in which case the time limit will be announced.

(c) Comments should be directed to the Board as a whole and not addressed to individual Board or Committee Members.

(d) A commenter should refrain from asking questions of the Board or any individual Board or Committee Member.

(e) Commenters should be courteous in their language, avoid personalized remarks and refrain from comments that are rude, obscene, profane, personally attacking, and which demonstrate a lack of respect for others.

(f) The Chair reserves the right to terminate an individual's public comments if these rules are violated. As well, the Chair has the authority to rule speakers out of order where appropriate and may call a short recess in disorderly situations.

2.04 Open meetings.

All meetings shall be open to the public and shall be held in conformance with section [59.11](#) and sections [19.81](#) through [19.98](#) of the Wisconsin Statutes, as amended.

2.05 Closed session at meetings.

(1) Any meeting may convene in closed session provided any such closed session complies with the provisions of section [19.85](#) of the Wisconsin Statutes as amended.

(2) In accordance with section [19.89](#) of the Wisconsin Statutes and unless otherwise provided by law, no member of the Board may be excluded from any meeting of the Board, its committees or commissions provided, however, that a committee or commission may exclude a Board member that is not a member of the committee or commission from a closed session portion of a meeting upon majority vote of the committee or commission members present. The records, tapes and any other materials distributed in any closed session of the Board or any of its committees, including without limitation the record of any official action taken or authorized, shall be available to all supervisors upon written request presented to the Board Chair or chair of the appropriate committee. (3/20/18)

(3) All motions and roll call votes taken in closed session must be recorded and preserved, but such recordings shall be impounded and left in the custody of the county clerk or recording secretary to the committee and, subject to Sec. 2.03(2), not distributed to anyone until the reason for the closed session has expired and secrecy is no longer allowed by law. Those Board or Committee members in attendance at a closed session shall have access to the record of any official action taken or authorized in the closed session and such record shall be deemed approved as recorded unless objected to at the next regular meeting of the Board or Committee. (8/21/90)

2.06 Board meetings agenda, order of business and minutes.

(1) *Agenda and Inspection.* The Board Chair, in consultation with the County Clerk, shall establish the agenda for all meetings of the Board. In creating the agenda, the Board Chair

shall include, among other matters, all items acted upon favorably by a committee. The Board Chair shall determine the process for referral to a committee. All reports, resolutions, ordinances, communications, etc., to be presented to the Board shall be filed with the county clerk no later than 10:00 a.m. on the Friday preceding the Board meeting and shall be open to public inspection upon filing. In the case of committees, all reports, resolutions, ordinances, communications, etc., shall be filed with a designee of the county clerk and shall be open to public inspection upon filing. The Board Chair may authorize the filing of any report, resolution, ordinance, communication, etc., at a later time than provided herein. The county clerk shall forward to the respective supervisors at least 48 hours prior to the start of a county board meeting copies of all agenda items which have been timely filed. A matter may be pulled from the agenda only by the Board Chair after polling and receiving a consensus of the committee members present during the Announcements of the Chair segment of the meeting. Removal of an item is not subject to debate. Where an item is not submitted by a committee but by an individual supervisor, that item may be removed from the agenda at the request of the presenter. (11/4/96) The Board agenda shall be kept on file with the Clerk, be posted on the county's website and published in the proceedings of the County Board as required by law.

(2) The order of business as established by the rules of the County Board shall not be changed except by unanimous consent or by a vote of two-thirds of the members present.

(3) The County Clerk shall prepare and record minutes of County Board meetings including a record of any action taken, if any, during a closed session portion of the meeting. The chair of each committee or his or her designee, in coordination with the county clerk shall prepare and record all minutes of all committee meetings including a record of any action taken, if any, during a closed session portion of the meeting. Final approved minutes of Board and committee meetings shall be posted to the county's website within five (5) business days of approval.

(4) Unless otherwise required by law, no item may be scheduled for inclusion on the agenda for a regular meeting of the County Board until the appropriate committee or committees has acted upon the item unless the Board Chair, in his or her discretion and after consultation with the item's submitter, determines that the matter is of a time sensitive nature requiring the Board's attention in which case the Board Chair may place the item on the agenda for a regular meeting without committee consideration. This section does not prevent a matter from being scheduled for the first of two required readings prior to committee consideration. (1/17/17)

(5) *Consent Calendar.* The Chair may place items of routine business on the consent calendar portion of the agenda. Unless an objection is raised by any member of the Board, all items on the consent calendar may be disposed of by a single motion approving the consent calendar. If an objection is raised to the consent calendar, the objector shall specify the individual items in the consent calendar that will be removed from the consent calendar and acted upon individually. Each agenda containing a consent calendar shall specify the matters being considered in the consent calendar.

2.07 Exercise of power and presentation.

(1) The County Board shall act by way of ordinances or resolutions. Except as otherwise noted, ordinances and resolutions shall be adopted by majority vote of a quorum or by such other vote as may be required by statute or ordinance. Reports submitted by County Board committees or members shall be intended for informational purposes and shall not be used for the purpose of instituting policies or enacting laws.

