<u>Personal Statement:</u> Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I moved to Kenosha, WI almost 7 years ago from Wisconsin Rapids, WI. A city in which has less than 20,000 people; a fifth of the city of Kenosha's population. I came from a city/county with not much young, ethnic, and diverse city officials or committee members. Kenosha is much different in many ways. Kenosha has a very diverse population in racial and ethnic backgrounds we need more representation to fullful these voices. Coming from a Native American and Mexican background in culture and everyday valuee; I am one of those people. My representation on the Racial and Ethnic Equity Commission would be useful to reach out into the communities of not just my racial background, but others as well. As a county of almost 170,000 people we have many ethnic groups that do not have their race or culture being recognized to the fullest potential. More specifically, looking at the most recent census of Kenosha County on July 1st, 2019, Native American's only makeup 0.8% of the total Kenosha County population. These people deserve to have their voices heard. Now is the time for myself to step up and become the voice my two ethnic groups need. Not only will my voice and background help in race and ethnicity, but also as a member of the LGBTQ+community. My role being a young openly gay Native man is helpful with how many people this committee will serve and represent. I truly believe being a young voice with two different backgrounds and representing all LGBTQ+individuals, I can contribute many solutions to any problem(s) that the county of Kenosha might endure.

Thank you.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission. believe that Kenosha County is at a critical crossroads in the process of identifying and implementing actions to
respond to inequities due to race, national origin and ancestry. Indeed, in my view the need for governmental action in this regard is critical and overdue. Although I have no certainty about solutions and welcome the opportunity to join community members in a search for them, I have no doubt that these equity problems exist and demand individual and community responses.
My wife, Dena Feingold and I, are lifelong Wisconsin residents and have made our home in Somers for more than three decades. Together, we have worked to improve our understanding, consciousness and empathy concerning matters of race, national origin and other legally protected characteristics, while being mindful of the our limited understanding given that we are white.
Since 1981, I have served as an attorney focusing on employment law matters, generally, and civil rights in particular. hope that as an advocate for and counselor of both employees and employers in such matters, my professional training and experience may be of value to the community as a member of this commission.

6/29/21 Date BRADDEN C. BACKER works at Backer Employment Law, LLC in southeast Wisconsin. He provides both employers and employees with advice and representation concerning a full range of employment matters and civil rights concerns. In addition, he has served as an independent investigator of harassment and a wide variety of other employment-related complaints and issues. Since 2012, Brad also has served as a mediator in a variety of employment/ business disputes, assisting the parties in resolving most of these matters without additional litigation.

Brad was selected as a "Wisconsin Top Lawyer"/ "Super Lawyer," a designation limited to five percent of Wisconsin attorneys, in a statewide vote of his peers since 2005 -- every year the designation was awarded in Wisconsin. He also was included in editions of "Best Lawyers in America," beginning in 2008 for his work in employment law for work representing both Management and individuals. In 2016 and 2018, he was named a "Lawyer of the Year" by the Wisconsin edition of "Best Lawyers" magazine for his representation of individuals in employment matters. He has been named a "Top Rated Labor & Employment" lawyer by Martindale-Hubbell for many consecutive years.

A frequent speaker at seminars and universities on employment issues, he is a co-author of the Wisconsin State Bar's three-volume Wisconsin Employment Law treatise and Hiring and Firing in Wisconsin, the latter an award-winning publication. Brad is co-author of Wisconsin Courts Struggle with Geography in Non-Solicitation Agreements, and ADA and WFEA: Differing Disability Protection. He is the author of The Scope of Wisconsin's Privacy Statute, and New Directions in Wisconsin Restrictive Covenant Law After "Star Direct," all articles published in "The Wisconsin Lawyer."

After completing his undergraduate degree in medieval European history, Phi Beta Kappa, at the University of Wisconsin - Madison in 1978, Brad learned that this degree was extremely interesting, but useless if he was interested in food and shelter. Lacking a clear direction in life, he chose to pursue an education in law, graduating from the University of Wisconsin Law School in 1981, where he also was selected to the Order of the Coif, served as a judicial intern to the late Hon. Thomas E. Fairchild of the Seventh Circuit Court of Appeals and was an author and editor on *The Wisconsin Law Review*. After graduation, he served as a clerk to the late Hon. John D. Butzner, Jr. of the United States Court of Appeals for the Fourth Circuit.

Brad and his wife, Rabbi Dena Feingold, have lived in Kenosha for over thirty years. They have two children of whom they are extremely proud.

I have lived in Kenosha since 2005; I attended and graduated from the University of Wisconsin Parkside with a BA in Communication. While I do not have deep roots here, I have a fierce passion for our community.

I love Kenosha, I'm able to see that it is not perfect, but has so much potential; I believe I can help make Kenosha County a more equitable place.

Additionally, volunteering is something I enjoy and miss greatly, I used to be very active in the community prior to having my son. Although I have not worked in government, even student government before, my position in the law office requires me to take information and make it accessible to people; I think I could apply those skills to this commission.

Re: Interactions with County Government

May 26, 2021

In the past five years I have had a variety of interactions doing business with the Kenosha County Government. Mainly through the work I do at a family law practice located in downtown Kenosha, going to the Court House, District Attorney's office or the Register of Deeds for documents. Additionally for personal reasons at times, having to procure my child's birth certificate and for the Deed to my home; having to appear in court for my own cases, as well as having to speak to the District Attorney's for cases involving people I know.

Most recently, besides the interactions required through work, I have purchased plants through the county public works offering local plants at an affordable price.

Cordially, Elizabeth

Mimi Yang,

SPECIAL INTERESTS: Indicate organizations or activities in which you have a special interest but may not have been actively involved.

- (1) Working with public libraries in Kenosha for lectures, workshops, and seminars on themes that define the commission -- race relation, racial history, American cultural identity, patriotism, and democracy. Design and deliver these outreach activities with an across-the-board audience in mind.
- (2) Working with Kenosha County government on public and open forums to map out where we are with the vision and mission of the commission, and the path to create a culturally inclusive and racially diverse Kenoshan model/brand of racial and ethnic equity.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

PERSONAL STATEMENT

My contributions to the Racial and Ethnic Equity Commission cannot be in isolation from its context, its vision, and its mission.

The Context

The creation of the Kenosha Racial and Ethnic Equity commission synergizes with the racial reckoning nationwide, especially in the wake of the death of George Floyd, the shooting of Jacob Blake, the rise of anti-Asian hate crimes during the pandemic, and the renewed controversy over the surge of illegal immigration at the southern border. Kenosha is not immune, and in fact, mirrors race relations, political tribalism, culture identities, and educational challenges that the nation is facing.

The Vision and Mission

Three integral fronts of the commission -- research, education, and policy reviewing/implementing - set our county on par with national debates and inquiries, and engage a local effort to depolarize, to heal, and to connect across racial, ethnical, and cultural backgrounds. The vision of the commission needs thinkers to articulate and promote; the mission of the commission needs doers to carry out and be hands-on. It is self-evident that the success of the commission depends on the skills, experiences, knowledge, and minds of its members; most importantly, on the integration of the thinking and the doing.

