Personal Statement: Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I welcome the nomination from the president of Aurora Medical Center Kenosha to serve as the AdvocateAurora Healthcare representative for the Kenosha County Local Emergency Planning Committee. I hope to bring my years of training and real world experiences to the Kenosha County Local Emergency Planning Committee. I am currently the manager of safety and emergency management for the southeast patient service area, an area consisting of Kenosha and Racine and have been in this role since the beginning of this year. Previously I worked for Amazon developing, implementing, and testing internal emergency response plans across the country in coordination with local and state governments while serving in an environmental, health and safety role. I have spent eleven years working on the front lines of emergencies as a firefighter and paramedic while receiving formal training in emergency management from Purdue University, the Department of Homeland security and FEMA in the fields of chemical, biological, radiological, nuclear and explosives along with natural disasters. Notable large emergency management responses I have been involved with have been due to Hurricane Harvey in Houston and the Covid 19 pandemic in southeastern Wisconsin.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I moved to Kenosha, WI almost 7 years ago from Wisconsin Rapids, WI. A city in which has less than 20,000 people; a fifth of the city of Kenosha's population. I came from a city/county with not much young, ethnic, and diverse city officials or committee members. Kenosha is much different in many ways. Kenosha has a very diverse population in racial and ethnic backgrounds we need more representation to fulfill these voices. Coming from a Native American and Mexican background in culture and everyday values; I am one of those people. My representation on the Racial and Ethnic Equity Commission would be useful to reach out into the communities of not just my racial background, but others as well. As a county of almost 170,000 people we have many ethnic groups that do not have their race or culture being recognized to the fullest potential. More specifically, looking at the most recent census of Kenosha County on July 1st, 2019, Native American's only makeup 0.8% of the total Kenosha County population. These people deserve to have their voices heard. Now is the time for myself to step up and become the voice my two ethnic groups need. Not only will my voice and background help in race and ethnicity, but also as a member of the LGBTQ+ community. My role being a young openly gay Native man is helpful with how many people this committee will serve and represent. I truly believe being a young voice with two different backgrounds and representing all LGBTQ+ individuals, I can contribute many solutions to any problem(s) that the county of Kenosha might endure.

Thank you.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I believe that Kenosha County is at a critical crossroads in the process of identifying and implementing actions to respond to inequities due to race, national origin and ancestry. Indeed, in my view the need for governmental action in this regard is critical and overdue. Although I have no certainty about solutions and welcome the opportunity to join community members in a search for them, I have no doubt that these equity problems exist and demand individual and community responses.

My wife, Dena Feingold and I, are lifelong Wisconsin residents and have made our home in Somers for more than three decades. Together, we have worked to improve our understanding, consciousness and empathy concerning matters of race, national origin and other legally protected characteristics, while being mindful of the our limited understanding given that we are white.

Since 1981, I have served as an attorney focusing on employment law matters, generally, and civil rights in particular. I hope that as an advocate for and counselor of both employees and employers in such matters, my professional training and experience may be of value to the community as a member of this commission.

BRADDEN C. BACKER works at Backer Employment Law, LLC in southeast Wisconsin. He provides both employers and employees with advice and representation concerning a full range of employment matters and civil rights concerns. In addition, he has served as an independent investigator of harassment and a wide variety of other employment-related complaints and issues. Since 2012, Brad also has served as a mediator in a variety of employment/ business disputes, assisting the parties in resolving most of these matters without additional litigation.

Brad was selected as a "Wisconsin Top Lawyer"/ "Super Lawyer," a designation limited to five percent of Wisconsin attorneys, in a statewide vote of his peers since 2005 -- every year the designation was awarded in Wisconsin. He also was included in editions of "Best Lawyers in America," beginning in 2008 for his work in employment law for work representing both Management and individuals. In 2016 and 2018, he was named a "Lawyer of the Year" by the Wisconsin edition of "Best Lawyers" magazine for his representation of individuals in employment matters. He has been named a "Top Rated Labor & Employment" lawyer by Martindale-Hubbell for many consecutive years.

A frequent speaker at seminars and universities on employment issues, he is a co-author of the Wisconsin State Bar's three-volume *Wisconsin Employment Law* treatise and *Hiring and Firing in Wisconsin*, the latter an award-winning publication. Brad is co-author of *Wisconsin Courts Struggle with Geography in Non-Solicitation Agreements*, and *ADA and WFEA: Differing Disability Protection*. He is the author of *The Scope of Wisconsin's Privacy Statute*, and *New Directions in Wisconsin Restrictive Covenant Law After "Star Direct,"* all articles published in "The Wisconsin Lawyer."

After completing his undergraduate degree in medieval European history, Phi Beta Kappa, at the University of Wisconsin - Madison in 1978, Brad learned that this degree was extremely interesting, but useless if he was interested in food and shelter. Lacking a clear direction in life, he chose to pursue an education in law, graduating from the University of Wisconsin Law School in 1981, where he also was selected to the Order of the Coif, served as a judicial intern to the late Hon. Thomas E. Fairchild of the Seventh Circuit Court of Appeals and was an author and editor on *The Wisconsin Law Review*. After graduation, he served as a clerk to the late Hon. John D. Butzner, Jr. of the United States Court of Appeals for the Fourth Circuit.

Brad and his wife, Rabbi Dena Feingold, have lived in Kenosha for over thirty years. They have two children of whom they are extremely proud.

