DESCRIPTION OF ACCIDENT OR LOSS

I was driving on 142 headed west. I noticed the Mower on the corner. I was in the righthand lane closest to the road. Suddenly I heard a loud Crack Almost made me rear off the road. I had seen something fly out from the Mower. I couldn't move & didn't have time to react. I pulled over immediately - Talked to the man. He said his name was Ryan, he called it in and took picture of the wind shield that was damaged on my car.