I see myself fit into the context, the vision, and the mission of the commission in the following three ways:

1. Research and articulation

My entire life and career speaks of race relations, intercultural communication, and depolarized worldviews. Growing up and educated in the English, Spanish, and Chinese speaking worlds, and with a native fluency in these three languages, firsthand and in the trenches, I engage teaching, scholarship, and community services around the projects and themes related to histories, societies, politics, and people from these worlds on a daily basis. As a professor in higher education, I published extensively, in both Spanish and English, on themes related to Latin American postmodernism and multiculturalism. Now as a New England Regional Fellow at the Massachusetts Historical Society, I have built a track-record of publications and writings on Americanism, women's suffrage movement, and current race relations, and political divides in the U.S. My works have been translated to different languages. Please refer to the appendix for the publications that I have authored.

Over decades, my strengths have been evident in research, scholarship, writing, and articulation of the issues that shape the core of an individual's cultural identity as well as the living and breathing themes of multicultural democracy and multiracial patriotism. Any execution of activities and projects needs to be guided by a mind and a soul; any "what" needs to be understood and justified by "why." My background as scholar/researcher would contribute to the commission with the articulation of vision and mission in a

Kenoshan context. My background as educator would help with pedagogical methods of teaching racial and cultural themes to an across-the-board audience.

A Pleasant Prairie resident, I was named a New England Regional Fellow last year and now engage my research and scholarship on race relations, multiracial democracy, and multicultural patriotism at the Massachusetts Historical Society in Boston – the bosom of American history, situated in the forefront of national debates on race, gender, immigration, democracy, and patriotism. Living between Kenosha and Boston, I can serve as a needed bridge between the local and the national.

2. Education and hands-on projects

At Carthage, as a Spanish professor who set up the Chinese program, I brought seemingly distant cultures and languages together in an increasingly globalized and multicultural curriculum. As a scholar, I have conducted research to parallel histories and societies in North and Latin Americas, thus bringing the English and Spanish speaking worlds together. 20 years ago, my Chinese language and culture expertise proved to be an asset to help Kenosha county with the Kenosha- Huairou (a suburban area in Beijing) sister county project. All this testifies that classroom integration of cultures and languages can be translated to community work and bridge cultures and people from different racial and ethnic backgrounds in Kenosha County. I am a hands-on scholar and would like to put my cultural knowledge and expertise to practical use for our County from the platform of the Racial and Ethnic Equity Commission.

3. Linguistic ability

I have native fluency in English, Spanish, and Chinese. These are three languages spoken by more than half of the world population in the 21st century – Chinese has 1.4 billion speakers, English more than 2 billion, and Spanish 700 million. There are more than 52 million Spanish speakers in the US, and more than 22 million Asian Americans living in the country. Already involved in the local Hispanic community, I can continue to use my linguistic strength to help the commission reach out to and gain trust from the locally and racially diverse people who speak these languages.

The structures and layout of the venue remain unchanged from my previous inspection. See attached diagram.

Stein Farms is not currently in possession of a valid Class B Liquor License, as it is to be voted upon by the Town of Wheatland Board at the town meeting Monday, June 22, 2020, per

Wheatland Town Clerk, Shiela Siegler. Clerk Siegler advised that she will forward the Clas	s B
Liquor License as soon as it is available. No problems with its issuance are foreseen.

FIELD CASE SUPPLEMENT

CASE# 2019-00325599

SUPPLEMENTAL NARRATIVE

On 07/29/2019, I, Sgt. David Zoerner received notification from Town of Wheatland Clerk Sheila Siegler reference the Stein Farms Cabaret License Check final inspection. Clerk Siegler advised that the Stein Farm has not received "a final sign off," but with extenuating circumstances.

Stein Farms has received approval from the state of the revised fire suppression plans for the building. The fire suppression system has been installed and last Friday it did pass a pressure test of the system. But, to receive a final signoff, the test must be performed in the presence of the building inspector and fire chief by an independent testing firm. Neither of those two officials were available on Friday. So, a date has been set up for mid-August. At that time, there should be a final to this.

Clerk Seigler advises that she will advise the Sheriff's Office of the outcome of that final inspection.

KENOSHA SHERIFF FIELD CASE REPORT

CASE# 2019-00325599

NARRATIVE

On 06-12-2019 at 1542 hours, Sergeant David Zoerner conducted a Probationary Cabaret License Application Check at Stein Farms, 5708 312th Avenue. I met with owner Clem Stein in the north building at the bar area. I observed their Class B Retailer's License issued by the Town of Wheatland on May 13, 2019 clearly displayed on the west wall at the bar area. Expires June 30, 2019. Also clearly displayed was the Temporary Cabaret License for an event held there on June 8, 2019. Mr. Stein also presented me with three additional Temporary Cabaret Licenses for upcoming events. These are dated for June 16, 2019, June 23, 2019 and June 30, 2019. I gave Clem Stein a printed copy of the Kenosha County Ordinance 8.02 Cabaret Licenses.

The Stein Farms venue is two separate buildings. The north building contains a dance area with a small stage in the northeast corner, bar and kitchen area. The building to the south contains seating area for dinner service, also can be used as a dancing area, per Clem Stein. There is an outdoor seating area to the east of these buildings. The north side of the property contains the parking area including clearly marked handicap accessible parking stalls directly in front of the north building and outdoor seating area.

Stein Farms has had issues with its fire suppression system and does not have a final inspection completed by the state at this time. I spoke with Shiela Siegler, Clerk for the Town of Wheatland reference the inspection for Stein Farms LLC. Clerk Siegler advised that Stein Farms is waiting for a revised state plan approval as there were changes made during the installation of their fire suppression system. Stein Farms cannot receive a final inspection from the Town of Wheatland building inspector until Town of Wheatland has the state approved plan on file.

Clerk Siegler advised that although municipalities can issue business licenses, the Town of Wheatland does not. Siegler provided me with copies of business documentation for Stein Farms LLC including the Wisconsin Department of Revenue Seller's Permit, State of Wisconsin Articles of Incorporation - Limited Liability Company, Alcohol Dealer Registration from the Alcohol and Tobacco Tax and Trade Bureau and their Internal Revenue Service Employer ID number assignment.

NARRATIVE

I, Sgt. David Zoerner, responded to Stein Farms at 5708 312th Avenue reference following up on a Cabaret License Check that I conducted on 06-12-2019. The structures and layout of the venue remain unchanged from my previous inspection. See attached diagram. Stein Farms is not currently in possession of a valid Class B Liquor License, as it is to be voted upon by the Town of Wheatland Board at the town meeting Monday, June 22, 2020, per Wheatland Town Clerk, Shiela Siegler. Clerk Siegler advised that she will forward the Class B Liquor License as soon as it is available. No problems with its issuance are foreseen. Nothing further at this time.