Any paper presented to the Board requesting Board action shall have endorsed thereon the date of presentation, subject matter, and the name of the presenting member(s). The Board Chair or the Board clerk shall read the endorsement and the matter shall then be either referred or otherwise disposed of as directed by the Board.

(2) All committee resolutions and ordinances must be in writing and indicate the “yes” or “no” vote or abstention of every member of the committee present at the committee meeting where such resolution or ordinance was acted upon. Resolutions, reports and ordinances not sponsored by a committee must be signed by the sponsoring member. If the County Board member initiating the resolution or ordinance or policy statement seeks additional support and sponsors he or she shall do so in compliance with the Open Meetings Law by having such resolution or ordinance or policy statement delivered to each Supervisor by the County Clerk, by mail or electronic delivery, as part of Board’s meeting packet with a memorandum informing all Board members that they may co-sponsor and sign the resolution, ordinance or policy statement immediately prior to the next County Board meeting. [Opinions of the Attorney General, March 11, 1993, July 28, 1998, September 16, 2002] (1/8/08)

All committee resolutions and ordinances must also have a space for:

-
- (a) a fiscal note commenting on the financial impact of the proposal to be completed and signed by the County's Finance Department; and
- (b) a legal note commenting on the legal authority relating to the proposal to be completed and signed by the Office of the Corporation Counsel.
- (3) Ordinances and resolutions may be adopted by a majority vote of a quorum or by such majority vote as may be required and ordinances shall commence as follows: "The County Board of Supervisors of Kenosha County do ordain as follows . . ."
- (4) *Readings and Notations.* Every resolution and report, except as otherwise noted, shall only require one reading. All ordinances and all resolutions which are intended to reflect policy (as determined by the Board Chair in consultation with the Corporation Counsel) or which are otherwise required by law to have more than one reading shall be read at two successive Board meetings. Zoning map amendments shall only require one reading. The County Board may suspend this rule requiring a second successive reading by two-thirds vote of the members present and consider such matter on the day presented. Notice of possible suspension of the second reading shall appear on all County Board agendas. In regards to ordinances and resolutions requiring two readings, no debate shall be permitted at the first reading. Unless otherwise indicated, all resolutions shall survive expiration of a session and remain in effect until such time as repealed. Any resolution intending to reflect the policy of the County Board shall be so duly noted and properly indexed and incorporated into a policy manual. When presenting these items for first reading, the County Clerk shall read them by number and title only, but when requested by any one member of the County Board, said item shall be read in its entirety. A copy of said resolution and ordinance shall be presented in writing to each supervisor at the time of the first reading. The County Board may take action on the proposed resolution or ordinance after the second reading. Any resolutions or ordinances shall be read by title only unless any one supervisor requests a reading of the resolution or ordinance in its entirety, which request can be overridden by a 2/3 vote of the members present. (3/6/12)
- (5) All resolutions, ordinances and reports shall be filed and indexed cumulatively, with said file and index reflecting the subject matter and number of the report or resolution, and the page number where said report or resolution is reported, in full, in the yearly Proceedings of the County Board pursuant to Wis. Stat. § 59.14.
-

(6) *Adoption.* Upon the adoption of any ordinance or resolution enacted by the County Board, it shall be countersigned by the Board Chair and the county clerk and forwarded to the county executive pursuant to the provisions of section [59.17\(6\)](#) of the Wisconsin Statutes. Upon approval or abstention by the county executive or in the event of his or her veto, upon the subsequent overriding vote of the County Board, the county clerk shall publish said resolution or ordinance and distribute copies pursuant to the applicable state statutes. If any resolution or ordinance is not returned by the county executive to the County Board at its first meeting occurring not less than 6 days, Sundays excepted, after it has been presented to the county executive, it shall become effective unless the County Board has recessed or adjourned for a period in excess of 60 days, in which case it shall not be effective without the County Executive's approval. If the County Executive vetoes, in whole or in part as allowed by law, any ordinance or resolution, the Board shall place the vetoed ordinance or resolution on the agenda for the next Board meeting for purposes of reconsidering the vetoed ordinance or resolution and if, after such reconsideration, 2/3 of the members-elect of the Board agree to adopt the vetoed ordinance or resolution, it shall become effective as provided therein but in no event earlier than the date of the meeting at which such ordinance or resolution is reconsidered.

(7) The Board Chair shall appoint a temporary County Executive, subject to Board confirmation, in the event of a vacancy in the office of County Executive.

2.08 Motion procedure.

(1) After a motion receives a second and has been restated by the chair, it is in possession of the Board. Before the adoption of any amendment or decision on the question it may be withdrawn by the mover with the consent of a second. If any member objects to the withdrawal of the motion, it may be withdrawn only with the consent of the majority of the members present. A motion to amend a main motion, when in order, shall require a second and a vote of the body.

