Kenosha	County Director of	of Emergency Management	

<u>Personal Statement:</u> Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I would be a valuable addition in the position of the Director of Emergency Management as I have been a law enforcement officer for over twenty years serving in various roles. I have worked as a patrol officer, a front-line supervisor, the assistant deputy director, and for the past few years as the deputy director of Kenosha County Sheriff's Emergency Management. During this time, I have been able to supplement these roles with education and training in professional development, emergency management, and law enforcement.

I have displayed an ability to work on accomplishing goals and tasks in cooperation with others from the public, private sector partners, and other agencies that participate in emergency operations within Kenosha County. There have been many events that have taken place in Kenosha County in which I have participated. These include severe storms, tornadoes, large-scale power outages, special dignity events, civil unrest, protests, large-scale training exercises, and numerous high-profile crime scenes. I also have had experience in communicating effectively with members of the media and the public as the Public Information Officer at the Kenosha County Sheriff's Department.

My education, training, and experiences allow me to continue to manage the Kenosha County Sheriff's Division of Emergency Management in a way that will promote the participation of all in the coordination and implementation of emergency operations within Kenosha County.

WHEREAS, the Wisconsin State Legislature, signed by Governor Scott Walker, enacted 2011 Wisconsin Act 35 on July 8, 2011, a statute that allows most adults to lawfully carry a concealed firearm in Wisconsin after November 1, 2011, if they obtain a "concealed carry" license, and;

WHEREAS, the right to bear arms is defined and protected by the Constitution of the United States and the 2nd Amendment of the Bill of Rights, and;

WHEREAS, on October 18, 2011, the Kenosha County Board of Supervisors passed 2011 Resolution 63, with a vote of 24 ayes and 1 nay, the one dissenting vote cast by Supervisor Erin Decker, and;

WHEREAS, 2011 Resolution 63 enacted a policy that no firearms may be possessed by any person in a building owned, leased or controlled by Kenosha County, except by a duly sworn government law enforcement officer and a person authorized by state statute 175.60(16)(b)2, and;

WHEREAS, 2011 Wisconsin Act 35 grants employers that do not prohibit one or more employees from lawfully carrying a concealed weapon immunity from any liability arising from its decision, and;

WHEREAS, 2011 Resolution 63 banned the possession of lawfully carried weapons on county property, thereby causing Kenosha County to lose immunity from liability risking taxpayer money if sued; and

WHEREAS, the City of Kenosha did not ban the lawful carrying of a firearm on City property, on advice of their insurance company, and;

WHEREAS, the City of Kenosha did not ban the lawful carrying of a firearm on City property, causing confusion to those lawfully carrying a concealed weapon due to the City and County buildings being in close proximity, and;

WHEREAS, banning the possession of a lawfully carried weapon forces a law-abiding individual to remove their weapon and store it off of their person in order to enter a county building, and;

WHEREAS, 2011 Wisconsin Act 35 specifically allows employees to store a weapon in their car regardless of whether or not the car is on county property, and;

WHEREAS, the City of Kenosha has repeatedly asked residents not to store firearms in vehicles due to car thefts and break-ins, and;

WHEREAS, with the exception of the Kenosha County courthouse, the county has no method of enforcement in place to ensure that all persons on county property are in compliance with the firearm ban,

NOW THEREFORE, BE IT RESOLVED that the possession of some concealed or openly displayed weapons in KC Buildings may be a danger to the public and should be regulated, and;

BE IT FURTHER RESOLVED, it is the policy of Kenosha County that illegal explosives, illegal weapons, objects which are capable of inflicting bodily injury or death, or damage to property, may not be possessed by any person in any building owned, leased or controlled by Kenosha County except by duly sworn government law enforcement officers in the course of their duties, and;

BE IT FURTHER RESOLVED, that the display of or brandishing of any weapon on Kenosha County building properties for the purposes of threat, intimidation or to cause harm shall be fully addressed by the fullest extent of the law, and;

BE IT FURTHER RESOLVED, it shall be the policy of the County of Kenosha that firearms and electronic weapons legally possessed and carried per Wisconsin state statutes are allowed in any building or on any grounds owned, leased or controlled by Kenosha County, excluding the Kenosha County courthouse, public safety building, jail, detention center, pre-trial building, and Molinaro building, and;

BE IT FURTHER RESOLVED, that Kenosha County administration and human resources will update its employee policies, procedures, and safety guidelines, to be consistent with this resolution and the laws and statutes of the State of Wisconsin, and;

BE IT FURTHER RESOLVED, the Kenosha County Executive shall cause the removal of signs previously posted under 2011 ordinance #63, and further, to place in effect procedures to enforce this revised policy within 6 months of adoption of this policy.

