

# Fentanyl is Everywhere

IN CASE OF EMERGENCY OR SUSPECTED OVERDOSE – CALL 911

## ***Deadly Opioid is being found in counterfeit pills and illegal drugs.***

- ♦ Local law enforcement has seized and tested fake prescriptions and counterfeit pills of all types; some have tested positive for fentanyl.
- ♦ Illegal drugs such as cocaine and marijuana have also tested positive for fentanyl.

## ***What Does An OVERDOSE LOOK LIKE?***

# B

**BREATHING** – the person is not breathing or is breathing very slowly.

# L

**LIPS** – Lips and fingertips turn blue.

# U

**UNRESPONSIVE** – No response when you yell the person's name or rub middle of chest hard.

# E

**EYES** – Center part of eyes (pupils) are very small, also known as pinpoint pupils.