(2) Any item of business before the Board not otherwise required by law to be acted upon in a specific manner of voting may be acted upon by unanimous consent by the Board Chair asking if there is any objection. If no Board member objects, the item of business is adopted by unanimous consent. (3/20/18)

(3) The names of the mover and the seconder of every motion shall be entered on the minutes of the Board. A proposed ordinance or resolution appearing on the agenda with a positive

recommendation from a committee shall not require a motion and second and the minutes shall reflect that the committee recommended and moved adoption of such ordinance or resolution.

(4) No debate shall be permitted until the Board Chair has stated a question. When the question is under debate, no motion is in order except as provided in the rules of order, and such motions shall have precedence in the order outlined in said rules of order.

(5) A motion to adjourn the Board is always in order except when the County Board is voting. A motion to close debate or move the previous question may not be made by the person making the motion or amendment or by the person who seconds the motion or amendment. Furthermore, no speaker may make a motion to close debate or to move the previous question immediately after speaking on the question. A motion to close debate or move the previous question, when in order, is not debatable and shall require two-thirds vote of the members present to be adopted. (6/6/95)

(6) A member has the floor only after he or she is recognized by the chair; and the member who wishes to be recognized shall seek recognition from the chair. When two or more members ask for recognition, the Board Chair shall determine the order in which such members shall speak. A member called to order shall immediately return to his or her seat and discontinue speaking unless permitted to explain by the chair.

(7) Any member may ask for the privilege of the floor for a non-Board member to address the County Board, and if no supervisor objects, the Board Chair shall grant the privilege to such non-Board member. If a member objects, any County Board member may move that the privilege of the floor be granted, and any member may second such motion. If the motion is adopted by a two-thirds vote of all members present, the County Board Chair shall grant the privilege of the floor to the non-Board member, and the Board Chair shall limit the time that such person can address the County Board.

2.09 Appeals and motions to reconsider, rescind and to take from the table.

(1) Any two members have the right to appeal any decision of the Board Chair by one member making the appeal and another seconding it, at which point the question shall be taken from the Board Chair and vested in the County Board for final decision. Upon such motion for appeal

made and seconded, the Board Chair shall state the question as “Shall the decision of the chair be sustained?” This motion is debatable, but each member may speak only once on the motion.

(2) No motion to reconsider is in order unless made by a member who cast a vote on the prevailing side of the question proposed to be reconsidered, or where the County Board is evenly divided by any member who voted in the negative, and such motion is made at the same meeting at which the original decision on that question was made or at the next meeting provided, however, that a motion to reconsider may be made in a committee meeting by a member of the committee that was absent from the meeting at which the question was presented. A motion to reconsider that fails shall not be renewed. The motion to reconsider and again place a prior motion before the Board shall require a majority vote. A motion to rescind or amend a prior action of the Board shall require prior notice and shall require the same vote as needed to adopt the original motion. Any supervisor intending and qualified to bring a motion to reconsider, rescind or amend a prior action of the Board at any meeting other than the meeting at which the report, resolution or ordinance was adopted shall notify the Board Chair and Clerk of his or her intent so that the motion may be properly placed on the appropriate agenda. Neither a motion to reconsider, rescind nor amend a prior action of the Board shall be in order if there has been action or an undertaking in furtherance of implementing the business that is the subject of the motion to reconsider, rescind or amend the prior action of the Board.

2.10 Voting.

(1) *Voting Requirement.* Every member who is present at a Board meeting, including the Board Chair, shall cast a vote when the question is put before the Board Chair; when a vote is equally divided, the question is lost. This section shall not be construed to prohibit a supervisor from abstaining from voting for any reason. (3/16/93)

(3) No member shall be permitted to vote on any question unless he or she is present or unless he or she appears, upon division of the Board, prior to the tally. A member wishing to absent him or herself from any meeting while the meeting is in session shall first obtain consent from the Board Chair who shall so notify the Board.

(5) Unless otherwise specifically provided by statute, no secret ballot may be authorized to determine any election or decision of the Board except the election of officers of such Board in

any meeting; except as so provided in the case of officers, any member of the Board may require that a vote be taken at any meeting in such manner that the vote of each member is ascertained and recorded.

(6) The records of the county clerk after approval by a majority of the members of the governmental body and certification of such approval by the prescribed officer, shall be filed in the office of the clerk and in the case of committees with the chair of the committee or his or her designee. Records of closed session portions of meetings shall be impounded until the body by majority vote authorizes their release and inclusion in the regular public records file.

(7) The motion and roll call votes of each meeting including closed sessions of the Board and its committees shall be recorded and preserved and open to public inspection to the extent prescribed in sec. [19.31](#) of the Wisconsin Statutes.

(8) Unless otherwise specified or required by law, the majority vote shall consist of a simple majority of the votes cast and unless otherwise specified, a two-third vote shall consist of two-thirds of the members of the County Board; that is, not less than sixteen votes of the 23 member Board. (11/15/88)

(9) Any member of the Board or the Board Chair may move for consideration of a resolution or ordinance by paragraph or seriatim. The University is responsible for all costs incurred for the installation, maintenance, and operation of the weather station.