FIELD CASE SUPPLEMENT

CASE# 2019-00325599

SUPPLEMENTAL NARRATIVE

On 07/29/2019, I, Sgt. David Zoerner received notification from Town of Wheatland Clerk Sheila Siegler reference the Stein Farms Cabaret License Check final inspection. Clerk Siegler advised that the Stein Farm has not received "a final sign off," but with extenuating circumstances.

Stein Farms has received approval from the state of the revised fire suppression plans for the building. The fire suppression system has been installed and last Friday it did pass a pressure test of the system. But, to receive a final signoff, the test must be performed in the presence of the building inspector and fire chief by an independent testing firm. Neither of those two officials were available on Friday. So, a date has been set up for mid-August. At that time, there should be a final to this.

Clerk Seigler advises that she will advise the Sheriff's Office of the outcome of that final inspection.

KENOSHA SHERIFF FIELD CASE REPORT

CASE# 2019-00325599

NARRATIVE

On 06-12-2019 at 1542 hours, Sergeant David Zoerner conducted a Probationary Cabaret License Application Check at Stein Farms, 5708 312th Avenue. I met with owner Clem Stein in the north building at the bar area. I observed their Class B Retailer's License issued by the Town of Wheatland on May 13, 2019 clearly displayed on the west wall at the bar area. Expires June 30, 2019. Also clearly displayed was the Temporary Cabaret License for an event held there on June 8, 2019. Mr. Stein also presented me with three additional Temporary Cabaret Licenses for upcoming events. These are dated for June 16, 2019, June 23, 2019 and June 30, 2019. I gave Clem Stein a printed copy of the Kenosha County Ordinance 8.02 Cabaret Licenses.

The Stein Farms venue is two separate buildings. The north building contains a dance area with a small stage in the northeast corner, bar and kitchen area. The building to the south contains seating area for dinner service, also can be used as a dancing area, per Clem Stein. There is an outdoor seating area to the east of these buildings. The north side of the property contains the parking area including clearly marked handicap accessible parking stalls directly in front of the north building and outdoor seating area.

Stein Farms has had issues with its fire suppression system and does not have a final inspection completed by the state at this time. I spoke with Shiela Siegler, Clerk for the Town of Wheatland reference the inspection for Stein Farms LLC. Clerk Siegler advised that Stein Farms is waiting for a revised state plan approval as there were changes made during the installation of their fire suppression system. Stein Farms cannot receive a final inspection from the Town of Wheatland building inspector until Town of Wheatland has the state approved plan on file.

Clerk Siegler advised that although municipalities can issue business licenses, the Town of Wheatland does not. Siegler provided me with copies of business documentation for Stein Farms LLC including the Wisconsin Department of Revenue Seller's Permit, State of Wisconsin Articles of Incorporation - Limited Liability Company, Alcohol Dealer Registration from the Alcohol and Tobacco Tax and Trade Bureau and their Internal Revenue Service Employer ID number assignment.

BJA FY2021 Edward Byrne Memorial
Justice Assistance Grant (JAG)

Project Title: TruSpeed Laser Speed Devices
Purpose Area: Law Enforcement
Type of Program: Equipment

Program Narrative

The federal Edward Byrne Memorial Justice Assistance Grant program provides critical funding for Kenosha County Sheriff's Department (KSD) to support law enforcement equipment. This round of funding will be used to purchase TruSpeed Laser Speed Devices, these devices assist in speed enforcement as well as measuring severe crashes and crime scenes

Kenosha County is located in the southeast corner of the State of WI with a population of 166,426 (2010 Census) and is positioned between two large municipalities: Milwaukee, WI to the north and Chicago, IL to the south, both within 1-hour travel. Kenosha County also is a part of the north-south corridor of Interstate 94, a major thoroughfare. The Kenosha County Sheriff's Department has patrol jurisdiction of the entire 272 square miles of the county.

Utilizing the annual JAG program funding opportunity, we've purchased three (3) AED's in 2007 and eight (8) AED's in 2012.

In 2018, the Sheriff's Department had included in their operating budget to afford to purchase twenty one (21) additional AED's.

In 2019, the Sheriff's Department purchased eleven (11) additional AED's using the JAG program funding opportunity;

In 2020, the Sheriff's Department utilized the grant funding to afford the purchase of ten (10) additional AED's.

In 2021, the Sheriff's Department will utilize the grant funding to afford the purchase of six (6) additional TruSpeed Laser Speed Devices used for speed enforcement as well as measuring severe crashes and crime scenes.

Goal: Increase the quantity of our inventory of TruSpeed Laser Speed Devices in order to provide enough devices to equip the new squads.

As a disparate jurisdiction under the FY2021 JAG Byrne grant program, Kenosha County, will set-aside 3% (\$437.00) of our sub-recipient amount of \$14,577 toward expenses incurred in order for the Kenosha County Sheriff's Department to become NIBRS compliant by September 30, 2023.

Goal: To utilize the \$437.00 of 'set-aside' funds awarded in the FY2021 JAG grant program to cover costs of software/hardware/labor costs to implement the move from UCR data reporting elements to NIBRS reporting format for crime statistics.

Assessment/Evaluation

Performance measures will be dictated by accomplishing purchasing the Laser Speed Devices and installing them in the new squads as we move through the year. It will include demonstrating procurement and inventory control and staff training, if necessary.

Evaluation of the project will include determining the number of Laser Speed Devices that will still be needed to up fit the newly added fleet. Also, an assessment will be made as to the progress of the data conversion tasks that must be undertaken with our records management system to move from UCR crime reporting data to the NIBRS crime reporting data elements.

Sustainability

Additional purchases may be required, once this funding expires, to continue adding to our inventory of Laser Speed Devices to be able to up fit new squads that will be added to our fleet in the future.

It is the intent of the Sheriff's Department to begin to utilize funds provided through the federal BJA Edward Byrne Memorial JAG annual formula grant to build our inventory of the Laser Speed Devices.

Annually, local levy funding and other non-levy revenue sources may be planned, through the Sheriff's operating budget process, to afford repairs and accessories for the current inventory of Laser Speed Devices. It is estimated that that no more than \$2,500 per year will be necessary for repair/supply needs.

RE: Silver Lake Management District

I, David Zyer, submit this Petition and request approval for the formation of the Silver Lake Management District (the "District") within Kenosha County pursuant to Wis. Stat. § 33.25. This Petition is submitted by me, as Vice President and representative of the Silver Lake Protection Association (the "Association") Board of Directors (the "Board"), along with 82 percent of the landowners of the lands within the proposed District.

In support of this Petition, we submit the following documents and information:

1. Landowner Signatures.

Approximately, 191 of the 233 (82 percent) landowners within the proposed District have signed the Petition to form the District. See Exhibit 1.

2. Name of the Proposed District.

The name of the proposed District is the "Silver Lake Management District."

