Bylaws for Kenosha County Board of Health

Article 1: Name

1.1 The name of this board shall be the Kenosha County Board of Health, hereinafter referred to as the Board.

Article 2: Authority

2.1 The Board is established pursuant to Wis. Stat. §§ 251.04(1) and 251.01(2)(a) and Kenosha County 1992 Resolution No. 150, later amended by 2008 Resolution 92. Under state law, the Board is the advisory and policy-making body for the Kenosha County Division of Health and shall advise the Kenosha County Division of Health.

2.2 The Board adopts these Bylaws pursuant to its authority under Wis. Stat. § 251.04(3) to adopt regulations for its own guidance and for the local health department. The Board's Bylaws may be no less stringent than, and may not conflict with, state statutes and rules of the Wisconsin Department of Health Services ("DHS").

Article 3: Powers and Duties

3.1 The Board's powers and duties are established by state law and set forth in Wis. Stat. § 251.04 as may be amended from time to time.

Article 4: Composition

4.1 The composition of the Board members is prescribed in part by Wis. Stat. § 251.03. A local board of health shall consist of not more than 9 members, at least 3 shall not be elected officials or employees of the governing body. A good faith effort shall be made to appoint a registered nurse and a physician. Members of the local board of health shall reflect the diversity of the community.

4.2 For Kenosha County, in addition to the above, member make up will consist of: one City of Kenosha appointed representative, one Kenosha County Board member, and the balance with efforts to recruit persons with backgrounds and appropriate education credentials in fields representing the social determinants of health, including, but not limited to law enforcement, mental health, housing, transit, and commerce, and persons with backgrounds in science or public health. Board members shall be current members in good standing of the professional associations representing their respective professions.

4.3 The Kenosha County Executive shall appoint members to the Board of Health, subject to confirmation by the county board of supervisors. Upon any vacancy, names can be submitted to the County Executive who will make the final determination. The term of service on the Board of Health shall be for five years and the appointment to the Board shall provide for staggered terms as may be amended from time to time by State Statute.

4.4 Board officers shall be elected by the Board at the Board's Annual Meeting in January of each year, or upon vacancy, and shall include a President and Vice-President. No one Board member can serve in the same officer role for more than three consecutive one-year terms.

4.5 The President shall:

- a. Preside at all meetings of the full Board and enforce the parliamentary rules.
- b. Have the authority to vote on all matters, except as otherwise prohibited by law.

- c. Call special meetings of the Board whenever there is enough business to come before the Board, upon written request of at least three (3) members of the Board, or upon written request of the Health Officer/Director.
- d. Advise the Health Officer/Director, or their designee, on agenda preparation for the meetings.
- e. Sign all papers and documents as required by law or as authorized by action of the Board.
- f. Exercise such other powers as may be delegated by the Board.
- g. The President, in consultation with the Vice-President, will designate a Board member to preside over meetings of the full Board, and enforce the parliamentary rules in the absence of the President and Vice-President.

4.6 The Vice-President shall, in the absence of the President, serve in the capacity and assume the duties of the President, taking actions appropriate to fulfill said responsibilities.

4.7 Committees which include non-Board members may be created by Board action with a simple majority vote. The size, membership, and responsibilities of these committees are determined by the Board. These committees may also be subject to the Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

4.8 No member of the Board can bind the Board by word or action unless the Board has, in its capacity as advising body, designated such member as its agent for some specific purpose and for that purpose only.

4.9 Each Board member shall participate in orientation upon appointment.

- a. Board of Health members are expected to become knowledgeable about the duties, operations, and functions of the Division of Health/Health Department through reading of materials, consultation with the Health Officer/Director, Health Department staff presentations, membership in the Wisconsin Association of Local Health Departments and Boards (WALHDAB), and, when available, participation in State of Wisconsin Department of Health Services training and/or conferences.

Article 5: Meetings

5.1 The Board shall hold its regular meetings as frequently as determined by the Board, but minimally quarterly. All meetings of the Board must abide by Wisconsin's Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

5.2 The Health Officer/Director, or their designee, shall prepare the agenda for the Board in consultation with, and at the direction of, the President. The order of business as specified on the Agenda for Board meetings may be changed at the discretion of the President.