Kenosha County will not charge the University for 225 square feet of rent for the premises identified in this agreement.

4. **ASSIGNMENT, SUBLETTING.** The University shall not assign this Agreement in any event, and shall not sublet the Premises, and will not permit the use of the Premises by anyone other than the University, and the agents, contractors, grantors, and grantees, and servants of the University without prior written approval of the Owner.
5. **MAINTENANCE AND REPAIR.** The Owner shall maintain access to the Property in good repair and tenantable condition during the continuance of this Agreement, except in case of damage arising from a willful act or the negligence of the University's agents or employees. Costs for repair or replacements to the Premises due to misuse or negligence by an employee or agent of the University shall be the responsibility of the University. - b) The University will not make or permit anyone to make any alterations, improvements, or additions in or to the Premises, without the prior written consent of the Owner.
- c) The University will conduct its business and control its employees, agents, and invitees in such a manner as not to create any nuisance or unreasonably interfere with, annoy, or disturb any other

tenant's or lawful occupant's use of the Property, provided, however, that nothing in this section shall be construed as limiting the University's use of the Premises as set forth in section 1 of this Agreement.

- d) The University shall ensure that the Premises is kept in good order and repair, safely, and cleanly maintained. The University shall be responsible for the safety and security of the weather station. Documentation by photograph and written report shall be allowed by either party.
- e) If the contact is terminated the University shall remove all equipment and structures in accordance with Federal, state, and local regulations within ten (10) days after the University vacates or abandons the premises, unless other arrangements have been made with Kenosha County. The University shall restore the site to its original condition prior to the weather stations installation.

8. **INSURANCE.** The Owner agrees to maintain, during the term of this Agreement, insurance coverage for its liabilities arising out of ownership of the Premises.

9. **HOLD HARMLESS.** Each party shall be responsible for the acts and omissions of itself and its employees, directors, officers, and agents. The Agreement shall not be construed to create a contractual obligation for either party to indemnify the other for loss or damage resulting from any act of omission of the other party or its employees, directors, officers, and agents. This Section shall not constitute a waiver by either party or any rights to indemnification, statutory limits of liability, contribution or subrogation which the party may have by operation of law.

RESOLUTION NO. _____

Subject: 2023 TO 2024 CARRYOVER AND ANNUAL CLOSEOUT RESOLUTION	
Original__x Corrected__ 2nd Correction__ Resubmitted__	
Date Submitted: April 11, 2024	Date Resubmitted:
Submitted By: Finance Committee	
Fiscal Note Attached Yes	Legal Note Attached
Prepared By: Barna Bencs, Budget Director	Signature:

WHEREAS, certain projects were authorized by the County Board in the prior year's budget; and

WHEREAS, it is necessary to carryover these funds to complete these projects; and

WHEREAS, there is a need for a Human Service Quality Analyst FTE position to assist Divisions within Human Services on quality assurance, outcome measurement, and program evaluation; and

WHEREAS, there are available resources to fund the creation of this FTE without incurring any additional use of County tax levy; and

WHEREAS, there is a Real Estate Property Lister (RPL) position vacancy created by a recent retirement within the Land Information Division; and

WHEREAS, the Land Information Division is requesting that this position be reclassified to a GIS/RPL Analyst position to better position the Division's response to service requests by providing more technical staff availability, provide staff flexibility, and greatly assist with position recruitment; and

WHEREAS, the vacancy savings from the Real Property Lister position exceeds the increased cost due to the upgrade in position classification and therefore requires no additional budget levy funding; and

WHEREAS, the County Board approved \$2.0 million of ARPA funding as part of the 2021 and 2022 Kenosha County budgets for a Broadband Infrastructure capital project of which \$1,074,839 has already been expended or will be carried over to 2024 to expend leaving \$925,161 available to repurpose; and

WHEREAS, there are various deficits identified as part of the 2023 Year-End financial carryover and annual close-out resolution including within the Sheriff's Department personnel appropriation, Information Technology Division Data Processing Costs, Sheriff's Department Pharmaceuticals, District Attorney personnel appropriation, and Corporation Counsel Other Legal Costs expenditures; and

WHEREAS, based on the analysis included in the 2023 Year-end Carryover and Close-out Resolution there is a material budgetary surplus that will increase the Unassigned General Fund balance of the County; and

WHEREAS, the County is required to report to United States Treasury the balance of the ARPA funding expenditure estimates by mid-year 2024, and

WHEREAS, the Administration has proposed earmarking the estimated ARPA funding balance available (net of ARPA funding used as part of the 2024 County Budget) for a Communications Tower signal enhancement capital project (\$200,000), for offsetting anticipated outside legal counsel expenditures (\$50,000), towards a Sheriff's Department boat patrol capital expenditure (\$20,000), with the balance offsetting eligible County salary deficits; and

