Resolution # 1-2020

66.0413 * Resolution and order to raze building.

STATE OF WISCONSIN

Village of Bristol

Kenosha County

The Village Board of the Village of Bristol, Kenosha County, Wisconsin, by this resolution, adopted by a majority of the Village board on a roll call vote with a quorum present and voting and proper notice having been given, resolves and orders as follows:

The Village board has found that the following described building is old, dilapidated, or out of repair, and, consequently, dangerous, unsafe, unsanitary, or otherwise unfit for human habitation and that repair of the building is unreasonable, and has specifically found that the building inspector [or other designated officer] has determined that the cost of repairs to the building would exceed 50% of the assessed value of the building divided by the ratio of the assessed value to the recommended value as last published by the State of Wisconsin, Department of Revenue for the Village.

Upon the above findings, Kenosha County, the owner of the following-described real property, is ordered to raze the building in the Village of Bristol located upon the following described real property by not later than March 2nd, 2020, described as Residence and located at: 11713 212th Avenue Bristol Wisconsin.

The building inspector shall post a placard on the premises containing the following notice:

"This Building May Not Be Used for Human Habitation, Occupancy, or Use."

The building inspector shall prohibit use of the building for human habitation, occupancy, or use until necessary repairs have been made.

If the owner of the above-described real property fails or refuses to comply with this order within the time prescribed above, the building inspector shall, subject to s. 66.0413 (1) (h) and (i), Wis. stats., relating to salvage and personal property, proceed to raze the building through any available public agency or by contract or arrangement with private persons, or to secure the building and, if necessary, the property on which the building is located if unfit for human habitation. The cost of razing or securing the building may be charged in full or in part against the real estate upon which the building is located, and if that cost is so charged it is a lien upon the real estate and may be assessed and collected as a special charge.

Notice of the raze order of the Village board shall be served as follows:

1. On the owner of record of the building that is subject to the order, or on the owner's agent if the agent is in charge of the building, in the same manner as a summons is served in circuit court.
2. On the holder of each encumbrance of record by 1st class mail at the holder's last-known address and by publication as a class 1 notice under chapter 985, Wis. stats.

If the owner, and the owner's agent, if any, cannot be found, or if the owner is deceased and an estate has not been opened, the order may be served by posting it on the main entrance of the building and by publishing it as a class 1 notice under chapter 985, Wis. stats., before the time limited in the order begins to run.

The Village clerk shall file or have filed by the Village attorney a Notice of Lis Pendens in the Office of the Register of Deeds for Kenosha County, Wisconsin, on the tract of the above-described real property to provide notice of this resolution and raze order of the Village.

The Village clerk shall properly post or publish this resolution as required under s. 60.80, Wis. stats.

COMPLAINT

NOW COMES Plaintiff, The Estate of Vickery Fredrick, by authority of special administrator to the Estate, Elizabeth Fredrick, and by counsel, Rizzo & Diersen, S.C., James M. Payne, and as for its Complaint against Defendants Brookside Care Center and ABC Insurance Company states and avers as follows:

INTRODUCTION

1. This is a survivorship civil negligence action seeking monetary damages against Defendants for committing acts of negligence against Plaintiff.

PARTIES

2. The Plaintiff is Vickery Fredrick, now deceased, who sustained injuries due to the negligence of the Defendants. This action is brought on behalf of his estate by his surviving spouse and special administrator Elizabeth Fredrick.
3. Involuntary Plaintiff, UnitedHealthcare Insurance Company (hereinafter "UHC"), is a foreign corporation engaged in the business of providing health insurance in the State of Wisconsin with an address for service as provided in the caption. UHC may be a necessary party by virtue of having provided insurance coverage to Plaintiff as a result of the events alleged hereinafter resulting in payment of medical expenses or other amounts. As a result of said coverage, UHC may have a right of subrogation, reimbursement, and/or lien interest. Plaintiff affirmatively alleges that any such right is subject to the "made whole" doctrine, the "common fund doctrine," and any and all laws that may reduce or preclude recovery by UHC.
4. Defendant, Brookside Care Center ("Brookside"), is a municipally run nursing home center with a business address as stated in the caption.
5. Defendant ABC Insurance Company ("ABCCO") is a fictitious insurance company providing a policy of applicable insurance to one or more of the defendants. By virtue of the existence of said policy of insurance, Defendant ABCCO is directly liable to Plaintiff in an amount to be determined for personal injuries as stated at length below.

FACTUAL BACKGROUND

6. Plaintiff repeats, re-alleges, and incorporates by reference the allegations contained in paragraphs 1-5 above with the same force and effect if set forth at length herein.