5.3 Meetings will follow parliamentary procedure as contained in Robert's Rules of Order.

5.4 Special meetings may be called either by the President, or, in the case of their absence, the Vice- President, by written request of at least three (3) members of the Board of Health or the Health Officer/Director. Special meetings must adhere to Wisconsin's Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

5.5 In all cases, public notice of meetings shall be provided at a time and in a manner consistent with the requirements of Wisconsin's Open Meetings Law, Wis. Stat. § 19.81, *et. seq.*

5.6 All questions before the Board shall be decided by a majority vote of all members present; however, no meeting shall be counted as official unless a quorum of the members is present. A quorum shall be a majority of the members, or such a number as defined by the Board.

Article 6: Attendance

6.1 Board members are expected to provide notice to the Board, through the Health Officer/Director or their designee, if they are unable to attend Board meetings in writing at least 24 hours in advance of the meeting. Reasonable efforts will be made to schedule meetings during times that work for all Board members.

6.2 Members of the Board may participate in a meeting by means of conference telephone/videoconference or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this method shall constitute presence in person at such meeting.

6.3 A Board member can send a designee to meetings in the member's place, if designated in writing at least 48 hours before the meeting. The designee is not able to vote on behalf of the Board member.

6.4 Board members who miss four (4) meetings in a row or miss at least half of the meetings in a year may be referred to the County Board with a recommendation that the board member be removed from office under Wis. Stat. § 17.12.

Article 7: Conflicts of Interest

7.1 Board members shall avoid all conflicts of interest or the appearance of such conflicts. Most Board members have outside business and professional interests. Board members may not use their position on the Board to further their outside business or employment. Board members shall not accept any gifts, gratuities, trips, personal property, or other items of value from an outside person or organization as an inducement to do business or provide services. Board members shall not abuse their positions by using any services, staff, equipment or property for their personal or family use, or for the use of any organization they are affiliated with.

a. All Board members must complete the Kenosha County Ethics Code for Officials and Employees (Chapter 20) Statement of Economic Interest and Financial Disclosure annually.

b. A member who knowingly has a conflict of interest or believes they have a potential conflict of interest on any matter before the Board shall declare such conflict of interest prior to any discussion of the matter and shall refrain from any participation in discussion, debate, or voting on such matter.

c. The Board shall make a request for a confidential advisory opinion from the Kenosha County Corporation Counsel regarding whether an actual conflict of interest exists under the Kenosha County Ethics Code.

d. Any member who has reason to believe that another member has a potential conflict of interest shall state the potential conflict of interest to the Board, at which point the Board shall make a request for a confidential advisory opinion from the Kenosha County Corporation Counsel regarding whether an actual conflict of interest exists under the Kenosha County Ethics Code. If the Corporation Counsel determines that an actual conflict of interest exists, the member with the conflict shall refrain from any participation in discussion, debate or voting on the matter at issue.

Article 8: Reimbursement for Expenses of Members of Board of Health

8.1 Board members shall serve without compensation. Board members *may* be reimbursed for actual, necessary expense incurred in the performance of their duties, such as attendance at conferences or other meetings deemed necessary.

Article 9: Review and Amendments

9.1 The Board shall review these Bylaws every two years.

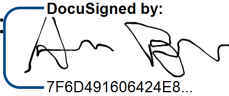

9.2 These Board Bylaws may be amended, when determined by the Board, by affirmative vote of a majority of all members of the Board, provided that a notice of the proposed changes be sent to each member at least two weeks before the meeting at which the bylaws are to be amended.

Article 9: Effective Date

9.1 These Board Bylaws shall become effective and binding upon the Board of Health immediately upon their adoption.

DATE & TIME OF ACCIDENT OR LOSS November 15, 2020 at 11:25AM

LOCATION OF ACCIDENT Washington Road (38th Street; Highway S),
just east of Highway EA.

