FLOODPLAIN FRINGE (3/1/94)

EXECUTIVE SUMMARY

Section 12.05-4 of the Kenosha County General Zoning & Shoreland/Floodplain Zoning Ordinance (hereinafter "Ordinance") sets forth requirements regarding the submission of a professional survey document to compare the location of all new or extended building foundations with the location of all proposed construction activity reported on the issued permit application.

The Ordinance currently requires a property owner to hire a professional surveyor to complete a foundation survey immediately after the construction of a permitted principal structure, for example, a single-family residence.

In cases where a property owner is constructing an addition to a principal structure or a detached accessory building, such as a residential building addition, commercial building addition, detached accessory building or detached accessory building addition (not an accessory structure such as a deck, pool or fence), the code allows property owners the option to either agree to hire a professional surveyor to update their property survey immediately after construction of the building or sign and record against their title a waiver of liability of foundation survey document (hereinafter "waiver"). Recording the waiver effectively indefinitely postpones the survey update requirement until a later date – usually until the property is sold or there is an application to re-finance and the prospective buyer or bank after acknowledgement of the waiver via a title search requests the waiver be released from the title. In order to release the waiver from the title, a professional surveyor must then be hired to complete a current plat of survey of the property showing the permitted building. Said plat of survey is then to be submitted to Planning & Development where it is compared against the original permit document. If the permitted built structure(s) are found to have been constructed according to the Ordinance requirements, then a release of waiver document is prepared and issued by Planning & Development staff so as to satisfy those parties concerned. The waiver document is ultimately recorded with the Register of Deeds office upon closing in order to cancel the original waiver. Questions 8 through 12 of Planning & Development's FAQ webpage elaborate on this requirement.

In short, we have found the waiver option is not an effective means of ensuring permitted buildings are built to the size and location limits defined in the Ordinance. Waivers have become an enforcement tool used too late and under unrealistic circumstances. Waivers can easily sit a property title for more than a decade, leaving descendants of the person who constructed the building or worse – second generation property owners who ignored or assumed the waiver's obligations upon closing to be expected to correct the problem. It seems many times the task of clearing such a waiver from the title is done after there is an accepted offer and therefore only days before an anticipated closing – leaving little lead time to hire a surveyor who is 5-6 weeks out to complete an updated survey for the property, and not a good time for a structural violation to rear its head. Planners within the office of Planning & Development all have stories about upset property owners forced to deal with a requirement by a buyer or lending institution to satisfy the waiver prior to closing.

With this amendment realtors, lenders and title companies will stop seeing waiver documents cloud their title reports upon closing.

Requiring the survey update within short order while the construction project is recent and the property is still owned by the party that pulled the permit will simply hold the property owner accountable and gives Planning & Development the leverage it needs in terms of code enforcement and rectifying a found violation, which typically involves demolishing the structure or reducing its size. Amending the code will reduce the potential to burden a subsequent property owner who knowingly or not inherited a waiver when purchasing their property from having to rectifying a found violation.

Barring some exceptions, this amendment will require property owners to hire a professional surveyor to update their plat of survey within short order after construction and submit said survey document to Planning & Development in order to close the permit. It is our understanding that cost for a property survey can vary depending on size of the property, the amount and type of data requested to be drawn and accessibility and proximity to monumentation. While we understand hiring a surveyor costs more than the 30.00-dollar option to sign a waiver, we want to point out that there are added costs when the waiver option is taken. In addition to the 30.00-dollar fee necessary to record the original waiver, years later in order to release the waiver in addition to hiring a professional surveyor (a cost which has naturally risen over the course of time) there is a 20.00-dollar administrative fee to cover the cost to review the prepared survey document and prepare the release of waiver. After the release document is prepared there is another 30.00-dollar fee to record the release of waiver document. So in short, a property owner is paying 80.00-dollars in recording and administrative fees to postpone an action that will ultimately be completed once mandated by a prospective buyer or lender. We feel that the administrative time and costs to prepare and then release a waiver, combined with the unrealistic expectation that if a building is found to be constructed in violation that it is to be corrected years after construction, usually by a party that was not involved in its construction warrants an amendment to the Ordinance.

