As you know, I am the Executive Director of The Sharing Center. The Sharing Center, like many non-profit organizations that meet critical social service needs for county residents, has the ability to apply for grants awarded by Kenosha County. These grants are in the Human Services budget.

In the interest of avoiding even a perception of a conflict of interest, and in an overabundance of caution after consulting with the Corporation Counsel, I am advising that I will not engage in any debate directly related to those grant funds and that when I cast any vote in the Human Services committee, it *includes an abstention on those portions involving grants which could potentially go to organizations* such as The Sharing Center, and I ask that the record so reflect.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Pomaville". The ink is dark and the signature is fluid, with the first name "Sharon" being larger and more prominent than the last name "Pomaville".
