SUMMARY OF GRANT:

The impact of drug abuse affects the health, safety, and economy of our communities. The South East Area Drug Operations Group (SEADOG) was formed to combat this problem in the region and to help coordinate the efforts of our stakeholders in the region in government, the private sector, and the public. We recognize that our efforts must include education, treatment, and enforcement to be effective. SEADOG has engaged in ongoing threat assessment of the drug problem in the region: gathering and sharing information from a wide variety of sources each with their own unique expertise. SEADOG is able to combine and share resources with the other drug enforcement efforts such as Milwaukee HIDTA. As a regional drug enforcement task force, SEADOG is able to coordinate investigations of drug trafficking organizations, who operate in the region and beyond. Support from this grant will be critical in the success of SEADOG's mission.

Summary: The Kenosha County ALERT Bomb Squad is in need of a new bomb suit. We are currently using one EOD 10 and one EOD 9 bomb suits. The EOD 9 was manufactured in 04/2006. The manufacture of the suits recommends they be replaced after 10 years of use. The EOD Bomb Suit 2019 grant will allow for the purchase of a new EOD 10 bomb suit. The EOD 10 offers advanced technology with reduced weight and greater protection from explosive threats. The EOD 10 Bomb Suit Ensemble meets the requirements set forth in the U.S. National Institute of Justice NIJ 0117.01 Public Safety Bomb Suit Standard. The bomb suit will protect the bomb technician from the four main threats from a blast: overpressure, fragmentation, impact and heat. The bomb suit is a FBI required equipment item for certified bomb squads. The bomb suit ensemble consists of: a front jacket panel, neck/chest/groin plate, rear jacket panel and back protector with integrated ventilation, one-piece trousers, foot protectors, helmet, and visor with built-in lights. We will also purchase the EOD® 10 breathing apparatus (BA) face shield kit for CBRNe operations where chemical-biological threats are suspected. The face shield integrates with the SCBA.

NARRATIVE

I, Sgt. David Zoerner, responded to Stein Farms at 5708 312th Avenue reference following up on a Cabaret License Check that I conducted on 06-12-2019.

The structures and layout of the venue remain unchanged from my previous inspection. See attached diagram.

Stein Farms is not currently in possession of a valid Class B Liquor License, as it is to be voted upon by the Town of Wheatland Board at the town meeting Monday, June 22, 2020, per Wheatland Town Clerk, Shiela Siegler. Clerk Siegler advised that she will forward the Class B Liquor License as soon as it is available. No problems with its issuance are foreseen.

Nothing further at this time.

FIELD CASE SUPPLEMENT

CASE# 2019-00325599

SUPPLEMENTAL NARRATIVE

On 07/29/2019, I, Sgt. David Zoerner received notification from Town of Wheatland Clerk Sheila Siegler reference the Stein Farms Cabaret License Check final inspection. Clerk Siegler advised that the Stein Farm has not received "a final sign off," but with extenuating circumstances.

Stein Farms has received approval from the state of the revised fire suppression plans for the building. The fire suppression system has been installed and last Friday it did pass a pressure test of the system. But, to receive a final signoff, the test must be performed in the presence of the building inspector and fire chief by an independent testing firm. Neither of those two officials were available on Friday. So, a date has been set up for mid-August. At that time, there should be a final to this.

Clerk Seigler advises that she will advise the Sheriff's Office of the outcome of that final inspection.

Nothing Further

CASE# **2019-00325599**

NARRATIVE

On 06-12-2019 at 1542 hours, Sergeant David Zoerner conducted a Probationary Cabaret License Application Check at Stein Farms, 5708 312th Avenue. I met with owner Clem Stein in the north building at the bar area. I observed their Class B Retailer's License issued by the Town of Wheatland on May 13, 2019 clearly displayed on the west wall at the bar area. Expires June 30, 2019. Also clearly displayed was the Temporary Cabaret License for an event held there on June 8, 2019. Mr. Stein also presented me with three additional Temporary Cabaret Licenses for upcoming events. These are dated for June 16, 2019, June 23, 2019 and June 30, 2019. I gave Clem Stein a printed copy of the Kenosha County Ordinance 8.02 Cabaret Licenses.

The Stein Farms venue is two separate buildings. The north building contains a dance area with a small stage in the northeast corner, bar and kitchen area. The building to the south contains seating area for dinner service, also can be used as a dancing area, per Clem Stein. There is an outdoor seating area to the east of these buildings. The north side of the property contains the parking area including clearly marked handicap accessible parking stalls directly in front of the north building and outdoor seating area.

Stein Farms has had issues with its fire suppression system and does not have a final inspection completed by the state at this time. I spoke with Shiela Siegler, Clerk for the Town of Wheatland reference the inspection for Stein Farms LLC. Clerk Siegler advised that Stein Farms is waiting for a revised state plan approval as there were changes made during the installation of their fire suppression system. Stein Farms cannot receive a final inspection from the Town of Wheatland building inspector until Town of Wheatland has the state approved plan on file.

Clerk Siegler advised that although municipalities can issue business licenses, the Town of Wheatland does not. Siegler provided me with copies of business documentation for Stein Farms LLC including the Wisconsin Department of Revenue Seller's Permit, State of Wisconsin Articles of Incorporation - Limited Liability Company, Alcohol Dealer Registration from the Alcohol and Tobacco Tax and Trade Bureau and their Internal Revenue Service Employer ID number assignment.

Anti-Retaliation

116.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

116.2 POLICY

The Kenosha County Sheriff's Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

116.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.

Kenosha County Sheriff's Department

Agency-Wide Policies

Anti-Retaliation

116.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Sheriff, or the Human Resources Director.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

116.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Internal Affairs Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Sheriff via the chain of command, and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.
- (h) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

Agency-Wide Policies

Anti-Retaliation

116.6 COMMAND STAFF RESPONSIBILITIES

The Sheriff should communicate to all supervisors the prohibition against retaliation.

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