DESCRIPTION OF ACCIDENT OR LOSS While driving west on Washington Road
(38th St/Hwy S), a construction barrier was left unstablized so it had shifted from
the edge of the road (the road is under construction so there is no proper shoulder) into
the driving lane. Since the construction barrier was left unstablized, it was shifting in the
wind and it knocked into the passenger side mirror of my car while I drove past. The wind
was extremely high that day (the National Weather Service climate data is
attached). The construction barrier should have been stablized by either sand
bags or not positioned so close to the driving lane.

Claim against Kenosha County

Description of Accident or Loss Continued:

This construction on Washington Road (38th Street/Highway S) is a Kenosha County project. I have attached the two most recent project updates for County Highway S provided by Kenosha County. These updates are dated November 11, 2020 and December 2, 2020. This accident occurred on November 15, 2020. According to the project updates, Highway S was open for active traffic. There were no scheduled day time closures. The County should have made sure that the construction barriers were positioned safely away from the available traffic lanes so no issues would arise.

I have attached estimates from three different local auto repair businesses. I ask that the County pay for full cost of the required repair from this incident.

Lunar Elevation on November 15, 2020

Elevation of the center of the Moon above (positive) or below (negative) the horizon (black line). Civil twilight and night are indicated by shaded overlays.

Humidity

We base the humidity comfort level on the dew point, as it determines whether perspiration will evaporate from the skin, thereby cooling the body. Lower dew points feel drier and higher dew points feel more humid. Unlike temperature, which typically varies significantly between night and day, dew point tends to change more slowly, so while the temperature may drop at night, a muggy day is typically followed by a muggy night.

Muggy conditions are essentially unheard-of in Kenosha on November 15.

Humidity Comfort Levels on November 15

The percentage of time spent at various humidity comfort levels, categorized by dew point. Civil twilight and night are indicated by shaded overlays.

