**WHEREAS**, Section 67.045 (1), Wis. Stats., sets forth the requirements necessary for a County to issue bonds or promissory notes, and;

**WHEREAS**, one of those requirements is a resolution adopted by a vote of at least three-fourths of the members elect of the County Board; and

**WHEREAS**, requiring anything more than a simple majority to take any given action is anti-democratic and contrary to the principle that a majority should be empowered to act on behalf of its constituents, and;

**WHEREAS**, requiring a simple majority would also increase efficiencies; and

**WHEREAS**, no other municipality has such a super majority requirement, rendering the process fundamentally unfair to Counties.

**NOW, THEREFORE, BE IT RESOLVED**, that the Kenosha County Board of Supervisors hereby requests that the Wisconsin State Legislature amend Section 67.045 (1) (f), Wis. Stats., to require only a simple majority of the members-elect of a County Board to authorize the issuance of bonds or promissory notes by a County, and;

**BE IT FURTHER RESOLVED**, that a copy of this resolution shall be sent to Governor Evers, to Kenosha County's legislative delegation, all other Wisconsin counties, and to the Wisconsin Counties Association.

WHEREAS, on February 25, 2022, the Wisconsin Department of Children and Families issued Child Support Bulletin 22-03 regarding Child Support Orders for Children in Out-of-Home Care; and

WHEREAS, this bulletin stated child support obligations that are ordered in a case under Wisconsin Chapter 48 or Wisconsin Chapter 938 are not enforceable by a county child support agency (CSA); and

WHEREAS, this bulletin furthermore stated Wis. Stat. s. 59.53(6)(b) instructs the attorneys who are responsible for support enforcement to “institute, commence, appear in, or perform other prescribed duties in actions or proceedings under sub. (5) and ss. 49.22(7), 767.205(2), 767.501, and 767.80 and ch. 769.” There is no instruction to institute, commence, appear in, or perform other duties in actions under ch. 48 or ch. 938; and

WHEREAS, per the July 29, 2022, Office of Child Support Enforcement (OCSE) Dear Colleague Letter, the Administration for Children and Families encourages child welfare agencies to implement across-the-board policies that require an assignment of the rights to child support for children who receive title IV-E foster care maintenance payments (FCMPs) only in very rare circumstances; and

NOW THEREFORE, BE IT RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin allow counties greater flexibility in methods of collecting reimbursement from parents for substitute care costs for children in out of home care; and

BE IT FURTHER RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin allow referrals from child welfare offices to child support agencies in most circumstances to establish a child support order for children in out-of-home care; and

BE IT FURTHER RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin allow referrals be delayed for the initial six months to promote reunification but be reevaluated for referral after the initial six-month period as often, reunification occurs in the first six months and the delay would defray unnecessary administration costs and promote reunification during the that timeframe; and

BE IT FURTHER RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin allow immediate referrals from child welfare offices to child support agencies to establish paternity for children in out of home care; and

BE IT FURTHER RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin allow for child support cases that already have an established order to collect child support be immediately redirected to the County for children in out of home care; and

BE IT FURTHER RESOLVED, that the Kenosha County Board of Supervisors respectfully requests the State of Wisconsin establish a state workgroup comprised of stakeholders in child welfare, child support, and county and human services representatives to review the child welfare referral process to child support agencies; and

BE IT FURTHER RESOLVED, that a copy of this resolution shall be forwarded to Kenosha County's legislative delegation, Governor Evers, the Secretary of the Wisconsin Department of Children and Families, all other Wisconsin counties, and the Wisconsin Counties Association.

Resolution No. \_\_\_\_\_

Subject: <b>A Resolution in Support of Increased County Child Support Funding</b>			
Original [ x ]	Corrected [ ]	2nd Correction [ ]	Resubmitted [ ]

WHEREAS, Kenosha County administers the Child Support Enforcement Program on behalf of the State of Wisconsin, providing a holistic set of services to Kenosha County children and their parents, including paternity establishment, assistance with finding employment, obtaining child support, and establishing, enforcing, and modifying health insurance orders for children; and

WHEREAS, child support is one of the most effective anti-poverty programs in Wisconsin, with county child support agencies serving approximately 347,000 children and collecting roughly \$906 million in financial support for Wisconsin families in 2021; and

WHEREAS, child support is proven to reduce childhood poverty rates, lead to better educational and behavioral outcomes for children, and have a positive effect on health, food security, and housing stability; and

WHEREAS, county child support agencies work closely with both parents to ensure that they have the help they need to be successful, including assistance with finding employment, referrals to other social service programs, and right-sizing orders for individuals impacted by substance abuse, or other challenges; and

WHEREAS, state funding for county child support services has failed to keep up with county agency costs, which have steadily increased due to a high number of caseloads per worker, increased complexity of cases, inflation, and new regulations; and

WHEREAS, an abrupt federal interpretation change in June 2019 eliminated \$4.2 million in federal birth cost recovery matching funds for Wisconsin; and

WHEREAS, Wisconsin's strong performance in child support is at risk without additional funding, and Wisconsin has already dropped from second in the nation for the collection of current support in 2016 to sixth in the nation in 2021; and

WHEREAS, without additional state funds, county child support agencies may need to eliminate positions, further increase caseloads, or reduce services, further impacting federal performance measures, which would result in the loss of additional federal funds; and

WHEREAS, the individuals most impacted by insufficient funding for child support are the children and families served by county child support agencies, who may need to seek out public assistance programming absent the financial security provided by the child support program; and

WHEREAS, state investments in child support are amplified by a generous federal match; every \$1 of Wisconsin GPR invested in the Child Support Program generates roughly \$2 in federal matching funds; and

WHEREAS, Wisconsin's Child Support Enforcement Program is incredibly cost-effective, collecting an average of \$6.43 in support for every dollar invested in the program; and

NOW THEREFORE, BE IT RESOLVED, that the Kenosha County Board of Supervisors respectfully requests that state funding for county child support agencies be increased by \$5 million GPR in each fiscal year of the 2023-25 Wisconsin state budget, which will generate approximately \$9.7 million in additional federal funding each year, ensuring Wisconsin counties can continue to effectively provide economic support to our children; and

BE IT FURTHER RESOLVED, that a copy of this resolution shall be forwarded to Kenosha County's legislative delegation, Governor Evers, the Secretary of the Wisconsin Department of Administration, all other Wisconsin counties, and the Wisconsin Counties Association.
