

HIGHWAY IMPROVEMENT PROJECT

CONSTRUCTION NOTICE

Highway H Improvements:
Highway 165 to 93rd Place and
Bain Station Road to Prairie Ridge Boulevard

PROJECT INFORMATION

WHEN and WHAT

Estimated Project
Construction Duration:
May 2024 through
July 2024

- A Public Information Meeting is scheduled for **Wednesday, May 1, 2024, from 5 p.m. to 6 p.m.** at the Pleasant Prairie Village Hall, 9915 39th Ave., Pleasant Prairie, WI 53158
- A brief presentation will take place at approximately 5:15 p.m.

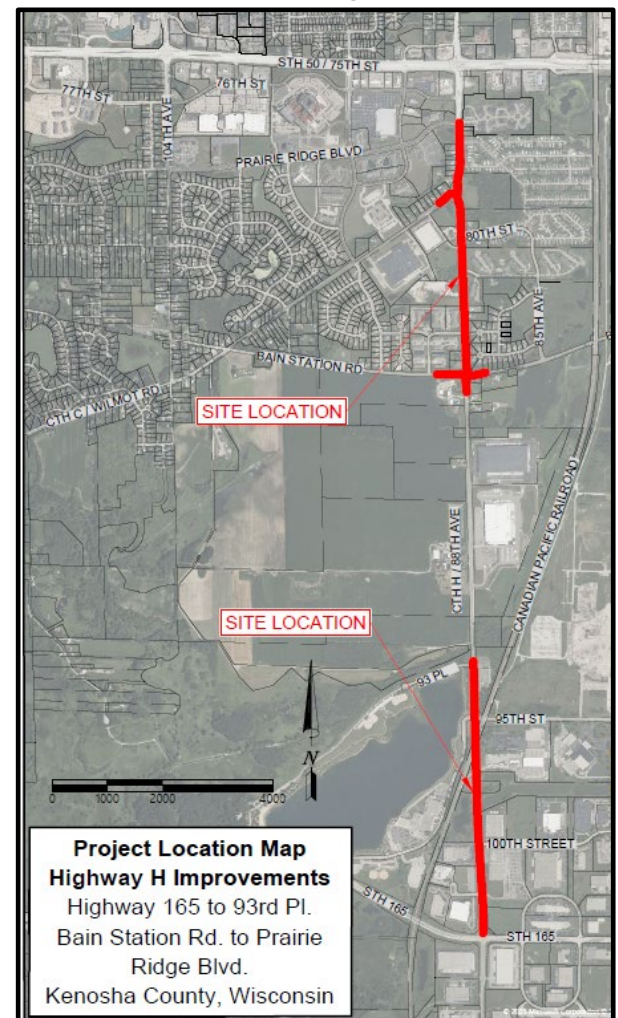

PROJECT DETAILS:

- Pulverizing and new full-depth asphalt pavement for majority of southern segment from Highway 165 to 93rd Place
- Mill and overlay of existing asphalt pavement for northern segment from Bain Station Road to Prairie Ridge Boulevard

Kenosha County will be resurfacing approximately 1.8 miles of Highway H in the Village of Pleasant Prairie in spring/summer of 2024.

Highway H will be open to through traffic during the majority of the project, utilizing flagging operations as needed during milling and paving work. Short-term closures will be required at Bain Station Road and Wilmot Road for work on the roundabouts. The public will be notified in advance of closing any sections of road.

Curb and gutter will be replaced in spot locations as needed, and new pavement marking and signage will be installed.

If you have any questions about the project during construction, you may contact Project Manager Doug Coeur by phone at (262) 653-1859, or by email at Douglas.Coeur@kenoshacountywi.gov

The project team thanks you for your patience and cooperation throughout this project!