COMPLAINT

Now come RICHARD A. WEEKS, ROBERTA L. WEEKS and ICKY RICKY'S by their attorney Eminent Domain Services, LLC, by Erik Olsen and Andrew Weininger, attorneys for the Plaintiffs, and allege and plead as follows:

- 1) This is a right-to-take action brought under Wis. Stat. § 32.05(5), the 5th and 14th Amendments to the United States Constitution, 42 U.S.C. § 1983, Wis. Const. art. I, § 13, 42 U.S.C. §§ 4601–55, 6102, 49 C.F.R. § 24.8, 49 CFR § 24.102, Wis. Stat. § 32.05(2a), and Wis. Stat. § 840.03(1).
- 2) The Plaintiffs own certain real estate ("the Property") in Kenosha County, where their home is located and also where their business is located. The Property consists of a bar with attached living areas, several supporting structures, and a five acre lease. The Property is further described in the redacted jurisdictional offer for Parcel 1 ("the Jurisdictional Offer"), which is attached hereto as Exhibit A and incorporated herein by reference.
- 3) Plaintiffs Richard A. Weeks and Roberta L. Weeks are adult residents of the state of Wisconsin.
- 4) Icky Ricky's is a Wisconsin sole proprietorship.
- 5) The Plaintiffs will be displaced the Project.
- 6) Defendants Kenosha County, the Kenosha County Division of Highways, and their officers, agents, employees, and contractors (collectively the "Condemning Authorities"), located at the addresses above-captioned, are using eminent domain to take property from the Plaintiffs for a road expansion project (the "Project"). This complaint challenges both the taking and the procedural and substantive precursors to the taking as further outlined and noticed by this complaint.
- 7) The Project is regulated by Wis. Stat. ch. 32.
- 8) The Project is regulated by Federal Law including 42 U.S.C. § 61 and 49 C.F.R. § 24.
- 9) As part of the Project, the Defendants are attempting to acquire land from the Plaintiffs as further outlined in the Jurisdictional Offer which is attached hereto and incorporated

herein by reference (the "Taking").

10) The Taking implements or executes a policy statement, ordinance, regulation, or decision officially adopted and promulgated by the Defendants' officers, agents, employees, and contractors, and the Defendants acted under the color of law when they deprived the Plaintiffs of right(s) under federal law and the federal constitution including rights under the Uniform Act and under the right to the equal protection of the laws.

11) The Defendants' attempted taking of Plaintiffs' property is defective for the following reasons:

a. The Defendants failed to negotiate in good faith prior to making the Jurisdictional Offer and otherwise violated the applicable laws in the following ways: by attempting to acquire more property than was actually needed for the Project, and instead of concurrently offering to acquire the uneconomic remnant left by the Project, simply taking the whole property without providing the landowners with the option to keep the remnant, by failing to provide appropriate relocation assistance as required by law, by violating Federal law and Wisconsin law, and by conducting the acquisition in such a way that it forced the Plaintiffs to initiate a lawsuit against the Condemning Authorities.

b. The Defendants also failed to identify a legally adequate replacement property for relocation purposes for both the residential and business aspects of the Property, as shown the attached Exhibit B which is incorporated herein by reference. The Defendants only identified one replacement property and that property was inadequate because it required substantial construction including demolishing a wall between two abutting buildings as shown in the attached Exhibit B which is incorporated by reference, which may or may not have been architecturally feasible, installing a bar facility in the space, fixing what appeared to be a sinking

and compromised foundation, and converting a grassy area behind the buildings into a parking lot. Even if all of the changes could have been made, it is unclear if it would have been possible to obtain the necessary licenses for the new facility, and even if the necessary licenses were obtained, the proposed replacement facility is too far from the subject, therefore requiring the Plaintiffs to essentially start a new business in a different location, as it would be unreasonable to expect their customers to travel that far. Because the proposed replacement property would not be capable of maintaining the Plaintiffs' business as it currently is, it would not be a relocation, but rather the forced creation of a new business and is therefore not a comparable replacement property.

