The "Garden of Eatin-Kenosha" was established in 2013. At the "Garden of Eatin-Kenosha", all of the harvested fruits and vegetables are donated to local shelters and soup kitchens. With the help of residents, students, and businesses, we have harvested and donated over 6,000 lbs. of fruits and vegetables. After five seasons of experience, we are looking to move into a small building as an office that also has space for storing our equipment.

We are requesting from Kenosha County, the donation of Parcel # 09-222-36-228-001 also known as 4605 38th Ave of Kenosha. This property is currently an over the counter purchase for \$29,000. This parcel is a small one-bedroom house, which also has two sheds in the backyard. Having a building such as this will aid us in a more organized approach versus operations out of the small house of our Executive Director. We will have a central location for our fundraising and the plethora of garden tool, equipment, and other needs.

We have provided opportunities for students and groups to gain service hours and we provide an additional opportunity to those that need to fulfill community service hours. Thank you for your time and consideration in this request and look forward to hearing from you.