3. Statement of Necessity for the Proposed District.

The Association is unable to meet its financial needs to address invasive species pervading the Lake; to adequately protect wildlife and wildlife habitats in and around the Lake; prevent the Lake from succumbing to pollution and aquatic species that present the potential to render the Lake inhospitable to residents, tourists, and businesses that depend upon the Lake for their recreational, economic, and environmental needs; and, conduct Lake management activities designed to protect the Lake, along with its aquatic resources, personal investments, and values, including

property values, that are greatly affected by the health of the Lake. The formation of the District will enable the acquisition of grants for lake projects and management plans, and assist in protection of the Lake habitat through restoration efforts. Absent coordinated efforts to protect the Lake, including the wildlife that depends on it, the economic and tourism businesses that rely on the Lake will be decimated, and the quality of life for property owners along the Lake will be substantially degraded.

4. Statement of Public Health, Comfort, Convenience, Necessity and Public Welfare.

The mission of the District is to preserve, protect, and enhance the waters and the shoreline of the Lake for current and future generations. Accordingly, it is necessary for the public heath, comfort, convenience, necessity or public welfare that the District be formed for the protection of Silver Lake (the "Lake"). In addition, the lands to be included in the District will be benefitted by the establishment of the District. Formation of the District will assure that the lands located within, adjacent to, and reliant upon the Lake can depend on the Lake for its economic, recreational, and business needs for generations to come.

5. Map of the Proposed District.

See Exhibit 2.

6. Legal Description of the Proposed District.

See Exhibit 3.

These documents and information serve as the Petition to establish the District, and are genuine to the best of my knowledge.

Company And

KENOSHA COUNTY, WISCONSIN A Municipal Corporation

This Permanent Storm Sewer Easement ("Easement") effective as of the last date of execution is entered into between NP Kenosha Industrial, LLC, a Delaware limited liability company, with principal offices located at 4825 NW 41st Street, Suite 500, Riverside, MO 64150 ("NORTHPOINT"), and Kenosha County, Wisconsin, a municipal corporation duly organized and existing under the laws of the State of Wisconsin with offices located at 19600 75th Street, Suite 122-1, Bristol, WI 53104 ("COUNTY").

COUNTY is the owner of the real estate legally described and generally depicted in the cross-hatching on Exhibit A situated in the County of Kenosha, and State of Wisconsin, hereinafter referred to as the "Real Estate".

COUNTY, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions below provided, does hereby grant to the NORTHPOINT and the NORTHPOINT's authorized agents and employees a non-exclusive permanent easement, in, to and under and across that certain portion of the Real Estate legally described and shown on Exhibit B (the "Easement Area") to install, construct, reconstruct, repair, remove, replace, inspect, and maintain, storm sewer, and appurtenances, all of which is hereafter referred to as the "Permitted Work", for the purposes of conveying storm sewerage over, across, through, and under the Real Estate, together with the right to, within the Easement Area, excavate and refill ditches and/or trenches, install appurtenances, and the further right to, within the Easement Area, remove, cut or trim trees, shrubs, bushes, plants, undergrowth, fences, pavement or any other improvements, structures and obstructions interfering with the Permitted Work. COUNTY shall have and retain all other rights not granted to NORTHPOINT to the use and occupancy of the Easement Area. No improvements or structures shall be erected or placed over or upon the Easement Area. Further, NORTHPOINT agrees that all utility installations will be performed in a safe and prudent manner and will be in compliance with all State of Wisconsin and local building codes, and other state, federal, and local regulations for the type of work, utility lines or service installed. This Easement is being granted for nominal consideration, and NORTHPOINT shall hold COUNTY, its officers, officials, employees and agents (the "County Parties") harmless for any accidental damage by Kenosha County, or its agents, employees or assigns, to any structures, lines, pipes, or other facilities installed under this easement, except to the extent caused by the gross negligence or willful misconduct of COUNTY or County Parties. If COUNTY shall need to conduct future construction in this Easement Area, NORTHPOINT shall, at COUNTY'S request, temporarily move, suspend and replace such structures, lines, pipes or other facilities for a reasonable temporary period of time, at NORTHPOINT's expense, so long as the same will not cause material erosion or other damage to NORTHPOINT's adjacent property, and COUNTY will carefully consider all costs and interruptions before making such request.

NORTHPOINT will allow, at no cost or expense to NORTHPOINT, COUNTY and County Parties to connect to the sewer main installed by virtue of this Easement, if future construction or expansion by COUNTY or County Parties makes such connection desirable to COUNTY, and NORTHPOINT shall not impose any cost, charge, fee, special assessment or other expense associated with such connection, except for normal usage charge for service.

For the purpose of performing the Permitted Work, NORTHPOINT shall have the right to enter and pass over the Real Estate in order to use the Easement Area and the lands of the COUNTY reasonably adjacent thereto for the temporary transportation, laying down and storage of materials, backfill, tools and equipment, the depositing and removal of excavated materials, and for other reasonable purposes incidental to the Permitted Work. Upon completion of the Permitted Work, the Easement Area shall be restored by NORTHPOINT to its reasonably similar, or better, condition prior to performing the Permitted Work, at NORTHPOINT's sole cost and expense. This Easement shall run with the land and be binding upon the heirs, successors and assigns of the parties hereto. Nonuse or limited use of the easement rights granted in this Easement shall not prevent later use of the easement to the fullest extent authorized in this Easement. Each person who executes this Easement certifies that they are acting within the scope of their respective authority in doing so. This Easement shall be governed by and construed in accordance with the laws of the State of Wisconsin. COUNTY, NORTHPOINT and their respective successors, assigns and successors in title shall have all rights to enforce this Easement at law or in equity.

COUNTY BOARD OF SUPERVISORS OF KENOSHA COUNTY, WISCONSIN

August 17, 2021 Resolution No. 2021-__

A Resolution Authorizing and Providing for the Sale and Issuance of \$11,890,000 General Obligation Highway Improvement Bonds, Series 2021B, and All Related Details

RECITALS

The County Board of Supervisors (the "Governing Body") of Kenosha County, Wisconsin (the "County") makes the following findings and determinations:

1. The County needs funds for the following purposes and in the proposed borrowing amounts set forth below (collectively, the "**Project**"):

Maximum Amount Authorized		Borrowing Amount	Initial Resolution Number and Purpose	
(a)	\$19,630,000	\$4,110,000	2016-63 – Highway Projects Including Hwy S Project (between Hwy 31 and I-94); and	
(b)	7,945,000	7,780,000	2020-51 – Highway Projects Including Hwy S Project (between Hwy 31 and I-94).	

- 2. On November 10, 2016, the Governing Body adopted initial resolution number 2016-63 for the purposes and in the maximum amount authorized as set forth in paragraph 1(a) above ("**Initial Resolution 2016-63**"). Of the \$19,630,000 maximum borrowing amount authorized by Initial Resolution 2016-63, the County previously borrowed \$8,880,000 in connection with the issuance of its \$8,880,000 General Obligation Highway Improvement Bonds, Series 2019B, dated September 10, 2019, and \$6,640,000 in connection with the issuance of its \$10,460,000 General Obligation Corporate Purpose Bonds, Series 2020D, dated September 3, 2020. As of the date of this resolution, \$4,110,000 of the maximum borrowing amount authorized by Initial Resolution 2016-63 remains available.
- 3. On November 12, 2020, the Governing Body adopted initial resolution number 2020-51 for the purposes and in the maximum amount authorized as set forth in paragraph 1(b) above ("**Initial Resolution 2020-51**"). The County has not previously borrowed under the authority granted by Initial Resolution 2020-51; therefore, as of the date of this resolution, the maximum borrowing amount of \$7,945,000 authorized by Initial Resolution 2020-50 remains available.

