Law Enforcement Drug Trafficking Response (2019)

The Wisconsin Department of Justice (DOJ) through its Justice Programs Section provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

Program Description

Through this grant announcement, DOJ is seeking applications from Wisconsin law enforcement and tribal law enforcement agencies for state funds to support the investigation and response to drug trafficking within the state. A Wisconsin law enforcement agency or tribal law enforcement agency receiving a grant under this section may use the grant to fund extra training for law enforcement officers, or any other purpose, such as necessary equipment or supplies, that is directly related to drug trafficking response and that is not an existing program within the agency at the time the grant is received.

Award Information

Law Enforcement Drug Trafficking Response funding will be provided on a calendar year basis. A total of \$1,000,000 in State funds is available for the period January 1, 2019 through December 31, 2019. A Wisconsin law enforcement agency or tribal law enforcement agency may apply to the department of justice for a grant under this section and shall include a proposed plan of expenditure of the grant money. The proposed plan of expenditure shall specify a new program or purpose for which the funds will be used. If the proposed plan of expenditure will result in the agency incurring an ongoing expense that will continue after all grant funds have been spent, the plan shall include a description of how that expense will be met when there are no remaining grant funds.

Upon application approval, the applicant agency's project director will receive paper grant award documents by mail in approximately 30 days. Once grant award documents are signed and returned to DOJ, the project may begin on the date listed. DOJ grant funds are funded on a reimbursement basis, meaning that during the grant period, funded projects will track expenditures and request reimbursement from DOJ through quarterly financial reports.

Submit Applications Using Egrants

Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, you will need to register for access to the system. To register online, go to <http://register.wisconsin.gov/AccountManagement/> and complete the 'self registration' process. On the account registration site, you will have a choice between the DOJ Egrants and WEM Egrants. Please take care to select **DOJ Egrants** during this process.

Authorization to access Egrants can take several days depending on registration activity. The DOJ help desk is open Monday-Friday 8am-4:30pm if you need assistance. (Please note: If you register outside of these hours, access may not be approved until the next business day.) Once your Egrants access has been approved, you may begin your online grant application.