Wind

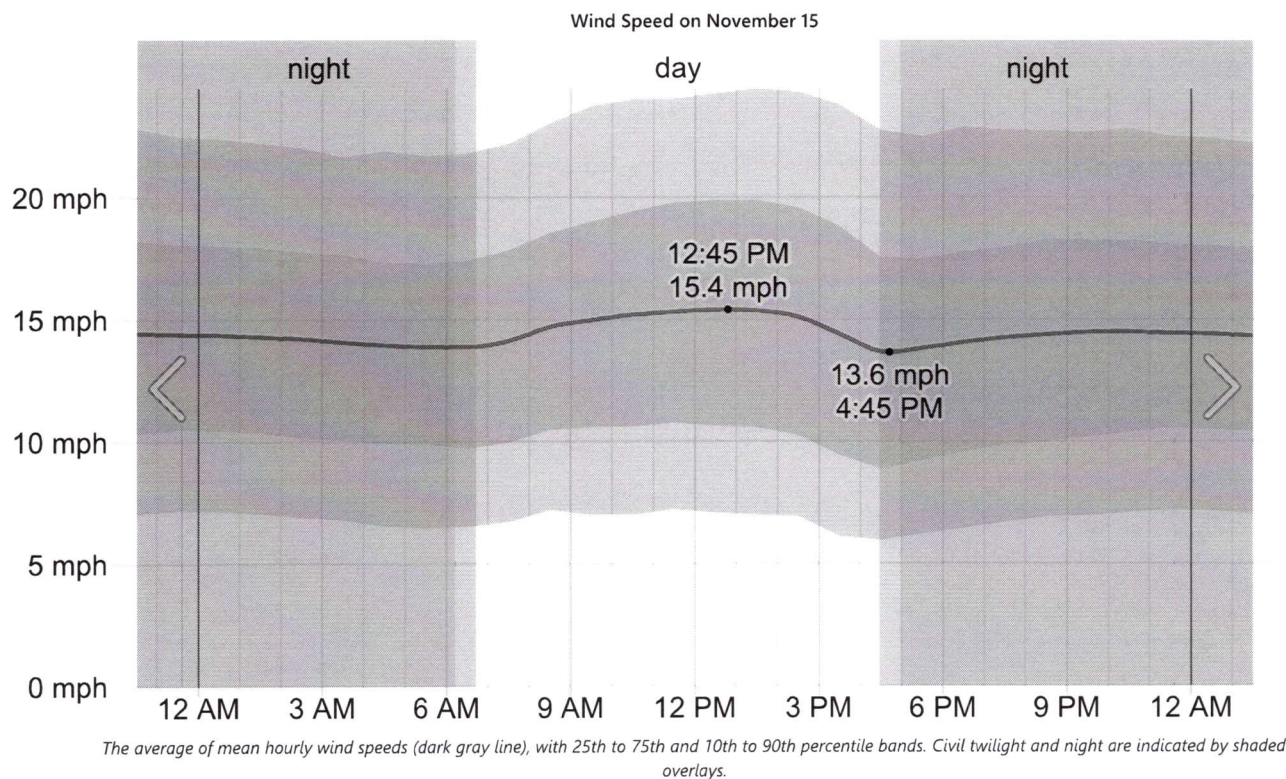

This section discusses the wide-area hourly average wind vector (speed and direction) at 10 meters above the ground. The wind experienced at any given location is highly dependent on local topography and other factors, and instantaneous wind speed and direction vary more widely than hourly averages.

The average hourly wind speed in Kenosha on November 15 varies throughout the day, with a daily average of 14.4 miles per hour.

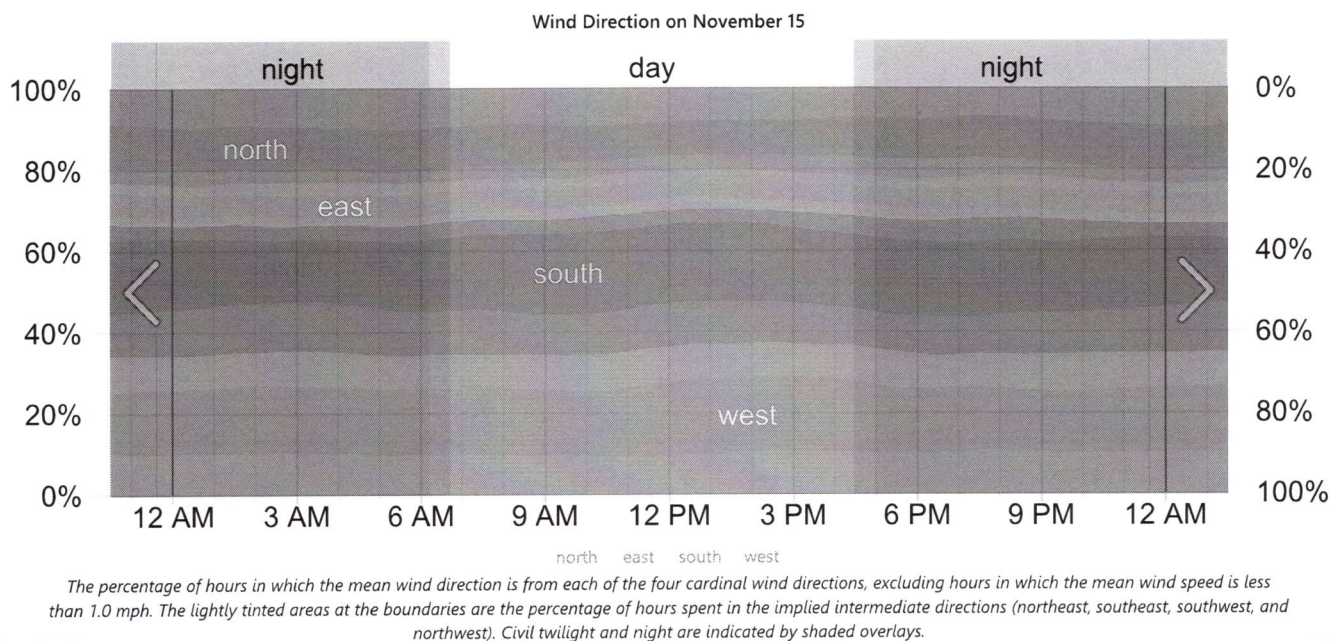

The windiest time of day is around 12:45 PM, with an average hourly wind speed of 15.4 miles per hour, mostly staying between 10.6 miles per hour and 19.9 miles per hour, and rarely falling below 7.1 miles per hour or exceeding 24.3 miles per hour.

