Local Emergency Planning Committee

Personal Statement: I have been designated by Interim Chief Larsen of the Kenosha Police Department to be the representative for the Kenosha Police Department on the Local Emergency Planning Committee.

I would be a valuable addition to the planning committee due to my numerous years of experience in law enforcement, which is supplemented by my education and training. I have had the experience of being involved in numerous high-profile events that have occurred in Kenosha such as; severe storms or tornadoes, special dignity events, civil unrest, protests, and hostile crime scenes.

I have displayed an ability to work and cooperate with others, communicate effectively and collaborate with other agencies to accomplish a goal or task.

I believe my education, training and experiences along with my prior knowledge of the systems and protocols of the EOC and emergency planning systems make me a valuable addition to the committee.

Personal Statement: Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I welcome the nomination from the president of Aurora Medical Center Kenosha to serve as the AdvocateAurora Healthcare representative for the Kenosha County Local Emergency Planning Committee. I hope to bring my years of training and real world experiences to the Kenosha County Local Emergency Planning Committee. I am currently the manager of safety and emergency management for the southeast patient service area, an area consisting of Kenosha and Racine and have been in this role since the beginning of this year. Previously I worked for Amazon developing, implementing, and testing internal emergency response plans across the country in coordination with local and state governments while serving in an environmental, health and safety role. I have spent eleven years working on the front lines of emergencies as a firefighter and paramedic while receiving formal training in emergency management from Purdue University, the Department of Homeland security and FEMA in the fields of chemical, biological, radiological, nuclear and explosives along with natural disasters. Notable large emergency management responses I have been involved with have been due to Hurricane Harvey in Houston and the Covid 19 pandemic in southeastern Wisconsin.

PAYMENT TO SUPERVISORY STAFF AT THE KENOSHA COUNTY SHERIFF'S DEPARTMENT

Whereas, salaried supervisory employees at the Kenosha County Sheriff's Department are NOT paid for overtime hours in the performance of their duties and;

Whereas, these salaried employees includes, the Chief Deputy, Captains, Lieutenants, Sergeants, and;

Whereas, they worked in some cases as many as 100 hours per week during the riots of August 2020, in an atmosphere of Covid and danger;

Whereas, it is unfair to expect them to work overtime for free and;

Whereas, the American Rescue Plan Act can provide some of the funding;

Whereas, many deputies do not apply for supervisory command positions because of non-payment of overtime, and;

Whereas, this change in compensation will address that problem and is consistent with fairness.

Now therefore be it resolved and enacted by the Kenosha County Board of Supervisors as follows:

1. Commencing January 1, 2022, Kenosha County Sheriff's Department Chief Deputy, Captains, Lieutenants, and Sergeants be paid overtime at a rate of time and one half;