WHEREAS, it has been established that the Center for Tech and Civic Life's (CTCL) transfer of about \$8,800,000 of Zuckerberg money to the WI-5 Cities of Milwaukee. Madison, Racine, Kenosha, and Green Bay for election purposes have cast doubt on the propriety of the 2020 Presidential election in those cities; and

WHEREAS, nearly one-half of the \$8.8 million distributed to the WI-5 cities was used by those cities in a get-out-the-vote campaign (GOTV) and election administration. It is not legal for elected officials (tax paid employees) to conduct GOTV campaigns: and

WHEREAS, the government of Kenosha County in the 2020 election cycle did not apply for, receive, nor spend any non-governmental funds as it relates to the political elections administered by County of Kenosha; and

WHEREAS, the WI-5 Cities were required to sign an agreement with CTCL called the "Wisconsin Safe Voting Plan" (WSVP) which required those cities to adhere to the rules for the election as set by C1CL and Zuckerberg operatives, further there were claw-black provisions in the WSVP for TCL in the event the cities did not comply with the WSVP: and

Resolution No. ____

Subject: A RESOLUTION TO LEASE KENOSHA COUNTY PROPERTY					
LOCATED AT 1301 85th STREET TO SQUARE DEAL TREES LLC					
FOR TWO MONTHS FOR THE SUM OF \$250					
Original X Corrected 2nd Correction Resubmitted					
Date Submitted: 5/10/2022 Date resubmitted:					
Submitted by: The Finance/Administration Commi	ttee and the Public Works/Fa	cilities Committee			
Fiscal Note Attached:	Legal Note Attached: _				
Prepared By: John F. Moyer					

Whereas, Kenosha County recently acquired the property located at 1301 Sheridan Road, Kenosha, WI 53143, and

Whereas, this lot had been used in November and December as a Christmas tree lot for 30 years and Kenosha County was approached by the LLC which has been selling trees there by arrangement with the predecessor owner in order to continue for two more years to sell trees at the lot, and

Whereas, the property is currently vacant and its historic use and community familiarity support use by Square Deal Trees LLC and in the near-term it would be in the County's best interest to enter a short lease with a viable tenant, to assist in covering the on-going maintenance of the property, and

Whereas, the County was asked by Square Deal Trees LLC. to enter into a one-year lease (subject to one equivalent renewal term for 2023) for the vacant grass lot property, for the sum of \$250, to operate a small, private, tree lot for holiday sales between November 1 and December 26, and

Whereas, the proposed use would be consistent with the property's current zoning, offer some short-term financial assistance for the property's maintenance and provide a venue for the continuation of a long-time holiday tree sales opportunity in the community.

NOW THEREFORE BE IT RESOLVED, The County Board of Supervisors approves the lease of the Kenosha County property located at 1301 Sheridan Road., Kenosha, WI, for \$250 per two month term, and along the terms of the attached lease; and the County Clerk and County Executive are authorized to sign all necessary documents.

- B. Landlord may, with a written 20 day notice to Tenant, require a deposit by Tenant to the Landlord of a sum sufficient to pay any real estate tax imposed upon such property. Failure to make such a deposit within 30 days of such notice would constitute a material breach of this agreement.

Hours of Operation

For reasons of security Tenant shall provide Landlord with the special hours of operation for premises. For normal operations, the hours will be from 8:30 a.m. to 6 p.m., Monday through Sunday.

