

## JOINT INFORMATION RELEASE Joint Information Center (JIC)

# ***MEDIA RELEASE***

**DATE:** Jan. 2, 2021  
**EVENT:** Kenosha County Emergency Management COVID-19 Virus  
**LOCATION:** County of Kenosha

Two changes to the COVID-19 testing landscape in Kenosha County took effect recently.

The Kenosha Community Health Center moved its drive-thru testing facility from Gateway Technical College to the former Chase Bank drive-thru at 5506 Seventh Ave. in downtown Kenosha. This site will be open 8 a.m. to 4 p.m. Mondays, Wednesdays and Fridays, with testing conducted by appointment only.

Meanwhile, the Kenosha Fire Department's testing operations held Wednesdays and Fridays at the former Fire Station No. 3 in Uptown Kenosha have now ceased. Local, independent pharmacy Modern Apothecary is continuing to offer testing at the station on Tuesdays, Thursdays and Saturdays, with appointments strongly recommended.

Mary Ouimet, Kenosha Community Health Center CEO, said her organization is pleased to move its testing center to a new location that will offer shelter to the staff who operate it.

Registration and scheduling for testing at the KCHC site may be accessed at <https://www.kenoshachc.org/covid-19-resource-center/>.

For testing at the Modern Apothecary site at old Fire Station No. 3, advance registration is available and encouraged at <https://register.covidconnect.wi.gov>, and appointments may be made at <https://modernapothecary10to8.com>. The station is located at 2121 Roosevelt Road.

Testing hours there are 2 to 6 p.m. Tuesdays and Thursdays, and 9 a.m. to 1 p.m. Saturdays.

These testing opportunities are available to all who live or work in Wisconsin, ages 5 and up. No symptoms of COVID-19 are required. Individuals who are tested should expect results within seven days, accessible via the Wisconsin COVID-19 Result Hotline at 866-419-6988.

Those who are tested should remain quarantined at home until test results are returned if they have been in close contact with a COVID-19-positive individual.

A frequently updated list of testing sites in and around Kenosha County is available at <https://www.kenoshacounty.org/2058/COVID-19-Testing-Locations>.

**Together, we can and will slow the spread of the Covid-19 virus.**