- 4. Each initial resolution described in the preceding paragraphs was (i) adopted by an affirmative vote of at least three-fourths of the members-elect (as defined in Section 59.001 (2m) of the Wisconsin Statutes) of the Governing Body in accordance with Section 67.045(1)(f) of the Wisconsin Statutes, and (ii) approved and signed by the County Executive in accordance with Section 59.17(6) of the Wisconsin Statutes.
- 5. The County Clerk caused notice of the adoption of (i) Initial Resolution 2016-63 to be given to the electors of the County by publication in the County's official newspaper on November 18, 2016 in the manner and form directed by Initial Resolution 2016-63, and (ii) Initial Resolution 2020-51 to be given to the electors of the County by publication in the County's official newspaper on November 25, 2020 in the manner and form directed by Initial Resolution 2020-51.
- 6. No sufficient petition for referendum on the question of the adoption or effectiveness of (i) Initial Resolution 2016-63, or the issuance of the bonds described therein, was filed with the County Clerk within 30 days after the date on which Initial Resolution 2016-63 was adopted, and (ii) Initial Resolution 2020-51, or the issuance of the bonds described therein, was filed with the County Clerk within 30 days after the date on which Initial Resolution 2020-51 was adopted
- 7. The County may choose to issue one or more separate series of obligations to finance portions of the Project.
- 8. The Governing Body deems it in the best interests of the County that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project, pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and upon the terms and conditions set forth below.
- 9. On July 20, 2021, the Governing Body adopted a resolution (the "Authorizing Resolution") authorizing the amounts and purposes specified in the Initial Resolutions to be combined into a single bond issue designated as "highway improvement bonds", the notification and sale of, and set forth certain details relating to, the County's General Obligation Highway Improvement Bonds, Series 2021B (the "Obligations") authorized to be issued by this resolution.
- 10. The County Clerk caused notice of the sale of the Obligations (the "**Notice to Bidders**") to be given to media typically monitored by potential bidders in the manner and form directed by the Authorizing Resolution. The Notice to Bidders is made of record in these proceedings, and the Governing Body ratifies the Notice to Bidders.
- 11. In accordance with the Notice to Bidders and the bidding terms that were included in the document that was used for offering the Obligations for sale by competitive bid (the "**Notice of Sale**"), written bids for the sale of the Obligations were received and delivered to the Governing Body.
- 12. The Governing Body has considered all the bids it received. The Governing Body has decided to accept the bid of Morgan Stanley & Co, LLC (the "**Purchaser**"), or a group that it represents, to purchase the Obligations on the terms specified in the Purchaser's

bid. The Purchaser bid the price of \$12,597,222.48 for the entire issue of Obligations (the "**Purchase Price**"), plus any accrued interest, and specified that the Obligations maturing on September 1 in the years shown below will bear interest at the respective interest rates shown below:

The principal of, and interest on, the Obligations will be payable in lawful money of the United States of America.

Section 6. Fiscal Agent.

The County appoints the Fiscal Agent to act as authentication agent, paying agent, and registrar for the Obligations. The appropriate officers of the County are directed to enter into a fiscal agency agreement with the Fiscal Agent on behalf of the County. The fiscal agency agreement may provide for the County to pay the reasonable and customary charges of the Fiscal Agent for those services. The fiscal agency agreement shall require the Fiscal Agent to comply with all applicable federal and state regulations. Among other things, the Fiscal Agent shall maintain the Register.

Section 7. Appointment of Depository.

The County appoints DTC to act as securities depository for the Obligations. An authorized representative of the County has previously executed a blanket issuer letter of representations with DTC on the County's behalf, and the County ratifies and approves that document.

Section 8. <u>Book-Entry System.</u>

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the County's relationship with DTC is terminated, then the County may appoint another securities depository to maintain the Book-Entry System.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the County will do the following:

- (i) At its expense, the County will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully-registered, certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The County will appoint a fiscal agent to act as authentication agent, paying agent, and registrar for the Obligations under Section 67.10 (2) of the Wisconsin Statutes (the Fiscal Agent may be reappointed in this capacity).

Section 9. Redemption.

The Obligations maturing on and after September 1, 2030 are subject to redemption before their stated maturity dates, at the County's option, in whole or in part, in the order of maturity selected by the County, on September 1, 2029 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations of a specific maturity are redeemed, then such Obligations will be redeemed in multiples of \$5,000 in accordance with Sections 10 and 11 hereof.

Section 10. <u>Manner of Payment/Transfers/Redemption Notices Under Book-Entry System.</u>

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the County appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the County will issue new fully registered Obligations in the same aggregate

principal amount to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender to the Fiscal Agent of the Obligation, the County will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

Section 11. <u>Manner of Payment/Transfers/Redemption Notices Not Under Book-Entry System.</u>

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Obligation by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person or entity in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The County will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the County or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed

redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the Obligations of a particular maturity are to be redeemed, then the County or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date, upon surrender of the Obligation to the Fiscal Agent, the County will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date, to the registered owners of the Obligations to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed optional redemption date, to the registered owners of the Obligations which have been called for optional redemption.

Section 12. Form of Obligations.

The Obligations shall be in substantially the form shown in <u>Exhibit A</u>. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution. The County may cause the approving opinion of bond counsel to be printed or reproduced on the Obligations.

Section 13. <u>Execution of Obligations</u>.

The Obligations shall be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations shall be sealed with the County's corporate seal (or a facsimile), if the County has one, and they shall also be authenticated by the manual signature of an authorized representative of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 14. Continuing Disclosure.

The appropriate officers of the County are directed to sign the Continuing Disclosure Agreement, and the County agrees to comply with all its terms.

Section 15. Sale of Obligations.

The County awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The County approves and accepts the Purchase Agreement. The Municipal Officers are directed (i) to sign the Purchase Agreement in the County's name and (ii) to take any additional actions needed to complete the sale of the Obligations, including arranging for a specific date, time, and location of closing of the sale.

The Financial Officer is directed to comply with the terms of the Notice of Sale with respect to any good-faith deposit requirements.

The Municipal Officers are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser through the facilities of DTC in accordance with the Notice of Sale, the Purchase Agreement, and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by the Notice of Sale.

Unless waived by the Purchaser, the delivery of the Obligations is conditioned upon the County furnishing the following items to the Purchaser:

- (i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.
- (ii) A transcript of the proceedings relating to the issuance of the Obligations.
- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the County to issue them at the time of their delivery.

