2.2 The Board adopts these Bylaws pursuant to its authority under Wis. Stat. § 251.04(3) to adopt regulations for its own guidance and for the local health department. The Board's Bylaws may be no less stringent than, and may not conflict with, state statutes and rules of the Wisconsin Department of Health Services ("DHS").

Article 3: Powers and Duties

3.1 The Board's powers and duties are established by state law and set forth in Wis. Stat. § 251.04 as may be amended from time to time.

Board members shall be current members in good standing of the professional associations representing their respective professions.

4.3 The Kenosha County Executive shall appoint members to the Board of Health, subject to confirmation by the county board of supervisors. The term of service on the Board of Health shall be for five years and the appointment to the Board shall provide for staggered terms as may be amended from time to time by State Statute.

4.4 Board officers shall be elected by the Board at the Board's Annual Meeting in January of each year, or upon vacancy, and shall include a President and Vice-President. No one Board member can serve in the same officer role for more than three consecutive one-year terms.

4.5 The President shall:

- a. Preside at all meetings of the full Board and enforce the parliamentary rules.
- b. Have the authority to vote on all matters, except as otherwise prohibited by law.

4.6 The Vice-President shall, in the absence of the President, serve in the capacity and assume the duties of the President, taking actions appropriate to fulfill said responsibilities.

4.7 Committees which include non-Board members may be created by Board action with a simple majority vote. The size, membership, and responsibilities of these committees are determined by the Board. These committees may also be subject to the Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

4.8 No member of the Board can bind the Board by word or action unless the Board has, in its capacity as advising body, designated such member as its agent for some specific purpose and for that purpose only.

4.9 Each Board member shall participate in orientation upon appointment.

- a. Board of Health members are expected to become knowledgeable about the duties, operations, and functions of the Division of Health/Health Department through reading of materials, consultation with the Health Officer/Director, Health Department staff presentations, membership in the Wisconsin Association of Local Health Departments and Boards (WALHDAB), and, when available, participation in State of Wisconsin Department of Health Services training and/or conferences.

Article 5: Meetings

5.1 The Board shall hold its regular meetings as frequently as determined by the Board, but minimally quarterly. All meetings of the Board must abide by Wisconsin's Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

Article 6: Attendance

6.1 Board members are expected to provide notice to the Board, through the Health Officer/Director or their designee, if they are unable to attend Board meetings in writing at least 24 hours in advance of the meeting. Reasonable efforts will be made to schedule meetings during times that work for all Board members.

6.2 Members of the Board may participate in a meeting by means of conference telephone/videoconference or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this method shall constitute presence in person at such meeting.

6.3 A Board member can send a designee to meetings in the member's place, if designated in writing at least 48 hours before the meeting. The designee is not able to vote on behalf of the Board member.

6.4 Board members who miss four (4) meetings in a row or miss at least half of the meetings in a year may be referred to the County Board with a recommendation that the board member be removed from office under Wis. Stat. § 17.12.

WHEREAS, the promotion of healthy communities is directly related to the health of individuals and encourages expanding public health support networks to decrease racial disparities in health outcomes; and

WHEREAS, communities of color are disproportionately impacted by social determinants of health, such as increased exposure to lead, poor air quality, lack of safe places to walk, bike or run, and inadequate health education; and

WHEREAS, Kenosha has wide health disparities among its racial populations; and

WHEREAS, race is a social construction with no biologic basis; and

WHEREAS, racism is a social system with multiple dimensions, including individual racism, which is internalized or interpersonal and systemic racism, which is institutional or structural and is a system of structuring opportunity and assigning value based on the social interpretation of how one looks; and

WHEREAS, systemic racism unfairly disadvantages some individuals and communities, unfairly advantages other individuals and communities, and depletes the strength of the whole society through the waste of human resources; and

WHEREAS, racism causes persistent racial discrimination in housing, education, employment, transportation, and criminal justice and an emerging body of research demonstrates that racism is a social determinant of health; and

WHEREAS, numerous studies have linked racism to negative health outcomes; and

WHEREAS, the Wisconsin Department of Health Services determined that African Americans and Native Americans have the highest excess death rates at every stage in the life course, and the infant mortality rate of Non-Hispanic Black infants is the highest in the nation; and

WHEREAS, the 2018 infant mortality rate in Kenosha County among Black mothers was 9.9 deaths per 1,000 live births, compared to their white counterparts, a rate of 3.5 deaths per 1,000 births; and

WHEREAS, Black mothers in Kenosha County are 2.5 times more likely to receive inadequate prenatal care than their white counterparts; and

WHEREAS, Kenosha County's Black population is half as likely to have a postsecondary degree, a third as likely to test proficient in grade 3-8 subjects on standardized testing, anywhere from 3 to 27 times less likely to meet the ACT college readiness benchmarks, and graduate high school about 15% percentage points lower than their white counterparts; and

WHEREAS, Black people in Kenosha County are half as likely to gain employment than their white counterparts, and get paid half as much; and

WHEREAS, the Census estimates that 1/3 of Kenosha County's Black population lives in poverty (3 times that of Kenosha County's white population), which translates to \$12,760/year for the individual or \$26,200 for a family of four; and

WHEREAS, the 2020 County Health Rankings place Kenosha County residents 65th out of 72 Wisconsin Counties for Quality of Life, indicating that residents averaged 3.7 "physically unhealthy days" in the past 30 days; and

WHEREAS, Healthiest Wisconsin 2020 states that, "Wisconsin must address persistent disparities in health outcomes and the social, economic, educational, and environmental inequities that contribute to them;" and

WHEREAS, the Wisconsin Public Health Association is committed to achieving health equity and convened a Racial Equity Workgroup in 2017; and

WHEREAS, while there is no epidemiologic definition of "crisis," the health impact of racism clearly rises to the oft-cited definition proposed by Galea (2017)*: "The problem

must affect large numbers of people, it must threaten health over the long-term, and it must require the adoption of largescale solutions””; and

WHEREAS, with support from community partners, it is Kenosha County’s responsibility to address racism, including seeking solutions to reshape the discourse and actively engaging all citizens in racial justice work; now, therefore,