- c. The Taking exceeds the scope of the relocation order, or the Taking outlined in the relocation order exceeds the scope of what is necessary for the road project, or the relocation order is otherwise defective;
- d. The relocation order is void due to its failure to comply with the requirements defined under law;
- e. The Condemning Authorities have failed to adequately relocate the Plaintiff as required under Wisconsin law and 49 CFR § 24 and since they have yet to identify a comparable replacement property, have failed to give the requisite 90 day notice;

12) Wherefore, the Jurisdictional Offer is void and the Taking is void.

RELIEF SOUGHT

WHEREFORE, the Plaintiffs demand Judgment from the Court against Defendants as follows:

- A. For an order declaring the Jurisdictional Offer, and all actions undertaken thereafter by Defendants, null and void;

B. For an order prohibiting the recordation of an Award of Damages or voiding it if it has been recorded and a preliminary injunction and injunction against the Defendants;

C. For judgment determining that the Defendants do not have the right to condemn part or all of the property described in the Jurisdictional Offer;

D. For an order requiring Defendants to pay Plaintiffs' litigation expenses in accordance with applicable statutes; and

E. For such other relief as available and appropriate under the statutes cited in this complaint, and as the Court may otherwise find just and equitable.

Dated this 18th of March.

**Re: Project ID 3210-00-5
Kenosha County - CTH S Expansion
Subject: Parcel 1**

Dear Mr. Olsen:

On September 7, 2018, your clients were issued Kenosha County's initial offer to purchase new right of way required for the expansion of County Trunk Highway S. The initial offer was based upon an appraisal prepared by Single Source, Inc. On February 26, 2019, your clients were issued a revised offer from the County in an attempt to negotiate for the purchase of the property.

Because the negotiations for this transaction have failed to reach a satisfactory conclusion, it is now necessary for Kenosha County to provide your clients with the enclosed Jurisdictional Offer. The Jurisdictional Offer was mailed yesterday, March 7, 2019, but the legal description was inadvertently omitted from the package. Enclosed is another copy of that Jurisdictional Offer and the legal description.

Providing this Jurisdictional Offer is one of the required actions set forth in Chapter 32 of the Wisconsin Statutes in order to acquire lands and interests through the eminent domain process. This process is more fully explained in the information sheet entitled, "The Rights of Landowners under Wisconsin Eminent Domain Law," that was previously given to your clients.

Your clients now have twenty (20) days from the postmark date of this mailing to either accept or reject the Jurisdictional Offer.

It remains Kenosha County's desire to reach a negotiated settlement. Please carefully consider this Jurisdictional Offer, and should your clients wish to accept the terms, please sign it as accepted on the second page and mail it to me.

Mr. Erik S. Olsen
March 8, 2019
Page 2

If there is no response from you or your clients by March 28, 2019, the County will presume that this offer is rejected, and will then proceed to acquire this parcel through the eminent domain process by issuing an Award of Damages pursuant to section 32.05(7) of the Wisconsin Statutes.

Please call me if you have any questions regarding the terms of this Jurisdictional Offer.

Very truly yours,

von BRIESEN & ROPER, s.c.

Kenosha County, hereinafter referred to as Purchaser, offers to purchase a parcel of real estate and/or rights therein in which you own an interest, all as particularly described on attached page, and agrees to pay the sum of:

within 30 days from the acceptance of this offer.

A. The said property, and/or rights as described, are required by Kenosha County for the public purpose stated above, as more fully described in the Relocation Order, date and place of filing specified above. Kenosha County in good faith intends to use the above-described property for such public purpose.

B. Kenosha County proposes to occupy and the Owner will vacate the premises on June 15, 2019.

C. Pursuant to s.32.05(3)(d) Wis. Stats., the above purchase price is allocated as follows:

- | | |

| (a) Loss of land, including improvements and fixtures actually being acquired | \$ |
| (b) Damages caused by loss of existing rights of access | \$ |
| (c) Damages caused by loss of air rights | \$ |

| (e) Damages resulting from actual severance of land including damages resulting from severance of improvements or fixtures and proximity damage to improvements remaining on Owner's land | \$ |

Compensation for additional items of damage listed in s. 32.19 and s. 32.195 Wis. Stats. has not been included. If any such items are shown to exist the owner may file claims as provided in s.32.20 Wis. Stats.

