Our File No: 25201803-50-0015

We wish to advise you that on or about February 11, 2018, at 7115 38<sup>th</sup> St in Kenosha, Wisconsin, damage occurred to an AT&T pole and aerial cable. Our investigation indicates the county plow truck backed into our pole causing the damage.

As soon as our repair costs have been determined, our claim will be forwarded to you or your insurance company, whichever you prefer.

If you would like me to forward a copy of this claim to your insurance company, please contact me and provide your insurance carrier's name and address. I can be reached at 815-654-5121.

Thank you for your cooperation.

Sincerely,

Michael Steward
