John Jansen also pointed out that the 2016 Annual Human Services Report is the report they received tonight.

Supervisor Hallmon requested that they report how many people in the county are on Medicaid and if that could be broken down by municipalities.

John Jansen indicated that they will get those numbers and the break down by municipalities will be a little bit harder to obtain.

Supervisor Poole asked John Jansen if the recently received Lead Grant could be used for lead pipes leading from the street to the house.

John Jansen felt strongly that it does not cover those pipes and it is all in the home and paint issues, but will check into it and email if he is incorrect.