D. The purchase price is based upon an appraisal of the Owner's property a copy of which has been provided to the Owner. If required, the appraisal is available for inspection at the Kenosha County Highway Commissioner's Office.

E. Owner has 20 days from the date of personal service of this offer, if personally served, or 20 days from the date of postmark of the certified mail envelope transmitting this offer, if transmitted by mail, or 20 days from the date of publication of this offer, if published, in which to accept this offer, unless such time is extended by mutual written consent of Owner and Purchaser. Acceptance shall be as follows: Owner must execute the acceptance clause on back of this offer on or prior to the above mentioned 20-day deadline; and the offer and acceptance must be delivered to agent for Purchaser: Clement Abongwa, Director/Highway Commissioner Kenosha County Center 19800 75th St., Suite 122-1, Bristol, WI 53104-9772 not later than regular office closing time of 5:00 p.m. on the abovementioned 20-day deadline, or mailed to Purchaser at the last above stated address in an addressed, postage prepaid envelope bearing postmark of not later than the abovementioned 20-day deadline.

F. If the Owner does not accept this offer as set forth, Owner has 40 days from the date of service, postmark or publication of this offer to commence a court action to contest the right of condemnation as provided in s.32.05(5) Wis. Stats. provided that the acceptance and retention of any compensation resulting from an award made prior to the commencement of such an action shall be an absolute bar to such action.

G. If Owner agrees to accept the Jurisdictional Offer, it is considered a negotiated purchase; therefore, the condemnor must record the conveyance with the Register of Deeds in the county where the land is located. Also, all owners of record should receive by certified mail a copy of the conveyance and a notice of their right to appeal within 6 months after the date of the recording of the conveyance. Such an appeal would challenge the amount of compensation received by the property owner from an accepted Jurisdictional Offer.

- H. Owner has 2 years from the date of the recording of an award, as described in s. 32.05(7) Wis. Stats., in the office of the Register of Deeds in which to appeal for greater compensation without prejudice to Owner's right to use the compensation given to Owner by the award. This right of appeal is subject to the provisions of s.32.05(8)(a) and (11), Wis. Stats.
- I. The law provides for the payment of litigation expenses by the condemnor, under certain circumstances.
- J. If this offer is accepted by Owner, the transfer of title shall be accomplished within 30 days after acceptance including the payment to Owner of said purchase price, provided however, that notwithstanding any provision herein to the contrary, said 30-day period may, at the request of the Owner, be extended by mutual written agreement of the Owner and Purchaser.
- K. This offer may be withdrawn by Purchaser at any time prior to its acceptance by Owner.
- L. Real estate taxes for the current year shall be prorated as of the date of proposed occupancy set forth, said proration to be based upon the latest available tax assessment.
- M. Purchaser will prepare necessary instruments to accomplish said transfer. Transfer shall be by Warranty Deed unless a lesser conveyance is accepted by Purchaser. Transfer shall be free of defects and encumbrances but subject to ordinances and restrictions of record.
- N. If all persons or entities designated as an Owner do not accept this offer within the time specified, this offer will be deemed to have been rejected by all such persons or entities notwithstanding the acceptance by one or more of such persons or entities.
- O. Included in the purchase price is payment in full for the acquisition of the following items now on the described property: Description on additional page(s). Land and improvements.
- P. This offer, if accepted by Owner, shall constitute a binding contract.

Re: CTH S
Project #3210-00-05

Dear Icky Ricky's C/O Mr. & Mrs. Weeks:

Kenosha County is currently negotiating for the acquisition of the property your business currently occupies. As a business relocatee, you may be eligible for certain relocation payments to assist you in either purchasing or renting a replacement property for your business. This letter provides information on the replacement business payment under Wisconsin State Statute s. 32.19(4m) and Wisconsin Administrative Code ADM 92, Subchapter IV.

A "business" under ADM 92.01(5) is a legal activity conducted: for the purchase, sale, lease or rent of personal and real property and to manufacture, process, or market a product, commodity or other personal property; for the sale of a service to the public; or as a non-profit organization. To qualify for a replacement business payment, a business must be operating at the property being acquired for at least one year before the initiation of negotiations to purchase the property.

Business Categories and Eligibility – For the purposes of a replacement business payment, state law defines two categories of business – an owner displaced business and a tenant displaced business.