Re: Interactions with County Government

May 26, 2021

In the past five years I have had a variety of interactions doing business with the Kenosha County Government. Mainly through the work I do at a family law practice located in downtown Kenosha, going to the Court House, District Attorney's office or the Register of Deeds for documents. Additionally for personal reasons at times, having to procure my child's birth certificate and for the Deed to my home; having to appear in court for my own cases, as well as having to speak to the District Attorney's for cases involving people I know.

Most recently, besides the interactions required through work, I have purchased plants through the county public works offering local plants at an affordable price.

Mimi Yang,

SPECIAL INTERESTS: Indicate organizations or activities in which you have a special interest but may not have been actively involved.

(1) Working with public libraries in Kenosha for lectures, workshops, and seminars on themes that define the commission -- race relation, racial history, American cultural identity, patriotism, and democracy. Design and deliver these outreach activities with an across-the-board audience in mind.

(2) Working with Kenosha County government on public and open forums to map out where we are with the vision and mission of the commission, and the path to create a culturally inclusive and racially diverse Kenoshan model/brand of racial and ethnic equity.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

PERSONAL STATEMENT

My contributions to the Racial and Ethnic Equity Commission cannot be in isolation from its context, its vision, and its mission.

The Context

The creation of the Kenosha Racial and Ethnic Equity commission synergizes with the racial reckoning nationwide, especially in the wake of the death of George Floyd, the shooting of Jacob Blake, the rise of anti-Asian hate crimes during the pandemic, and the renewed controversy over the surge of illegal immigration at the southern border. Kenosha is not immune, and in fact, mirrors race relations, political tribalism, culture identities, and educational challenges that the nation is facing.

The Vision and Mission

Three integral fronts of the commission -- research, education, and policy reviewing/implementing -- set our county on par with national debates and inquiries, and engage a local effort to depolarize, to heal, and to connect across racial, ethnical, and cultural backgrounds. The vision of the commission needs thinkers to articulate and promote; the mission of the commission needs doers to carry out and be hands-on. It is self-evident that the success of the commission depends on the skills, experiences, knowledge, and minds of its members; most importantly, on the integration of the thinking and the doing.

I see myself fit into the context, the vision, and the mission of the commission in the following three ways:

1. Research and articulation

My entire life and career speaks of race relations, intercultural communication, and depolarized worldviews. Growing up and educated in the English, Spanish, and Chinese speaking worlds, and with a native fluency in these three languages, firsthand and in the trenches, I engage teaching, scholarship, and community services around the projects and themes related to histories, societies, politics, and people from these worlds on a daily basis. As a professor in higher education, I published extensively, in both Spanish and English, on themes related to Latin American postmodernism and multiculturalism. Now as a New England Regional Fellow at the Massachusetts Historical Society, I have built a track-record of publications and writings on Americanism, women's suffrage movement, and current race relations, and political divides in the U.S. My works have been translated to different languages. Please refer to the appendix for the publications that I have authored.

Over decades, my strengths have been evident in research, scholarship, writing, and articulation of the issues that shape the core of an individual's cultural identity as well as the living and breathing themes of multicultural democracy and multiracial patriotism. Any execution of activities and projects needs to be guided by a mind and a soul; any "what" needs to be understood and justified by "why." My background as scholar/researcher would contribute to the commission with the articulation of vision and mission in a

Kenosha context. My background as educator would help with pedagogical methods of teaching racial and cultural themes to an across-the-board audience.

A Pleasant Prairie resident, I was named a New England Regional Fellow last year and now engage my research and scholarship on race relations, multiracial democracy, and multicultural patriotism at the Massachusetts Historical Society in Boston – the bosom of American history, situated in the forefront of national debates on race, gender, immigration, democracy, and patriotism. Living between Kenosha and Boston, I can serve as a needed bridge between the local and the national.

2. Education and hands-on projects

At Carthage, as a Spanish professor who set up the Chinese program, I brought seemingly distant cultures and languages together in an increasingly globalized and multicultural curriculum. As a scholar, I have conducted research to parallel histories and societies in North and Latin Americas, thus bringing the English and Spanish speaking worlds together. 20 years ago, my Chinese language and culture expertise proved to be an asset to help Kenosha county with the Kenosha- Huairou (a suburban area in Beijing) sister county project. All this testifies that classroom integration of cultures and languages can be translated to community work and bridge cultures and people from different racial and ethnic backgrounds in Kenosha County. I am a hands-on scholar and would like to put my cultural knowledge and expertise to practical use for our County from the platform of the Racial and Ethnic Equity Commission.

3. Linguistic ability

I have native fluency in English, Spanish, and Chinese. These are three languages spoken by more than half of the world population in the 21st century – Chinese has 1.4 billion speakers, English more than 2 billion, and Spanish 700 million. There are more than 52 million Spanish speakers in the US, and more than 22 million Asian Americans living in the country. Already involved in the local Hispanic community, I can continue to use my linguistic strength to help the commission reach out to and gain trust from the locally and racially diverse people who speak these languages.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I served and retired from the Army after 23 years. I have a very broad perspective of people all over the world. I have served on several boards in the Kenosha community and have been very active in several Kenosha community based organizations. I bring a vast knowledge of African American history through my education and from living in many different communities. I went to segregated schools and lived in Jim Crow cities as a child.

I believe that Kenosha has great potential to be an inclusive and diverse community and I would like to be part of the building block.