The calmest time of day is around 4:45 PM, with an average hourly wind speed of 13.7 miles per hour, mostly staying between 8.9 miles per hour and 17.5 miles per hour, and rarely falling below 6.0 miles per hour or exceeding 22.7 miles per hour.

For reference, on January 15, the windiest day of the year, the daily average wind speed is 15.3 miles per hour, while on August 2, the calmest day of the year, the daily average wind speed is 9.0 miles per hour.

Over the entire course of November 15 in Kenosha, the hourly average wind direction, in order of prevalence, is from the west (35%), south (32%), north (22%), and east (10%).

Water Temperature

Kenosha is located near a large body of water (e.g., ocean, sea, or large lake). This section reports on the wide-area average surface temperature of that water. The average surface water temperature does not change appreciably over the course of the day, so this section does not include a chart.

The average surface water temperature on November 15 in Kenosha is 48°F, mostly staying between 46°F and 49°F, and rarely falling below 44°F or exceeding 51°F.

For reference, the year's highest average is 71°F on August 13, and its lowest average is 36°F on February 29.

Shortwave Solar Power

This section discusses the incident shortwave solar power reaching the surface of the ground over a wide area, taking full account of seasonal variations in the length of the day, the elevation of the Sun above the horizon, and absorption by clouds and other atmospheric constituents. Shortwave radiation includes visible light and ultraviolet radiation.

The peak incident shortwave solar power per square meter is 0.36 kilowatts at around 11:45 AM.

In contrast, the corresponding value on June 30, the brightest day of the year, is 0.82 kilowatts at around 11:45 AM. The corresponding value on December 21, the darkest day of the year, is 0.29 kilowatts at around 10:45 AM.

To Whom It May Concern:

I write on behalf of John Huber, Jr. and Karen Bloom pursuant to Wisconsin Statute § 893.80 to provide notice of state law claims that they have against the City of Kenosha, Kenosha County, the Kenosha County Sheriff's Department, Police Chief Miskinis, Sheriff Beth, and as-yet unknown employees or former employees of the City of Kenosha, Kenosha Police Department, or Kenosha County Sheriff's Department.

Claimant's Address:

Mr. Huber and Ms. Bloom may be contacted through their attorneys
(Elizabeth Wang, Steven Art, Anand Swaminathan) at the following address:

Factual Background:

On August 25, 2020, Anthony Huber, the son of John Huber, Jr. and Karen Bloom, was killed in Kenosha, Wisconsin. Anthony Huber lost his life to protect innocent civilians who were out that night protesting the shooting of Jacob Blake. There was no justification for Anthony's murder. Kyle Rittenhouse, a minor from out of state, illegally armed with an assault rifle, was allowed – by the Kenosha police and Kenosha Sheriff's Department – to roam the streets, threatening numerous civilians, and ultimately shooting three people. After Rittenhouse had already shot and killed one person, Anthony selflessly tried to disarm him and was killed himself.

In response to the demonstrations in response to the killing of Jacob Blake, a far-right militia group, the Kenosha Guard, organized a call-to-arms event on Facebook. The Kenosha Guard and its members expressly encouraged and incited violence and called on others to join them. Before August 25, 2020, the Kenosha Guard posted an open letter to the Kenosha Chief of Police, requesting that the local police cooperate with the militia members, abstain from sending home or arresting members of the Kenosha Guard, and for the police to keep an open line of communication with them. The Kenosha Police and Kenosha Sheriff's Department were aware of, condoned, cooperated with and enabled the actions of the Kenosha Guard and other armed vigilantes through both explicit and implicit support. For example, officers from the Sheriff's Department handed out water to the armed vigilantes and thanked them for their presence.

Rittenhouse answered the Kenosha Guard's call to arms. By the end of the evening, Rittenhouse had shot and killed two people, including Anthony Huber, and injured a third person. After killing the first person, Rittenhouse told someone on the phone, "I just killed somebody." He walked toward the police on the scene with his hands up as a number of bystanders yelled to the police that Rittenhouse was the shooter. However, the police ignored him and did not apprehend him.