An owner displaced business is a displaced person who owned the real property being acquired and also owned the business operation conducted on the real property being acquired. An owner displaced business is eligible for a replacement business payment. (s. 32.19(g), Wis. Stats.) The business replacement payment contains two components for determined eligibility: a price differential and an estimate of reasonable project costs.

Documentation Required - Under Wisconsin relocation law, documentation is required to verify your eligibility to receive benefits, whether claiming eligibility as either an owner or tenant displaced business. We request that you submit a signed copy of your latest business income tax return. Applicable tax forms include:

Sole Proprietorship-Schedule "C" or "F" (Form 1040: Profit and Loss Farm/Business)

Partnership - Schedule "K-1" (Form 1065: U.S. Partnership Return and Income)

Limited Liability Company (LLC): An LLC business entity must file as a corporation, partnership or sole proprietorship tax return.

"C" Corporation (Form 1120 or 1120A: U.S. Corporation Income Tax Return)

"S" Corporation (Form 1120S: U.S. Income Tax Return for an "S" Corporation)

Non-profit Organization (Form 990: Return of Organization Exempt from Income Tax)

Your information is important to proceed with the relocation process and will be kept confidential as part of your relocation file. Without this documentation, you may not qualify to receive any replacement business payment.

There are other benefits described in this package that are available to you as a displaced business. These benefits include moving expenses and re-establishment expenses.

Please submit your documentation to:

COMPLAINT

Now comes RONALD F. RINALDI by his attorney Eminent Domain Services, LLC, by Erik Olsen and Andrew Weininger, attorneys for the Plaintiff, and alleges and pleads as follows:

- 1) This is a right-to-take action brought under Wis. Stat. § 32.05(5), the 5th and 14th

Amendments to the United States Constitution, 42 U.S.C. § 1983, Wis. Const. art. I, § 13, 42 U.S.C. §§ 4601–55, 6102, 49 C.F.R. § 24.8, 49 CFR § 24.102, Wis. Stat. § 32.05(2a), and Wis. Stat. § 840.03(1).

- 2) The Plaintiff owns certain real estate (“the Property”) in Kenosha County, where his home is located and also where his business is located. The Property consists of two houses and a number of outbuildings including an auto body shop and paint shop, a storage facility for vintage auto parts, and an accessory dwelling unit (“ADU”) which, up until the displacement caused by the project, was being rented and provided rental income. The Property is further described in the two redacted jurisdictional offers for Parcels 15 and 16 (collectively “the Jurisdictional Offer”), which are attached hereto as Exhibit A and incorporated herein by reference.
- 3) The Plaintiff Ronald F. Rinaldi is a disabled adult resident of the state of Wisconsin who resides at the above captioned address.
- 4) The Plaintiff will be displaced the Project.
- 5) Defendants Kenosha County, the Kenosha County Division of Highways, and their officers, agents, employees, and contractors (collectively the “Condemning Authorities”), located at the addresses above-captioned, are using eminent domain to take property from the Plaintiff for a road expansion project (the “Project”). They have arbitrarily separated the taking from the Rinaldi property into two sub-takings labeled Parcel 15 and Parcel 16. This complaint challenges both sub-takings and the procedural and substantive precursors to both of the sub-takings, and alleges and asserts that there should have only been one taking (the “Taking”), as further outlined and noticed by this complaint.
- 6) The Project and the Taking are regulated by Wis. Stat. ch. 32.
- 7) The Project and the Taking are regulated by Federal Law including 42 U.S.C. § 61 and 49 C.F.R. § 24.