Section 16. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the County irrevocably pledges its full faith and credit. The County hereby levies upon all taxable property in its territory a direct, annual, and irrepealable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax shall be carried from year to year into the County's tax roll. It shall be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the County's tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account available to pay debt service on the Obligations for such year. The tax for each year the levy is made will be in the following amounts:

Levy Year	Debt Service Amount Due in Following Year	Levy Year	Debt Service Amount Due in Following Year
2021	\$818,700.00	2031	\$833,600.00
2022	808,700.00	2032	813,200.00
2023	598,300.00	2033	849,600.00
2024	595,500.00	2034	855,000.00
2025	602,300.00	2035	840,000.00
2026	638,300.00	2036	825,000.00
2027	672,300.00	2037	810,000.00
2028	704,300.00	2038	795,000.00
2029	759,300.00	2039	780,000.00
2030	792,200.00	2040	765,000.00

Section 17. Debt Service Fund Account.

The County shall create a separate account within the Debt Service Fund solely for the Obligations (the "**Debt Service Fund Account**"), which shall be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Treasurer is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in the Debt Service Fund Account. Any accrued interest received on the date of delivery of the Obligations and the premium, if any, paid to the County by the Purchaser in excess of the stated principal amount of the Obligations shall be deposited into the Debt Service Fund Account and used to pay interest on the Obligations. If the money in the Debt Service Fund Account is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the County will promptly provide the necessary funds to make the payment from other available sources.

Section 18. Borrowed Money Fund.

The sale proceeds of the Obligations (not including any accrued interest or premium received) shall be deposited in and kept by the Treasurer in a separate fund as provided in Section 67.10 (3) of the Wisconsin Statutes. The fund will be designated with both the name of the Obligations and the name Borrowed Money Fund (the "Borrowed Money Fund"). Money in the Borrowed Money Fund, including any earnings, shall be (i) used to pay the costs of the Project and issuing the Obligations or (ii) transferred to the Debt Service Fund Account as provided by law.

Section 19. <u>Official Statement.</u>

The County ratifies and approves the preliminary offering document prepared and distributed in connection with the sale of the Obligations, and the County authorizes and directs the final version of such document (the "Official Statement") to be prepared prior to the issuance of the Obligations; *provided*, *however*, that the Official Statement shall be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers

approve. The Municipal Officers are directed to deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies on behalf of the County. Execution and delivery of the Official Statement will conclusively evidence the approval of the Municipal Officers.

Section 20. Publication of Notice.

The Recording Officer is directed to publish notice that the County has agreed to sell the Obligations. The notice shall be published in the County's official newspaper, as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the execution of the Purchase Agreement. The notice shall be in substantially the form shown in Exhibit B. The Recording Officer shall obtain proof, in affidavit form, of the publication, and shall compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 21. <u>Authorization of Officers</u>.

The appropriate officers of the County are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

- (i) Certified copies of proceedings and records of the County relating to the Obligations and to the financial condition and affairs of the County.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the books and records under the officer's custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose will be representations of the County as to the facts they present.

Section 22. Tax Law Covenants.

The County covenants that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 23. Further Authorization.

The County authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 24. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, that part of the prior action is hereby rescinded.

Section 25. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 26. <u>Effective Date</u>.

This resolution takes effect upon its adoption and approval in the manner provided by law.

KENOSHA COUNTY, WISCONSIN (herein called the "**County**"), hereby acknowledges itself to owe, and for value received promises to pay the Principal Amount to the Registered Owner on the Maturity Date, and to pay interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is due and payable semiannually on each March 1 and September 1, beginning on March 1, 2022, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of bonds (the "**Obligations**") of the County of an aggregate principal amount of \$11,890,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the County pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and is authorized by (1) separate initial resolutions adopted by the governing body of the County on November 10, 2016 and on November 20, 2020 for highway projects; and (2) the resolution duly adopted by the governing body of the County on August 17, 2021, entitled: "A Resolution Authorizing and Providing for the Sale and Issuance of \$11,890,000 General Obligation Highway Improvement Bonds, Series 2021B, and All Related Details" (the "**Resolution**"). The Obligations are issuable only in the form of fully registered bonds.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the County (a "**Depository**"), or in the name of the Depository's nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a "**Book-Entry System**"). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect by Bond Trust Services Corporation, or any successor fiscal agent appointed by the County under Section 67.10 (2) of the Wisconsin Statutes (the "**Fiscal Agent**"), which will act as authentication agent, paying agent, and registrar for the Obligations.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or earlier redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid by the Fiscal Agent on each interest payment date by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person or entity in whose name this Obligation is registered on the register (the "**Register**") maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the "**Record Date**"). The County and the Fiscal Agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of, and interest on, this Obligation, the County has irrevocably pledged its full faith and credit. The County has levied upon all taxable property in its territory a direct, annual, and irrepealable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on and after September 1, 2030 are subject to redemption before their stated maturity dates, at the County's option, in whole or in part, in the order of maturity selected by the County, on September 1, 2029 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations of a specific maturity are redeemed, then such Obligations will be redeemed in multiples of \$5,000 as set forth below.

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the County appoints a successor securities depository. If that happens, then upon the

surrender of the Obligations to the Fiscal Agent, the County will issue new fully registered Obligations in the same aggregate principal amount to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender to the Fiscal Agent of the Obligation, the County will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The County will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the County or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the County or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date, upon surrender of the Obligation to the Fiscal Agent, the County will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date, to the registered owners of any Obligations to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed optional redemption date, to the registered owners of the Obligations which have been called for optional redemption.

The County certifies, recites, and declares that all acts, conditions, and procedures required by law to exist, to have happened, and to be performed, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been performed in regular and due form, time, and manner as required by law; that the indebtedness of the County, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrepealable tax has been levied by the County sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

IN WITNESS WHEREOF, the County, by its governing body, has caused this Obligation to be executed in its name and on its behalf by the manual or facsimile signatures of its County Board Chairperson and Clerk and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of the Original Issue Date.

- 3. On November 6, 2019, the Governing Body adopted initial resolution number 2019-46 for the purposes and in the maximum amount authorized as set forth in paragraph 1(b) above ("**Initial Resolution 2019-46**"). Of the \$12,865,000 maximum borrowing amount authorized by Initial Resolution 2019-46, the County previously borrowed \$12,850,000 in connection with the issuance of the 2020C Notes. As of the date of this resolution, \$15,000 of the maximum borrowing amount authorized by Initial Resolution 2019-46 remains available.