Claims:

Claimants allege multiple state law claims against the City, the County, the Police Chief, the Sheriff, and as-yet unknown employees or former employees of the Kenosha Police Department and Kenosha County Sheriff's Office who were involved in the events resulting in Anthony Huber's death, including negligence, negligent supervision and training, negligent and intentional infliction of emotional distress, wrongful death, survival, *respondeat superior*, and indemnification.

In addition to these state law claims for which notice may be required, Claimants allege federal claims for which notice is not required.

Itemized Damages:

Claimants request \$10,000,000.00 as compensation, for themselves and the Estate of Anthony Huber. Mr. Huber and Ms. Bloom have suffered damages on their own behalf, including for the loss of companionship of their son. Anthony Huber suffered damages including pain and suffering prior to death and the loss of his life.

Please let me know if you require any further information or if we can assist in any way your review of Mr. Huber and Ms. Bloom's claims.

Sincerely,

A handwritten signature in black ink, appearing to read 'Elizabeth Wang', with a stylized, flowing script.

Dear Mayor Antaramian, Chief Miskinis, Sheriff Beth, Mr. Krauter, and Mr. Bachochin,

I write on behalf of our client, Gaige Grosskreutz, an adult individual who resides in City and County of Milwaukee, pursuant to Wisconsin Statute § 893.80 to provide notice of state law claims that he has against the City of Kenosha, Kenosha County, the Kenosha County Sheriff's Department, Police Chief Miskinis, Sheriff Beth, and as-yet unknown employees or former employees of the City of Kenosha, Kenosha Police Department, or Kenosha County Sheriff's Department.

Factual Background:

On August 25, 2020, Gaige Grosskreutz, was shot and severely injured in Kenosha, Wisconsin. Mr. Grosskreutz was in Kenosha for the purpose of providing basic medical assistance to persons who were out that night protesting the shooting of Jacob Blake. There was no justification for Gaige to be shot at point blank range by Kyle Rittenhouse. Rittenhouse, a minor from out of state, illegally armed with an assault rifle, was allowed – by the Kenosha police and Kenosha Sheriff's Department – to roam the streets, threatening numerous civilians, and ultimately shooting three people, two of whom who were killed. After Rittenhouse had already shot and killed two people, Gaige was then shot and severely injured by Rittenhouse.

In response to the demonstrations in response to the killing of Jacob Blake, a far-right militia group, the Kenosha Guard, organized a call-to-arms event on Facebook, calling forth “any patriots willing to take up arms and defend our city tonight from evil thugs.” The Kenosha Guard and its members expressly encouraged and incited violence and called on others to join them. Before August 25, 2020, the Kenosha Guard posted an open letter to the Kenosha Chief of Police, requesting that the local police cooperate with the militia members, abstain from sending home or arresting members of the Kenosha Guard, and for the police to keep an open line of communication with them. The Kenosha Police and Kenosha Sheriff's Department were aware of, condoned, cooperated with and enabled the actions of the Kenosha Guard and other armed vigilantes through both explicit and implicit support. For example, officers from the Sheriff's Department handed out water to the armed vigilantes and thanked them for their presence. Video from that night also shows a militia member explaining that Kenosha police officers and deputy Sheriffs had coordinated a funneling maneuver with the Kenosha Guard and various right-wing vigilantes to push protesters towards these militia members so that they “could deal with them.”

Rittenhouse answered the Kenosha Guard's call to arms. By the end of the evening, Rittenhouse had shot and killed two people, Anthony Huber and Joseph Rosenbaum, and injured our client, Gaige Grosskreutz. After killing the first person, Rittenhouse told someone on the phone, “I just killed somebody.” He walked towards the police on the scene with his hands up as a number of bystanders yelled to the police that Rittenhouse was the shooter. However, the police ignored him and did not apprehend him.

Claims:

Claimants allege multiple state law claims against the City, the County, the Police Chief, the Sheriff, and as-yet unknown employees or former employees of the Kenosha Police Department and Kenosha County Sheriff's Office who were involved in the events resulting in Gaige being shot at point blank range in his arm,

including negligence, negligent supervision and training, negligent and intentional infliction of emotional distress, battery, *respondeat superior*, indemnification, and conspiracy to commit the claims provided above.