- 8) As part of the Project, the Defendants need part of the Plaintiff's land.
- 9) The Taking implements or executes a policy statement, ordinance, regulation, or decision officially adopted and promulgated by the Defendants' officers, agents, employees, and contractors, and the Defendants acted under the color of law when they deprived the Plaintiff of right(s) under federal law and the federal constitution including rights under the Uniform Act and under the right to the equal protection of the laws.
- 10) The Defendants' attempted Taking of Plaintiff's property is defective for the following reasons:
 - a. The Defendants failed to negotiate in good faith prior to making the Jurisdictional Offer and otherwise violated the applicable laws in the following ways:
 - i. By arbitrarily splitting the Taking into two separate sub-parcels,
 - ii. By attempting to acquire more property than was actually needed for the Project,
 - iii. By representing to the Plaintiff that they would re-establish Plaintiff's house and accessory dwelling unit on the Plaintiff's remaining property by tearing down the barn, moving the contents to a new pole building that the Defendant's relocation agents indicated they would have space to build to the east of the present location of the barn thereby allowing the Plaintiff's house to be moved back (north) and the ADU to be relocated somewhere to the east of its current location and further to the back of the property. The parties had discussed this plan and agreed that it was the primary plan,
 - iv. By failing to take action to reorient and re-establish the Plaintiff's home, barn, and ADU on his remaining property other than getting a house moving bid,
 - v. By failing to identify a legally adequate replacement property for

relocation purposes for both the residential and business aspects of the Property and by otherwise failing to provide relocation assistance as required by law including by not implementing the agreed upon relocation plan,

vi. By rendering part of the Plaintiff's property an uneconomic remnant without concurrently offering to acquire the uneconomic remnant as mandated under Wisconsin law and Federal law and by acquiring a different part of the Plaintiff's property, which was an uneconomic remnant, without giving the Plaintiff the opportunity to retain it, thereby violating Federal law and Wisconsin law,

vii. And by conducting the acquisition in such a way that it forced the Plaintiff to initiate a lawsuit against the Condemning Authorities.

- b. The Taking exceeds the scope of the relocation order, or the Taking outlined in the relocation order exceeds the scope of what is necessary for the road project, or the relocation order is otherwise defective;
- c. The relocation order is void due to its failure to comply with the requirements defined under law;
- d. The Condemning Authorities have failed to adequately relocate the Plaintiff as required under Wisconsin law and 49 CFR § 24 and since they have yet to identify a comparable replacement property, have failed to give the requisite 90 day notice;

11) Wherefore, the Jurisdictional Offer is void and the Taking is void.

RELIEF SOUGHT

WHEREFORE, the Plaintiff demands Judgment from the Court against Defendants as

follows:

- A. For an order declaring the Relocation order and Jurisdictional Offer, and all actions undertaken thereunder by Defendants, null and void;
- B. For an order prohibiting the recordation of an Award of Damages or declaring it void if it has been recorded and a preliminary injunction and injunction against the Defendants;
- C. For judgment determining that the Defendants do not have the right to condemn part or all of the property described in the Jurisdictional Offer;
- D. For an order requiring Defendants to pay the Plaintiff's litigation expenses in accordance with applicable statutes; and
- E. For such other relief as available and appropriate under the statutes cited in this complaint, and as the Court may otherwise find just and equitable.

Dated this 18th day of March.

**Re: Project ID RD16-003
Kenosha County - CTH S Expansion
Subject: Parcel 15**

Dear Mr. Olsen:

On June 28, 2018, your client was issued Kenosha County's initial offer to purchase new right of way required for the expansion of County Trunk Highway S. The initial offer was based upon an appraisal prepared by Single Source, Inc. On November 19, 2018, your client was issued a revised offer from the County in an attempt to negotiate for the purchase of the property.

Because the negotiations for this transaction have failed to reach a satisfactory conclusion, it is now necessary for Kenosha County to provide your client with the enclosed Jurisdictional Offer. The Jurisdictional Offer was mailed yesterday, March 7, 2019, but the legal description was inadvertently omitted from the package. Enclosed is another copy of that Jurisdictional Offer and the legal description.

Providing this Jurisdictional Offer is one of the required actions set forth in Chapter 32 of the Wisconsin Statutes in order to acquire lands and interests through the eminent domain process. This process is more fully explained in the information sheet entitled, "The Rights of Landowners under Wisconsin Eminent Domain Law," that was previously given to your client.

Your client now has twenty (20) days from the postmark date of this mailing to either accept or reject the Jurisdictional Offer.

It remains Kenosha County's desire to reach a negotiated settlement. Please carefully consider this Jurisdictional Offer and should your client wish to accept the terms, please sign it as accepted on the second page and mail it to me.