Now, Therefore Be It Resolved, these funds be carried over from 2023 to 2024, and the 2024 budget be adjusted as shown in the attached fiscal notes which detail the source and application of funds to be carried forward and all appropriate accounting entries to complete these transactions are incorporated by reference; and

Be It Further Resolved, it is the policy, desire, and intent of the Kenosha County Board that each appropriation unit of this budgetary amendment for which funds have been appropriated be carried out as if adopted by separate resolution and as necessary to carry out the public intent. The funds are made available and, unless amended by law or action by the County Board through budgetary transfers, no monies appropriated for any one purpose in any one appropriation unit can be used for any other purpose in any other appropriation unit without prior approval of the Kenosha County Board. The Finance Committee is authorized to approve transfers not to exceed \$1,000; and

Be It Further Resolved, the County Board approves the creation of a Human Services Quality Analyst FTE position and the necessary budget modification incorporated as part of this resolution repurposing 2024 approved budget for Other Professional Services expenditure towards 2024 Personnel appropriation; and

Be It Further Resolved, the County Board approves the reclassification of a Real Property Lister position from NE9 to NE11 effective immediately; and

Be It Further Resolved, the County Board approves the repurposing of \$925,161 ARPA funds previously approved for the Broadband Infrastructure capital project to offset identified 2023 operating deficits in addition to the use of an additional \$1.0 million available ARPA funds to partially offset a Sheriff's Department 2023 personnel appropriation deficit per the attached budget modification incorporated as part of this resolution; and

Be It Further Resolved, the County Board approves the transfer of \$2.2 million of fiscal year 2023 available budget surplus that would otherwise lapse to the Unassigned General Fund to the Human Services Building Fund (Fund 204) for the purpose of reducing the capital financing necessary for the future purchase of the new Human Serves building currently under construction and the necessary and appropriate accounting entries to complete this transfer; and

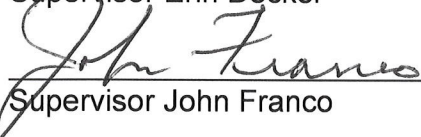

Be It Further Resolved, the County Board approves the earmarking of projected ARPA funding balance on a Communications Tower signal enhancement capital project (\$200,000), for offsetting anticipated outside legal counsel expenditures (\$50,000), towards a Sheriff's Department Boat Patrol capital expenditure (\$20,000), with the balance offsetting eligible County salary deficits; and

Be It Further Resolved, if the Administration determines that a different use of this remainder ARPA funding is warranted, it will request approval from the County Board for its repurposing; and

Be It Resolved, all expenditures appropriated are not to exceed funded monies in the budget or this amount without prior approval of the County Board.

