

What to Expect

When you call or stop by...

- 1) You will be greeted by a receptionist who will connect you to the appropriate staff.
- 2) The staff member will help identify the next steps based on your specific needs.

In most cases you will be able to talk with someone immediately, or receive a returned call within two business days.

Staff may arrange to meet with you in your home, our office or other location. Together you and the Benefit Specialist will make a plan for follow up contact or additional visits depending on your situation and preference.

Our Policy

All information you share with ADRC staff is private and confidential. All programs and services are voluntary.
