RE: Report for recognizing 2017 anticipated surplus from Federal Inmate Housing

Revenue per 2017 Budget Policy Resolution #1, page 7, passed November 10, 2016

In past years, Kenosha County Sheriff's Department has been able to recognize revenue surpluses which resulted from housing federal inmates. By recognizing this surplus we are able to use the funds to cover labor costs and other expenditures that were associated with housing federal inmates.

The Sheriff is reporting an anticipated surplus of \$576,617 from Federal Inmate Housing Revenue. This surplus will be used to adjust expenditure budgets to provide enough funding through year-end and will support overages currently in Overtime, Temporary Salaries, FICA, Retirement, Pharmaceuticals, License/Permits, and Guard Dog expenses, all of which were incurred at both detention facilities and in our Patrol, Services, and KDOG units during 2017. Please review the attached budget modification form which has been submitted to Finance Administration.

The actual average daily holds of federal inmates for year-end 2017 will be approximately 221 per day. The 2017 adopted budget was figured at 199 per day. A report of the federal inmate housing revenue earned in 2017 is attached.

A copy of the 2017 Budget Policy Resolution #1, page 7, passed November 10, 2016 has also been included for your reference. It authorizes the Sheriff to use surplus federal inmate housing revenue to increase various expenditure budgets associated with the increase in inmate population. It also states that the Sheriff must report the details of the revenue/expenditure increases to both Judiciary and Law Enforcement and Finance and Administration committees. This memo fulfills the reporting requirement.