- 4. On November 12, 2020, the Governing Body adopted initial resolution number 2020-50 for the purposes and in the maximum amount authorized as set forth in paragraph 1(c) above ("**Initial Resolution 2020-50**"). The County has not previously borrowed under the authority granted by Initial Resolution 2020-50; therefore, as of the date of this resolution, the maximum borrowing amount of \$15,240,000 authorized by Initial Resolution 2020-50 remains available.
- 5. Each initial resolution described in the preceding paragraphs was (i) adopted by an affirmative vote of at least three-fourths of the members-elect (as defined in Section 59.001 (2m) of the Wisconsin Statutes) of the Governing Body in accordance with Section 67.045(1)(f) of the Wisconsin Statutes, and (ii) approved and signed by the County Executive in accordance with Section 59.17(6) of the Wisconsin Statutes.
- 6. The County may choose to issue one or more separate series of obligations to finance portions of the Project.
- 7. The Governing Body deems it in the best interests of the County that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project, pursuant to the provisions of Section 67.12 (12) of the Wisconsin Statutes, and upon the terms and conditions set forth below.
- 8. On July 20, 2021, the Governing Body adopted a resolution (the "**Authorizing Resolution**") authorizing the notification and sale of, and set forth certain details relating to, the County's General Obligation Promissory Notes, Series 2021A (the "**Obligations**") authorized to be issued by this resolution.
- 9. The County Clerk caused notice of the sale of the Obligations (the "**Notice to Bidders**") to be given to media typically monitored by potential bidders in the manner and form directed by the Authorizing Resolution. The Notice to Bidders is made of record in these proceedings, and the Governing Body ratifies the Notice to Bidders.
- 10. In accordance with the Notice to Bidders and the bidding terms that were included in the document that was used for offering the Obligations for sale by competitive bid (the "**Notice of Sale**"), written bids for the sale of the Obligations were received and delivered to the Governing Body.
- 11. The Governing Body has considered all the bids it received. The Governing Body has decided to accept the bid of Piper Sandler & Co. (the "**Purchaser**"), or a group that it represents, to purchase the Obligations on the terms specified in the Purchaser's bid. The Purchaser bid the price of \$16,159,598.87 for the entire issue of Obligations (the "**Purchase Price**"), plus any accrued interest, and specified that the Obligations maturing on September 1 in the years shown below will bear interest at the respective interest rates shown below:

2031	1,645,000	1.50

- 12. The Purchaser's bid complies with all terms of the Notice to Bidders and the Notice of Sale.
- 13. The County has taken all actions required by law and has the power to sell and issue the Obligations.
- 14. The Governing Body is adopting this resolution to sell the Obligations and provide for their issuance upon the terms and conditions set forth in this resolution.

Section 3. <u>Purposes of Borrowing; Issuance of Obligations.</u>

The Governing Body authorizes the Obligations and orders that they be prepared, executed, and issued. The Obligations will be fully registered, negotiable, general obligation promissory notes of the County in the principal amount of \$15,445,000. The Obligations will be issued pursuant to the Initial Resolutions and the provisions of Section 67.12 (12) of the Wisconsin Statutes to pay the costs of the Project and certain expenses of issuing the Obligations (including printing costs and fees for financial consultants, bond counsel, fiscal agent, rating agencies, bond insurance, and registration, as applicable).

Section 4. <u>Terms of Obligations.</u>

The Obligations will be named "Kenosha County, Wisconsin General Obligation Promissory Notes, Series 2021A." The Obligations will be dated the Original Issue Date, even if they are actually issued or executed on another date. Each Obligation will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Obligation will be \$5,000 or any multiple thereof up to the principal amount authorized for that maturity.

The Obligations will bear interest from the Original Issue Date. Interest will be due and payable semiannually on each March 1 and September 1, beginning on March 1, 2022, until the principal of the Obligations has been paid. The Obligations will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Obligations. The County and the Fiscal Agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligations

for all purposes whatsoever under this resolution. The following table shows when the Obligations will mature and the rate of interest each maturity will bear:

Maturity Date		
(September 1)	Principal Amount	Interest Rate
2022	\$1,275,000	2.00%
2023	1,575,000	2.00
2024	1,625,000	2.00
2025	1,475,000	2.00
2026	1,485,000	2.00
2027	1,505,000	2.00
2028	1,580,000	2.00
2029	1,635,000	1.50
2030	1,645,000	1.50
2031	1,645,000	1.50

The principal of, and interest on, the Obligations will be payable in lawful money of the United States of America.

Section 5. <u>Fiscal Agent.</u>

The County appoints the Fiscal Agent to act as authentication agent, paying agent, and registrar for the Obligations. The appropriate officers of the County are directed to enter into a fiscal agency agreement with the Fiscal Agent on behalf of the County. The fiscal agency agreement may provide for the County to pay the reasonable and customary charges of the Fiscal Agent for those services. The fiscal agency agreement shall require the Fiscal Agent to comply with all applicable federal and state regulations. Among other things, the Fiscal Agent shall maintain the Register.

Section 6. Appointment of Depository.

The County appoints DTC to act as securities depository for the Obligations. An authorized representative of the County has previously executed a blanket issuer letter of representations with DTC on the County's behalf, and the County ratifies and approves that document.

Section 7. Book-Entry System.

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the County's relationship with DTC is terminated, then the County may appoint another securities depository to maintain the Book-Entry System.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the County will do the following:

- (i) At its expense, the County will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully-registered, certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The County will appoint a fiscal agent to act as authentication agent, paying agent, and registrar for the Obligations under Section 67.10 (2) of the Wisconsin Statutes (the Fiscal Agent may be reappointed in this capacity).

Section 8. Redemption.

The Obligations maturing on and after September 1, 2029 are subject to redemption before their stated maturity dates, at the County's option, in whole or in part, in the order of maturity selected by the County, on September 1, 2028 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations of a specific maturity are redeemed, then such Obligations will be redeemed in multiples of \$5,000 in accordance with Sections 9 and 10 hereof.

Section 9. <u>Manner of Payment/Transfers/Redemption Notices Under Book-Entry System.</u>

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Obligations are transferable only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the County appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the County will issue new fully registered Obligations in the same aggregate principal amount to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial

owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender to the Fiscal Agent of the Obligation, the County will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

Section 10. <u>Manner of Payment/Transfers/Redemption Notices Not Under</u> Book-Entry System.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Obligation by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person or entity in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The County will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the County or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the Obligations of a particular maturity are to be redeemed, then the County or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date, upon surrender of the Obligation to the Fiscal Agent, the County will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date, to the registered owners of the Obligations to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed optional redemption date, to the registered owners of the Obligations which have been called for optional redemption.

Section 11. Form of Obligations.

The Obligations shall be in substantially the form shown in <u>Exhibit A</u>. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution. The County may cause the approving opinion of bond counsel to be printed or reproduced on the Obligations.

Section 12. Execution of Obligations.

The Obligations shall be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations shall be sealed with the County's corporate seal (or a facsimile), if the County has one, and they shall also be authenticated by the manual signature of an authorized representative of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 13. Continuing Disclosure.

The appropriate officers of the County are directed to sign the Continuing Disclosure Agreement, and the County agrees to comply with all its terms.

Section 14. <u>Sale of Obligations</u>.

The County awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The County approves and accepts the Purchase Agreement. The Municipal Officers are directed (i) to sign the Purchase Agreement in the County's name and (ii) to take any additional actions needed to complete the sale of the Obligations, including arranging for a specific date, time, and location of closing of the sale.