Kenosha County Division of Land Information

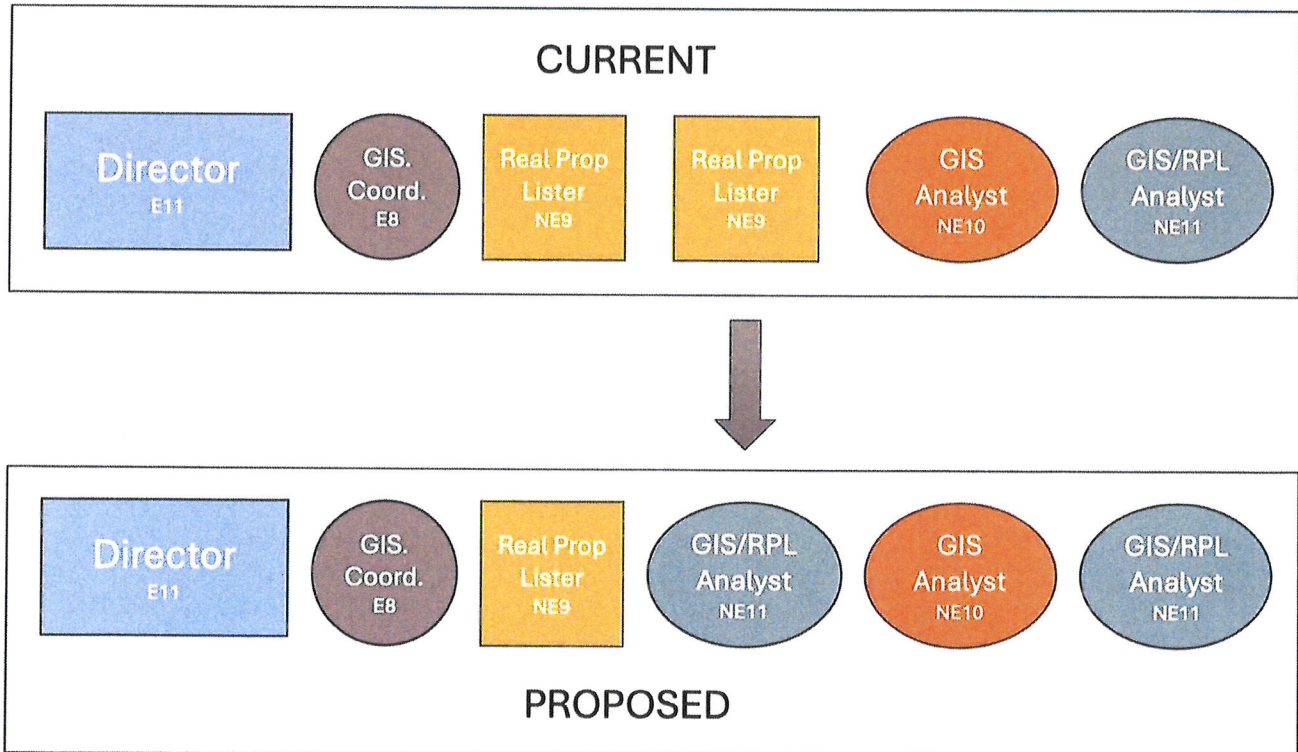

Proposed Real Property Lister Position Reclassification

With the Real Property Lister (RPL) vacancy created by a recent retirement within the Division, Land Information is requesting to fill this vacancy and do so strategically via a position reclassification. This proposed reclassification would replace the open RPL position with a GIS/RPL Analyst position that would effectively change the wage compensation scale from NE9 to NE11. The reclassification would better position the Division to respond to service requests by providing more technical staff availability, specifically on the mapping aspects of our service delivery. The duties of the current RPL would be shared by multiple GIS/RPL Analysts.

In an effort to avoid a prolonged vacancy that would compromise the mission and work of the Division, this proposal furthermore requests to do so as part of the 2023 budget close-out process. If approved, the vacancy could be filled in the coming months using the new GIS/RPL Analyst position description which will require more technical background for any potential candidates. The vacancy savings for current 2024 Land Information salaries will be approximately \$14,500 and the additional budgetary cost of the position upgrade, even when filled at the mid-point of the NE11 wage range, is approximately \$2,912. Therefore, as the savings materially exceeds the projected additional cost – no budget modification for existing 2024 Division salaries will be required. Additional advantages exist for the implementation of this proposal:

- the Division would become more GIS-centric and provide more technical staff availability
- provide the Division with additional flexibility in responding to GIS/mapping based requests from the public, Departments, Divisions, our municipalities and other government partners
- RPL positions are unique to the counties of Wisconsin and difficult to fill. This proposal would integrate RPL duties with GIS personnel and improve candidate pool selection.

ETHICS CODE FOR ALL COUNTY ELECTED OFFICIALS AND
COUNTY EMPLOYEES

19.01-1 TITLE

This code shall be known as, referred to, or cited as the Kenosha County Code of Ethics.

19.02-1 DECLARATION OF POLICY

The proper operation of democratic government requires that Elected County Officials and County Employees be independent, impartial and responsible to the people; that government decisions and policies be made in proper channels of the government structure; that public elected office not be used for improper personal gain; and that the public have confidence in the integrity of its government. Kenosha County believes that a code of ethics for the guidance of all County Employees and Elected County Officials will help them avoid conflicts which are substantial and material between their personal interests and their public responsibilities. In recognition of these objectives, there is hereby established a Code of Ethics for all County Employees and Elected County Officials. The purpose of this code is to establish rules for ethical standards of conduct to assist public officials and employees in avoiding those acts or actions which are incompatible with the best interests of county government and by directing disclosure by such officials of private interests in matters affecting the county.

Specifically exempt from the provisions of this ordinance are volunteer citizen committee and commission members and the following State employees, who are governed by separate codes of ethics: Circuit Court Judges, the District Attorney and Assistant District Attorneys. Nothing herein contained is intended to deny to any individual rights granted by the United States Constitution, the Constitution of the State of Wisconsin, the laws of the State of Wisconsin.

19.03-1 RESPONSIBILITY OF PUBLIC OFFICE

Elected County Officials and County Employees are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of the State of Wisconsin; to carry out impartially the laws of the nation, state and county; to observe in their official acts the highest standards of ethics; and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Their conduct and their official actions are to be above reproach so as to foster respect for all government.

All future Elected County Officials, County Employees and candidates for such positions shall be given notice of the fact that they will be subject to the provisions of this Code of Ethics as well as any financial disclosure requirements that they will be subject to and the need to reveal any potential or actual conflict of interests.

19.04-1 STANDARDS OF CONDUCT

- (1) Public Trust. Kenosha County hereby reaffirms that each Elected County Official and County Employee holds his or her position as a public trust and any effort to realize an improper personal gain through official conduct is a violation of that trust. Except as may be provided for herein, this section does not prevent any Kenosha County Elected Official or County Employee from accepting other employment

or following any pursuit which in no way interferes with the faithful discharge of his or her duties to this county. Kenosha County further recognizes that in a representative democracy, the representatives are drawn from society and, therefore, cannot and should not be without all personal and economic interest in the decisions and policies of government; that citizens who serve as Elected County Officials and County Employees retain their rights as citizens to interests of a personal or economic nature; that standards of ethical conduct for Elected County Officials and County Employees need to distinguish between those minor and inconsequential conflicts that are unavoidable in a free society, and those conflicts which are substantial and material; and that Elected County Officials and County Employees may need to engage in employment, professional or business activities, other than their official duties, in order to support themselves or their families and to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this section.