Mr. Erik S. Olsen
March 8, 2019

If there is no response from you or your client by March 28, 2019, the County will presume that this offer is rejected, and will then proceed to acquire this parcel through the eminent domain process by issuing an Award of Damages pursuant to section 32.05(7) of the Wisconsin Statutes.

Please call me if you have any questions regarding the terms of this Jurisdictional Offer.

Very truly yours,

(b) Damages caused by loss of existing rights of access	\$
(c) Damages caused by loss of air rights	\$
(d) Damages caused by loss of legal nonconforming use	\$
(e) Damages resulting from actual severance of land including damages resulting from severance of improvements or fixtures and proximity damage to improvements remaining on Owner's land	\$

Compensation for additional items of damage listed in s. 32.19 and s. 32.195 Wis. Stats. has not been included. If any such items are shown to exist the owner may file claims as provided in s.32.20 Wis. Stats.

D. The purchase price is based upon an appraisal of the Owner's property a copy of which has been provided to the Owner. If required, the appraisal is available for inspection at the Kenosha County Highway Commissioner's Office.

E. Owner has 20 days from the date of personal service of this offer, if personally served, or 20 days from the date of postmark of the certified mail envelope transmitting this offer, if transmitted by mail, or 20 days from the date of publication of this offer, if published, in which to accept this offer, unless such time is extended by mutual written consent of Owner and Purchaser. Acceptance shall be as follows: Owner must execute the acceptance clause on back of this offer on or prior to the above mentioned 20-day deadline; and the offer and acceptance must be delivered to agent for Purchaser: Clement Abongwa, Director/Highway Commissioner Kenosha County Center 19600 75th St., Suite 122-1, Bristol, WI 53104-9772 not later than regular office closing time of 5:00 p.m. on the abovementioned 20-day deadline, or mailed to Purchaser at the last above stated address in an addressed, postage prepaid envelope bearing postmark of not later than the abovementioned 20-day deadline.

F. If the Owner does not accept this offer as set forth, Owner has 40 days from the date of service, postmark or publication of this offer to commence a court action to contest the right of condemnation as provided in s.32.05(5) Wis. Stats. provided that the acceptance and retention of any compensation resulting from an award made prior to the commencement of such an action shall be an absolute bar to such action.

G. If Owner agrees to accept the Jurisdictional Offer, it is considered a negotiated purchase; therefore, the condemnor must record the conveyance with the Registrar of Deeds in the county where the land is located. Also, all owners of record should receive by certified mail a copy of the conveyance and a notice of their right to appeal within 6 months after the date of the recording of the conveyance. Such an appeal would challenge the amount of compensation received by the property owner from an accepted Jurisdictional Offer.

- H. Owner has 2 years from the date of the recording of an award, as described in s. 32.05(7) Wis. Stats., in the office of the Register of Deeds in which to appeal for greater compensation without prejudice to Owner's right to use the compensation given to Owner by the award. This right of appeal is subject to the provisions of s. 32.05(9)(a) and (11), Wis. Stats.
- I. The law provides for the payment of litigation expenses by the condemnor, under certain circumstances.
- J. If this offer is accepted by Owner, the transfer of title shall be accomplished within 30 days after acceptance including the payment to Owner of said purchase price, provided however, that notwithstanding any provision herein to the contrary, said 30-day period may, at the request of the Owner, be extended by mutual written agreement of the Owner and Purchaser.
- K. This offer may be withdrawn by Purchaser at any time prior to its acceptance by Owner.
- L. Real estate taxes for the current year shall be prorated as of the date of proposed occupancy set forth, said proration to be based upon the latest available tax assessment.
- M. Purchaser will prepare necessary instruments to accomplish said transfer. Transfer shall be by Warranty Deed unless a lesser conveyance is accepted by Purchaser. Transfer shall be free of defects and encumbrances but subject to ~~ordinances~~ and restrictions of record.
- N. If all persons or entities designated as an Owner do not accept this offer within the time specified, this offer will be deemed to have been rejected by all such persons or entities notwithstanding the acceptance by one or more of such persons or entities.
- O. Included in the purchase price is payment in full for the acquisition of the following items now on the described property: Land and Improvements
- P. This offer, if accepted by Owner, shall constitute a binding contract.