Prohibited Uses

Notwithstanding the forgoing, Tenant shall not use the Leased Premises for the purposes of storing, manufacturing, selling, using, or giving a teaching lesson using, any explosives, flammables or other inherently dangerous weapon, substance, chemical, item, thing or device. Tenant shall not conduct or permit any illegal activities upon the premises. Tenant shall not obstruct ingress or egress to the Job Center, and shall not allow accumulation of debris. At the end of the lease term, lot shall be left in an orderly and clean condition

Sublease and Assignment

Tenant shall not have the right without Landlord's consent, to assign this Lease. Alterations and Improvements

Tenant shall not make, nor permit to be made, alterations or improvement to the Premises, unless Tenant obtains the written consent of Landlord. Tenant shall not damage, disturb, remove or alter any trees, bushes, plants, grass, flowers or other vegetation on premises. If Landlord permits Tenant to make any alterations or improvements, Tenant shall make the same with requirements the Landlord considers necessary or desirable. Tenant shall promptly repair any damage to the Premises caused by any such alterations or improvements. Any alterations or improvements to the Premises, except movable office furniture or equipment and trade fixtures, shall become a part of the realty and the property of the Landlord and shall not be removed by the tenant.

Insurance/Indemnity

If the Leased Premises is damaged by fire or other casualty resulting from any act of negligence by Tenant or by any of Tenant's agents, employees or invitees, rent shall not be diminished or abated while such damages are under repair, and Tenant shall be responsible for the costs of repair not covered by insurance.

Tenant shall be responsible, at its expense, for fire and extended coverage insurance on all of its personal property, including removable trade fixtures, located in the Leased Premises.

Tenant and Landlord shall, each at its own expense, maintain a policy or policies of comprehensive general liability insurance with respect to the particular activities of each with the premiums thereon fully paid on or before due date. Such insurance policy shall be issued by a Company authorized to do business in Wisconsin and shall afford minimum protection of not less than \$1,000,000 combined single limit coverage of bodily injury, property damage or combination thereof. Upon request, each party shall provide proof of insurance to the other. Neither party shall cancel or amend the terms of such insurance, without providing the other party 30 days advance written notice.

Signs

Signs shall mean all manner of signs, posters, banners, and display materials of all kinds and description. Tenant shall have the right to place on the Leased Premises, at locations approved by Landlord, signs advertising its purpose which are approved in content by Landlord and permitted by applicable municipal or zoning ordinances, and any private restrictions. No other signs are permitted under this lease. Tenant shall repair all damage to the Leased Premises resulting from the installation or removal of signs installed by Tenant.

Additionally, Tenant shall not post, hang, erect, display or permit any political or campaign sign or message, nor any sign which advertises any private company or commercial product (except its own tree sale business).

Entry

Landlord shall have the right to enter upon the Leased Premises at reasonable hours and given a 2 working days notice to inspect the same, provided Landlord shall not thereby unreasonably interfere with Tenant's business on the Leased Premises.

Notice of Vacate and Joint Inspection before Termination Date.

Tenant shall give written notice to Landlord at least thirty-days (30) prior to vacating the Premises at the end of the Lease Term or should funding cease and shall arrange to meet with landlord for a joint inspection of the Premises prior to vacating. In the event of tenant's failure to give such notice or arrange such Joint inspection, Landlord's inspection at or after Tenant's vacating the Premises shall be conclusively deemed correct for purpose of determining Tenants responsibility for repairs and restoration.

Building Rules

Landlord shall have the right to create and amend reasonable rules and regulations necessary or desirable to insure the safety, care and cleanliness of the Premises and the preservation of order and safekeeping of the property. Any amendments to rules and regulations shall be set forth in writing, and shall be discussed with Tenant before being placed into effect.

Damage and Destruction

If the Leased Premises or any part thereof or any appurtenance thereto is so damaged by fire, casualty or structural defects, such damage or defects not being the result of any act of negligence by Tenant or by any of Tenant's agents, employees or invitees, that the same cannot be used for Tenant's purposes, then Tenant shall have the right within ninety (90) days following damage to elect by notice to Landlord to terminate this Lease as of the date of such damage. In the event of minor damage to any part of the Leased Premises, and if such damage does not render the Leased Premises unusable for Tenant's purposes, Landlord shall promptly repair such damage at the cost of the Landlord. In making the repairs called for in this paragraph, Landlord shall not be liable for any delays resulting from strikes, governmental restrictions, inability to obtain necessary materials or labor or other matters which are beyond the reasonable control of Landlord. Tenant shall be relieved from paying rent and other charges during any portion of the Lease term that the Leased Premises are inoperable or unfit for occupancy, or use, in whole or in part, for Tenant's purposes. Rentals and other charges paid in advance for any such periods shall be credited on the next ensuing payments, if any, but if no further payments are to be made, any such advance payments shall be refunded to Tenant. The provisions of this paragraph extend not only to the matters aforesaid, but also to any occurrence which is beyond Tenant's reasonable control and which renders the Leased Premises, or any appurtenance thereto, inoperable or unfit for occupancy or use, in whole or in part, for Tenant's purposes.