- (2) Use of Public Property. No Elected County Official or County Employee shall request or permit the use of county services or manpower or of county-owned vehicles, equipment, materials, facility or property for non-official purposes or personal profit unless in accordance with County policy.
- (3) Obligations to Citizens. All persons shall be treated fairly and impartially and without discrimination in accordance with the federal and state Constitution and laws.
- (4) Special Conflicts and Standards of Conduct Enumerated. Conflicts of interest prohibited under this section and expected standards of conduct by Elected County Officials and County Employees include:
 - (a) Disclosure of Confidential Information. No Elected County Official or County Employee shall, without proper legal authorization from the County Corporation Counsel or pursuant to a Court order or Court-approved subpoena, disclose legally confidential information as defined in this ordinance gathered in the course of his or her duties concerning the affairs of the county or of a citizen, nor shall he or she use such information to advance the financial or personal interest of himself or others.
 - (b) Incompatible Employment. No Elected County Official or County Employee shall engage in or accept private employment or render services for compensation for a private interest when such employment or service is consistently incompatible with the proper discharge of official duties or would impair the independence or judgment or action in the performance of official duties or would lessen the time to perform such duties. For County Employees, disclosure of all outside employment must be made to an immediate supervisor, disclosing the nature and extent of the outside employment prior to accepting such employment. Where employment is not consistently or inherently incompatible, the employee must avoid all county involvement in any matter where a conflict or appearance of a conflict or

An Elected County Official or County Employee, or a member of the Elected County Official's or County Employee's immediate family, as defined in this ordinance, may not contract with the County.

The employer of an Elected County Official or County Employee may contract with the County only if the Elected County Official or County Employee abstains from voting and attests in writing that he or she will receive no direct or indirect benefit from such contract and further attests that he or she has had no discussions with any county official or employee with respect to such contract and has made no direct or indirect attempt to influence the awarding of such contract.

This provision, however, shall not be applied in the case

of a legally recognized privilege, such as in the case of an attorney-client or doctor-patient relationship.

- (j) Material Conflict of Interest. No Elected County Official or County Employee shall engage in any material conflict of interest as defined in section 19.06-1(3) or this Code. Pursuant to this Code, a material conflict of interest on the part of an Elected County Official or County Employee is deemed to exist within the meaning of this section in regard to a matter in which he or she is involved, or is about to be involved, in the discharge of his or her official duties, whenever the Elected County Official or County Employee utilizes and exploits his or her official capacity in such a way as to obtain a personal financial benefit for himself or herself or his or her immediate family or an organization with which he or she is associated.

No County property, facility or personnel on County time may be used to repair or maintain an Elected County Official's or County Employee's personal property.
- (n) Acquiring of County Property. No Elected County Official or County Employee shall acquire any interest in county-owned property if the Elected County Official or County Employee was aware of any material information

DRAFT ETHICS CODE FOR ALL COUNTY ELECTED OFFICIALS AND
COUNTY EMPLOYEES

19.01-1 TITLE

This code shall be known as, referred to, or cited as the Kenosha County Code of Ethics.

19.02-1 DECLARATION OF POLICY

The proper operation of democratic government requires that Elected County Officials and County Employees be independent, impartial and responsible to the people; that government decisions and policies be made in proper channels of the government structure; that public elected office not be used for improper personal gain; and that the public have confidence in the integrity of its government. Kenosha County believes that a code of ethics for the guidance of all County Employees and Elected County Officials will help them avoid conflicts which are substantial and material between their personal interests and their public responsibilities. In recognition of these objectives, there is hereby established a Code of Ethics for all County Employees and Elected County Officials. The purpose of this code is to establish rules for ethical standards of conduct to assist public officials and employees in avoiding those acts or actions which are incompatible with the best interests of county government and by directing disclosure by such officials of private interests in matters affecting the county.

Specifically exempt from the provisions of this ordinance are volunteer citizen committee and commission members and the following State employees, who are governed by separate codes of ethics: Circuit Court Judges, the District Attorney and Assistant District Attorneys. Nothing herein contained is intended to deny to any individual rights granted by the United States Constitution, the Constitution of the State of Wisconsin, the laws of the State of Wisconsin.

19.03-1 RESPONSIBILITY OF PUBLIC OFFICE

Elected County Officials and County Employees are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of the State of Wisconsin; to carry out impartially the laws of the nation, state and county; to observe in their official acts the highest standards of ethics; and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Their conduct and their official actions are to be above reproach so as to foster respect for all government.