The Financial Officer is directed to comply with the terms of the Notice of Sale with respect to any good-faith deposit requirements.

The Municipal Officers are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser through the facilities of DTC in accordance with the Notice of Sale, the Purchase Agreement, and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by the Notice of Sale.

Unless waived by the Purchaser, the delivery of the Obligations is conditioned upon the County furnishing the following items to the Purchaser:

- (i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.
- (ii) A transcript of the proceedings relating to the issuance of the Obligations.
- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the County to issue them at the time of their delivery.

Section 15. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the County irrevocably pledges its full faith and credit. The County hereby levies upon all taxable property in its territory a direct, annual, and irrepealable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax shall be carried from year to year into the County's tax roll. It shall be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the County's tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account available to pay debt service on the Obligations for such year. The tax for each year the levy is made will be in the following amounts:

Levy Year	Debt Service Amount Due in Following Year
2021	\$1,559,275.00
2022	1,833,775.00
2023	1,852,275.00
2024	1,669,775.00
2025	1,650,275.00
2026	1,640,575.00
2027	1,685,475.00
2028	1,708,875.00
2029	1,694,350.00
2030	1,669,675.00

Section 16. Debt Service Fund Account.

The County shall create a separate account within the Debt Service Fund solely for the Obligations (the "**Debt Service Fund Account**"), which shall be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Treasurer is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in the Debt Service Fund Account. Any accrued interest received on the date of delivery of the Obligations and the premium, if any, paid to the County by the Purchaser in excess of the stated principal amount of the Obligations shall be deposited into the Debt Service Fund Account and used to pay interest on the Obligations. If the money in the Debt Service Fund Account is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the County will promptly provide the necessary funds to make the payment from other available sources.

Section 17. Borrowed Money Fund.

The sale proceeds of the Obligations (not including any accrued interest or premium received) shall be deposited in and kept by the Treasurer in a separate fund as provided in Section 67.10 (3) of the Wisconsin Statutes. The fund will be designated with both the name of the Obligations and the name Borrowed Money Fund (the "Borrowed Money Fund"). Money in the Borrowed Money Fund, including any earnings, shall be (i) used to pay the costs of the Project and issuing the Obligations, or (ii) transferred to the Debt Service Fund Account as provided by law.

Section 18. <u>Official Statement</u>.

The County ratifies and approves the preliminary offering document prepared and distributed in connection with the sale of the Obligations, and the County authorizes and directs the final version of such document (the "Official Statement") to be prepared prior to the issuance of the Obligations; *provided*, *however*, that the Official Statement shall be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers are directed to deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies on behalf of the County.

Execution and delivery of the Official Statement will conclusively evidence the approval of the Municipal Officers.

Section 19. <u>Publication of Notice</u>.

The Recording Officer is directed to publish notice that the County has agreed to sell the Obligations. The notice shall be published in the County's official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the execution of the Purchase Agreement. The notice shall be in substantially the form shown in Exhibit B. The Recording Officer shall obtain proof, in affidavit form, of the publication, and shall compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 20. <u>Authorization of Officers</u>.

The appropriate officers of the County are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

- (i) Certified copies of proceedings and records of the County relating to the Obligations and to the financial condition and affairs of the County.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the books and records under the officer's custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose will be representations of the County as to the facts they present.

Section 21. Tax Law Covenants.

The County covenants that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 22. Further Authorization.

The County authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 23. <u>Conflict with Prior Acts.</u>

In case any part of a prior action of the Governing Body conflicts with this resolution, that part of the prior action is hereby rescinded.

Section 24. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

KENOSHA COUNTY, WISCONSIN (herein called the "**County**"), hereby acknowledges itself to owe and for value received promises to pay the Principal Amount to the Registered Owner on the Maturity Date, and to pay interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is due and payable semiannually on each March 1 and September 1, beginning on March 1, 2022, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of notes (the "**Obligations**") of the County of an aggregate principal amount of \$15,445,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the County pursuant to the provisions of Section 67.12 (12) of the Wisconsin Statutes, and is authorized by (1) separate initial resolutions adopted by the governing body of the County on November 8, 2017, November 6, 2019, and November 12, 2020 and (2) the resolution duly adopted by the governing body of the County on August 17, 2021, entitled: "A Resolution Authorizing and Providing for the Sale and Issuance of \$15,445,000 General Obligation Promissory Notes, Series

2021A, and All Related Details" (the "**Resolution**"). The Obligations are issuable only in the form of fully registered notes.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the County (a "**Depository**"), or in the name of the Depository's nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a "**Book-Entry System**"). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect by Bond Trust Services Corporation, or any successor fiscal agent appointed by the County under Section 67.10 (2) of the Wisconsin Statutes (the "**Fiscal Agent**"), which will act as authentication agent, paying agent, and registrar for the Obligations.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or earlier redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid by the Fiscal Agent, on each interest payment date, by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person or entity in whose name this Obligation is registered on the register (the "**Register**") maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the "**Record Date**"). The County and the Fiscal Agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of and interest on this Obligation, the County has irrevocably pledged its full faith and credit. The County has levied upon all taxable property in its territory a direct, annual, and irrepealable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on and after September 1, 2029 are subject to redemption before their stated maturity dates, at the County's option, in whole or in part, in the order of maturity selected by the County, on September 1, 2028 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations of a specific maturity are redeemed, then such Obligations will be redeemed in multiples of \$5,000 as set forth below.

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the County appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the County will issue new fully registered Obligations in the same aggregate principal amount to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender to the Fiscal Agent of the Obligation, the County will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The County will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the County or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the County or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date, upon surrender of the Obligation to the Fiscal Agent, the County will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date, to the registered owners of any Obligations to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed optional redemption date, to the registered owners of the Obligations which have been called for optional redemption.

The County certifies, recites, and declares that all acts, conditions, and procedures required by law to exist, to have happened, and to be performed, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been performed in regular and due form, time, and manner as required by law; that the indebtedness of the County, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrepealable tax has been levied by the County sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

JUL 2 6 2021

RECIBACHOCHIN
COUNTY CLERK

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 6, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2019CM000287 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 6, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

Respectfully submitted in the best interest of the public,

Mr. Kit Stilwell

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 5, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000592.

According to the minutes for case 2018CM000592, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 5, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Respectfully submitted in the best interest of the public,

Mr. Kit Stilwell

Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 5, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000592 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 5, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000592 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 4, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000214.

According to the minutes for case 2018CM000214, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 4, 2021, I have not received a cash bond or a copy of a cash bond from anyone. Subject: Notice of Claim.

To Kenosha County Clerk:

According to the minutes for case 2019CM000287, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of <u>April 12, 2021</u>, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000592 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 10, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000592 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 19, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000214.

According to the minutes for case 2018CM000214, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of <u>April 19, 2021</u>, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2019CM000287 that no longer exist because the deadline for a trial expired over 2 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 16, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.
