***MEDIA RELEASE***

**DATE:** June 22, 2020  
**EVENT:** Kenosha County Emergency Management COVID-19 Virus  
**LOCATION:** County of Kenosha

The Wisconsin National Guard will return to Kenosha County to conduct two days of drive-thru COVID-19 testing for the public this Tuesday and Wednesday, June 23 and 24.

This round of testing will occur outside the Kenosha Municipal Building, 625 52<sup>nd</sup> St.

Testing will be available from 10 a.m. to 6 p.m. both days. No appointment will be needed.

Anyone ages 5 and up can be tested, regardless of whether they are showing symptoms.

"We are very pleased to have the National Guard back in our county for more testing," said Kenosha County Health Officer Dr. Jen Freiheit. "The more people we can test, the better data we will have to help us determine how the virus is affecting our community at this time."

Freiheit said local businesses are welcome to send their employees through the site, and entire families can come and get tested at the same time.

Those who are tested at the site should expect results returned within seven days.

Other testing opportunities remain available in and around Kenosha County, although most or all sites require a medical referral and/or the presence of at least one COVID-19 symptom. A frequently updated list of sites is available at <https://www.kenoshacounty.org/2058/COVID-19-Testing-Locations>.

**Together, we can and will slow the spread of the Covid-19 virus.**