In addition to these state law claims for which notice may be required; Claimants allege federal claims for which notice is not required.

Itemized Damages:

Claimant request \$10,000,000.00 as compensation, for himself and he has suffered significant damages due to the intentional acts and negligence of the City, the County, the Police Chief, the Sheriff, and as-yet unknown employees or former employees of the Kenosha Police Department and Kenosha County Sheriff's Office on August 25, 2020. Claimant has suffered significant permanent physical damage, pain and suffering, loss of income and future earnings, and other damages to be determined.

Claimant Address:

Claimant Phone Number: (414) 255-3811 (Attorney Nathaniel Cade, Jr.)

Date and Time of Event Giving Rise to Claim: August 25, 2020

Location of Event Giving Rise to the Claim:

Kenosha County Courthouse
912 56th Street
Kenosha, WI 53140

State of the Circumstances of the Event Giving Rise to the Claim, including the names of all persons involved, the identification of witnesses, if any, and the names and job titles of the local governmental body's employees or agents involved (use additional sheets if necessary):

Ms. Schukar is a photojournalist. Ms. Schukar was working freelance for the New York Times. She was working during the Kenosha protests over the unprovoked shooting of Jacob Blake and was taking photos of the protestors and various law enforcement agencies present who were stationed outside of the Kenosha County Courthouse. In the evening of August 25, 2020, numerous rubber bullets were fired by unknown law enforcement agents and officers.

A rubber bullet hit Ms. Schukar in her left hand, and she required surgery on that hand, and still is undergoing physical therapy.

Based on the location where Ms. Schukar was located, there is no doubt that she was not a protestor and was a member of the credentialed press. The only purpose for rubber bullets to have been shot at her would be for law enforcement agents to have purposefully targeted her as a member of the press.

Prior notice of these injuries and law enforcement actions were provided by the New York Times to the Kenosha Sheriff's Department and the City of Kenosha Police Department.

Re: Attack on Photojournalist

Dear Sheriff Beth:

I am an attorney for The New York Times Company ("The Times"). On the night of August 25, 2020, Alyssa Schukar, a freelance photojournalist on assignment in Kenosha for The Times, was shot by law enforcement officers as she covered the protests for us. Based on our investigation, we are convinced that the shooting was intentional, and we ask that a criminal investigation into this incident be opened. In addition, please forward this letter to legal counsel for your office.

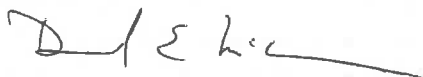

The incident took place near the County Courthouse at around 9:40 p.m. Ms. Schukar and other journalists were standing 20 to 30 yards away—and off to one side—from where a small group of protesters and law enforcement officers were engaged in a confrontation. The group of journalists was clearly separated from the protesters, and they were in no one's line of fire. At least one person in the journalists' group was wearing a vest that said "Press." The others were openly carrying cameras and other photographic equipment. It would have been apparent to anyone at the scene that they were journalists.

Ms. Schukar was holding her camera in front of her with one hand near her mid-section. Without provocation, but with clear intent, one or more of the law enforcement officers fired at the journalists. Ms. Schukar was struck in the hand by a rubber bullet or another less-than-lethal round. The force of the shot fractured her finger, and she has required substantial medical care as a result. Two other journalists in the group were also struck by projectiles from law enforcement and sustained injuries.

It is impossible to believe that the shooting of the three journalists was anything other than an intentional, targeted, and unlawful attack. The officers were located behind fencing, which required them to aim and fire from gaps in the barricade as they launched pepper spray, tear gas, and other less-than-lethal rounds. They were not firing scattershot into the area. And no one could have thought the journalists were protesters or engaged in any sort of threatening behavior. To the contrary, anyone at the scene would have realized they were journalists covering the unrest. All of the circumstances surrounding this attack suggest that, in fact, they were attacked because they were journalists.

In short, this was a criminal assault. Please let me know what we need to do to ensure that the incident is properly investigated and that the responsible parties are pursued and prosecuted.

Sincerely,