7. In the fall of 2016, Vickery Fredrick sustained a severe stroke resulting in in-patient hospitalization at Froedert from November 7 until December 16, 2016.
8. Due to the severe and substantial nature of the injuries, and the deficits resulting from the stroke, Vickery Fredrick was transferred to Brookside for long term assisted living.
9. Mr. Fredrick's status post stroke was severely deficient requiring assistance with walking, eating, drinking, and most activities of daily living.
10. Particularly, Mr. Fredrick had strength and coordination deficits in his arms and upper body including but not limited to shaky hands. Family of Mr. Fredrick had often noticed he could not hold glasses and required assistance with drinking such as holding a soda can for him.
11. The stroke also impaired Mr. Fredrick's cognitive abilities.
12. On February 10, 2017, at around approximately 9:30 AM, Vickery Fredrick was at breakfast in the dining hall at Brookside.
13. On that day, Mr. Fredrick was placed at a table for "self feed" meaning the residents at that table did not require help with eating or drinking.
14. Typically, Mr. Fredrick was sat at a table which was coded to require aid and supervision for eating and drinking.
15. At the "self feed" table, a Brookside employee asked Mr. Fredrick what he would like to drink and he stated hot tea.
16. The Brookside employee brought hot tea in a mug and set it in front of Mr. Fredrick.
17. The Brookside employee did not assist or help Mr. Fredrick with the beverage.
18. When Mr. Fredrick picked up the beverage and attempted to drink from it, he dropped the mug into his lap spilling the hot beverage on his legs, thighs, pelvis, and groin area.

19. The liquid burned the affected areas causing a mix of second and third degree burns and resulting in skin breakage, blistering, and significant pain.
20. Upon information and belief, the hot tea provided to Mr. Fredrick came from a machine leased or otherwise obtained by Brookside from S&D Coffee.
21. Upon information and belief, at all relevant times hereto, Brookside maintained control and operation of the hot beverage machines and regularly operated them to provide beverages to the residents.
22. Upon information and belief, the unit which dispensed the hot tea as described above was set to a dispensing temperature of 190 degrees Fahrenheit.
23. 190 degrees Fahrenheit is dangerously high and had the machine been set to a lower temperature Mr. Fredrick would have sustained less severe injuries.
24. Subsequent to the incident, the hot beverage units were set to dispense liquid at a lower temperature.
25. Over the next 21 days, Mr. Fredrick suffered from the severe burns from the hot tea incident.
26. Mr. Fredrick died on February 21, 2017.

FIRST CAUSE OF ACTION: NEGLIGENCE OF DEFENDANT BROOKSIDE

27. Plaintiff repeats, re-alleges, and incorporates by reference the allegations contained in paragraphs 1-26 above with the same force and effect if set forth at length herein.
28. At all relevant times hereto, Defendant Brookside owed Plaintiff Vickery Fredrick a duty of care to operate its nursing home with a standard of care and attention to the needs of its residents to keep them safe and to specifically provide care and assistance to Plaintiff to ensure that his needs were met.

29. In breach thereof, Defendant Brookside committed the following negligent acts or omissions:

- a. Failed to properly place Mr. Fredrick at the correct dining table and improperly placed him at a table where residents do not require assistance with eating or drinking;
- b. Failed to properly supervise dining room employees to make sure that residents were seated properly at the correct dining room table for each resident's specific medical needs;
- c. Alternatively, failed to properly and adequately evaluate Mr. Fredrick's medical status and code him for requiring assistance with eating and drinking;
- d. Failed to properly provide post-burn care causing additional pain and suffering;
- e. Failed to properly maintain and operate the hot beverage machines to dispense liquid at a reasonable temperature for consumption to protect its residents from harm, many of whom had substantial physical impairments;
- f. Failed to follow or meet Federal and State regulations for the administration of a nursing home including, but not limited to, setting the proper standards for temperature of liquids; and
- g. All other negligence not currently known to Plaintiff, but which may become known through further discovery.

30. As a direct and proximate result of one of the aforesaid negligent and careless acts or omissions of the Defendant Brookside, the Plaintiff sustained serious, painful, and permanent bodily injuries, significant physical and mental pain and anguish, severe and substantial emotional pain, disfigurement, and medical expenses.

31. The medical incident occurred as a result of Defendant Brookside's aforesaid negligent acts or omissions. As a result, Brookside is liable to Plaintiff in an amount to be determined for past pain and suffering, past medical expenses, mental pain and anguish, emotional pain, and out-of-pocket expenses.

WHEREFORE, Plaintiff demands judgement against the above-named Defendants, jointly and severally, as follows:

- A. For damages suffered by Plaintiff in an amount to be determined for personal injuries, past medical expenses, past pain and suffering, disfigurement, loss of enjoyment of life, emotional distress, and mental anguish; and
- B. For court costs, service fees, pre- and post-judgment interest, disbursements, and any other relief the Court deems just and equitable.

TRIAL BY JURY OF TWELVE (12) IS HEREBY DEMANDED

Dated at Kenosha, Wisconsin, this 7th day of January, 2020.