All future Elected County Officials, County Employees and candidates for such positions shall be given notice of the fact that they will be subject to the provisions of this Code of Ethics as well as any financial disclosure requirements that they will be subject to and the need to reveal any potential or actual conflict of interests.

19.04-1 STANDARDS OF CONDUCT

- (1) Public Trust. Kenosha County hereby reaffirms that each Elected County Official and County Employee holds his or her position as a public trust and any effort to realize an improper personal gain through official conduct is a violation of that trust. Except as may be provided for herein, this section does not prevent any Kenosha County Elected Official or County Employee from accepting other employment

or following any pursuit which in no way interferes with the faithful discharge of his or her duties to this county. Kenosha County further recognizes that in a representative democracy, the representatives are drawn from society and, therefore, cannot and should not be without all personal and economic interest in the decisions and policies of government; that citizens who serve as Elected County Officials and County Employees retain their rights as citizens to interests of a personal or economic nature; that standards of ethical conduct for Elected County Officials and County Employees need to distinguish between those minor and inconsequential conflicts that are unavoidable in a free society, and those conflicts which are substantial and material; and that Elected County Officials and County Employees may need to engage in employment, professional or business activities, other than their official duties, in order to support themselves or their families and to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this section.

- (2) Use of Public Property. No Elected County Official or County Employee shall request or permit the use of county services or manpower or of county-owned vehicles, equipment, materials, facility or property for non-official purposes or personal profit unless in accordance with County policy.
- (3) Obligations to Citizens. All persons shall be treated fairly and impartially and without discrimination in accordance with the federal and state Constitution and laws.
- (4) Special Conflicts and Standards of Conduct Enumerated. Conflicts of interest prohibited under this section and expected standards of conduct by Elected County Officials and County Employees include:
 - (a) Disclosure of Confidential Information. No Elected County Official or County Employee shall, without proper legal authorization from the County Corporation Counsel or pursuant to a Court order or Court-approved subpoena, disclose legally confidential information as defined in this ordinance gathered in the course of his or her duties concerning the affairs of the county or of a citizen, nor shall he or she use such information to advance the financial or personal interest of himself or others.
 - (b) Incompatible Employment. No Elected County Official or County Employee shall engage in or accept private employment or render services for compensation for a private interest when such employment or service is consistently incompatible with the proper discharge of official duties or would impair the independence or judgment or action in the performance of official duties or would lessen the time to perform such duties. For County Employees, disclosure of all outside employment must be made to an immediate supervisor, disclosing the nature and extent of the outside employment prior to accepting such employment. Where employment is not consistently or inherently incompatible, the employee must avoid all county involvement in any matter where a conflict or appearance of a conflict or

impropriety may arise.

(c) Representing Private Interests Before County Agencies or Courts. No Elected County Official or County Employee shall represent, *as a paid advocate*, any private interests adverse to Kenosha County, other than for himself or herself, his or her spouse or children, before any county agency or department; nor, except as hereinafter provided, shall any Elected County Official or County Employee who is admitted to practice law in the State of Wisconsin represent as an advocate any private interests other than for himself or herself, his or her spouse or children, in any proceeding adverse to the county in any court without prior County authorization. Elected County Officials and County Employees who are licensed to practice law in the State of Wisconsin expressly may act as a criminal or ordinance defense counsel, Juvenile Court counsel, or as a Guardian ad Litem, only in conformity with State law and the Rules and Regulations of the State Bar of Wisconsin.

(d) Gifts, Favors, Raffles and Door Prizes. No person or organization may offer or give to an Elected County Official or County Employee, directly or indirectly, and no Elected County Official or County Employee may solicit or accept from any person or organization, directly or indirectly, anything of value as herein defined if it could reasonably be expected to influence such Elected County Official's or County Employee's official actions or judgment, or could reasonably be considered as a reward for any official action or inaction on the part of such Elected County Official or County Employee. Non-monetary gratuities, such as but not limited to food or flowers given by members of the public at holidays or on special occasions may not exceed \$200 in total value annually and may be accepted only when made available to an entire department and not an individual official or employee. This provision does not apply to monetary donations to Kenosha County which are accepted by the County Board or donations to Brookside Care Center or its "Sunshine Fund" which are accepted by either the County Board or the Brookside Trustees.

Elected County Officials and County Employees attending an event at the expense of the County must reimburse the County the value of any raffle or door prize obtained at that particular event unless its value is de minimis as defined by Section 132(e)(1) of the Internal Revenue Code or unless it is donated to or used solely for County purposes.

(e) Insider Advantage. No Elected County Official or County Employee may intentionally or recklessly use or disclose information gained in the course of or by reason of his or her official position or activities in any way that could result in the receipt of anything of value for himself or herself, for his or her immediate family, or for any other person or organization, if the information has not been communicated to the public or is not public information.

(f) Contracting. (Personal Gain). Except as otherwise provided by Wis. Stat. §