<u>Maintenance</u> Routine maintenance of grounds, including grass cutting, will be performed by Landlord. However, snow and ice removal will be the responsibility of the Tenant. Commercial garbage service will be the responsibility of the Tenant.

Re: Formal demand for mediation and Notice of Claim

Dear Executive Kerkman, Sheriff Beth, Corporation Counsel Cardamon and Clerk Waligora:

My office, along with Kimberley Motley of Motley Legal Services, has been retained to represent Justin Blake and his recent interaction on April 25, 2021 with the Kenosha Sheriff's Department. Please send all future correspondence to my attention.

As noted, Mr. Blake, who is the uncle of Jacob Blake, along with two other men, held a silent protest outside of the Public Safety Building in Kenosha, protesting Jacob Blake's shooting. Mr. Blake was arrested around 10:00 p.m., purportedly for disorderly conduct, and subsequently for obstruction of a police officer.

Despite the fact that members of the Kenosha Sheriff's Department knew who Justin Blake was, and that he was the uncle of Jacob Blake, Justin Blake was placed in an emergency restraint chair in excess of <u>six hours</u> for failing to provide his name (which likely serves as the basis for the obstruction charge). However, emails and other documents obtained through open record requests reveal that members of the Department, as well as the District Attorney's Office, were fully cognizant as to Mr. Blake's identity. At no point did Mr. Blake resist his arrest, attempt to escape or cause injury to himself or others. Thus, there was no basis for him to be placed in the restraint chair, other than as a means of punishment for exercising his First Amendment Right to Protest, and his Fifth Amendment Right to remain silent.

As a result of the illegal arrest and subsequent restraint, Mr. Blake has suffered injury, of which we will seek compensation of at least \$1 million dollars.

Hon, Samantha Kerkman David G. Beth, Sheriff Joseph Cardamone III, Esq. Regi Waligora, Clerk

Page 2

This letter will serve both as a formal demand to Kenosha to mediate this blatant disregard of Mr. Blake's civil rights, as well as a Notice of Claim. If a positive response to mediate this matter, likely with a retired federal judge, is not received on or before July 1, 2022, Mr. Blake has authorized us to file a federal civil rights lawsuit against Kenosha County and its agents

We await your prompt response to this demand to mediate.

Very truly yours,

Description of Accident or Loss:

I was travelling southbound in the left lane of I-94. Shortly before exit 342 for Highway 158, I hit a pothole in the middle of the lane and heard two loud pops. I was able to change lanes and pull over to the right shoulder of the highway. Upon inspection of my vehicle, I found that both front and rear tires and (at the time I thought just the front) wheel rim on the passenger side were shattered. The Kenosha County Sheriff's Office responded, and officer Kless (unit #299) informed me that there had been several other incidents with this same pothole and damage to other vehicles. Jensen Towing transported my vehicle to Kenosha tire. I opted to replace all four tires, which is shown on the receipt, but the total figure on the claim form includes half of the cost of the tires for the two that were damaged beyond repair. I had trouble locating a wheel rim for my vehicle but was eventually able to purchase one from Griffin Ford in Waukesha where my parents picked it up and drove it to me in Kenosha. After Kenosha Tire looked at my vehicle, they found that the rear wheel rim on the passenger side was also massively damaged and cracked and that the tire sensor also had to be replaced. They installed three new tires and one new wheel rim and put my spare tire on my vehicle, and I drove back to Waukesha where I purchased a second rim and tire sensor from Griffin Ford. They installed the fourth tire on the new wheel rim but were closing for the day, so I had to replace the spare with the new tire and rim that evening.

Enclosures:

- Kenosha County case information sheet
- Jensen towing receipt \$184.63
- Kenosha Tire receipt \$474.75 (for two tires)
- Griffin Ford receipt, first rim \$277.85 (excluding core deposit)
- Griffin Ford receipt for core deposit return
- Griffin Ford receipt, second rim and tire sensor \$432.00
