**WHEREAS**, in December, 2019, a novel strain of coronavirus known as COVID-19 was detected, and COVID-19 has continued to spread throughout the world, including to the United States and the State of Wisconsin; and

**WHEREAS**, the federal government, state governments, and local governments are working together to contain the further spread of the disease and treat existing cases; and

**WHEREAS**, on January 31, 2020, the United States Department of Health and Human Services declared a Public Health Emergency, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic, and on March 12, 2020 the Governor of the State of Wisconsin declared a Health Emergency in the State; and

**WHEREAS**, on March 12, 2020 County Executive Jim Kreuser declared a State of Emergency for Kenosha County; and

**WHEREAS**, Kenosha County (the "County") has been working before and since that time to protect the health and well-being of its residents from the spread of COVID-19, and to prepare for the impacts the disease is likely to have on the County; and

**WHEREAS**, the County Board (the "Board") has determined that it is necessary to make all possible resources and means available to the County in order to protect the health, safety, and welfare of its residents from the threat posed by the continued spread of COVID-19; and

**WHEREAS**, the State of Emergency has caused the County to take measures to ensure the adequacy of personnel necessary to provide public safety services and, as well, serve as emergency responders; and

**WHEREAS**, to further the County's mandate during this time of emergency, it is imperative that the Sheriff's department be able to fill vacancies on an expedited basis, particularly with candidates who would not require completion of the academy and are eligible for immediate assignment in the field;

**NOW THEREFORE BE IT RESOLVED** that pursuant to Wis. Stat. § 323.11 the Board finds and declares that an emergency exists within the County by reason of an imminent threat of disaster impairing medical care, health, and other critical systems of the County due to the spread of COVID-19; and

**BE IT FURTHER RESOLVED** that pursuant to Secs. 5.03 and 5.05 (2) of the Municipal Code of Kenosha County (MCKC), the Board hereby extends the period of the local State of Emergency declared by County Executive Jim Kreuser for a period of ninety (90) days from the effective date of this resolution, unless declared lifted by the County Executive or further extended by resolution of the Board; and

**BE IT FURTHER RESOLVED** that during the period of emergency prescribed by this Resolution, the Board may order, by ordinance or resolution, whatever is necessary and expedient for the health, safety, protection, and welfare of persons and property within the County; and

**BE IT FURTHER RESOLVED** that the County Executive is hereby authorized and directed by the Board to coordinate and administer the County's emergency management response and to carry out the orders of the Board related thereto, in accordance with his powers as delineated in Sec. 5.04, MCKC, as well as any duties and responsibilities necessary to comply with State and Federal legislation existing or implemented in response to the current emergency; and

**BE IT FURTHER RESOLVED** that the Head of Emergency Management of the County is authorized and directed to carry out his duties under the County's Emergency Management Plan under the supervision and direction of the County Executive and perform such other duties as may be directed by further resolution of the Board or order of the County Executive; and

**BE IT FURTHER RESOLVED** that any existing County Board rule that would require personal attendance at a meeting in order to fully participate or would otherwise be contrary to the current directions related to "social distancing" is hereby suspended during the period of emergency and the County Supervisors are hereby authorized to attend meetings of the Board remotely, and the Board shall take all actions necessary to effectuate the same in compliance with all other applicable laws; and

**BE IT FURTHER RESOLVED** that this includes the suspension of the requirement to include Citizen Comments on all Board and Board committee agendas, that public hearings as required by statute can proceed but that for these and any other citizen comments citizens are advised to make efforts to provide any desired comments in writing prior to any scheduled meeting; and

**BE IT FURTHER RESOLVED** that meetings of the Board, its committees, and affiliated boards, committees, and commissions be permitted to take place remotely, with the public being afforded access and notice as required by statute and as practicable as long as other applicable requirements such as quorum are observed; and

**BE IT FURTHER RESOLVED** that the Corporation Counsel is authorized to opine and advise as to what steps need to be taken to ensure compliance with those rules and statutes that cannot be suspended; and

**BE IT FURTHER RESOLVED** that for the pendency of the State of Emergency, those provisions of the Civil Service Ordinance, as listed in Sec. 4.01 MCKC dealing with the hiring of deputies are hereby suspended and the Sheriff shall work with the Director of Human Resources or her designee and the County Executive to fill vacant deputies positions by following those provisions as closely as practicable and appropriate; provided, however, that such suspension does not apply to, amend, or otherwise modify the authority of the Board of Supervisors under Sec. 4.01(7) MCKC and Sec. 4.01(14) MCKC; and

**BE IT FURTHER RESOLVED** that all actions heretofore taken by the County Executive, Board, and other appropriate public officers and agents of the County with respect to the matters contemplated under this Resolution are hereby ratified, confirmed and approved.

Respectfully submitted at Kenosha County, Wisconsin, this 8<sup>th</sup> day of April, 2020.

**RECITALS**

The County Board of Supervisors (the “**Governing Body**”) of Kenosha County, Wisconsin (the “**County**”) makes the following findings and determinations:

1. The County is currently in need of funds to finance the current refunding of the 2021 and after maturities of the County’s (i) \$10,030,000 General Obligation Promissory Notes, Series 2011A, dated August 9, 2011, (ii) \$2,805,000 General Obligation County Building Bonds, Series 2012A, dated July 11, 2012, (iii) \$15,750,000 General Obligation Promissory Notes, Series 2012B, dated July 11, 2012, and (iv) \$9,765,000 General Obligation Promissory Notes, Series 2013A, dated December 10, 2013 (collectively, the “**Refunding**”).

2. The Governing Body deems it in the best interests of the County that the funds needed for the Refunding be borrowed pursuant to the provisions of Chapter 67 of the Wisconsin Statutes and upon the terms and conditions set forth below.

**RESOLUTIONS**

The Governing Body resolves as follows:

**Section 1.     Authorization of Issuance and Purposes of Bonds.**

Under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes, the County shall issue its negotiable general obligation refunding bonds, in one or more series, in an aggregate principal amount of not to exceed \$12,125,000 (the “**Bonds**”) to finance the Refunding; *provided, however*, that the Bonds shall be sold and issued in whole or in part from time to time in such amount or amounts as shall be within the limits provided by law.

**Section 2.     Authorization of Sale of Bonds.**

The Bonds are hereby authorized and ordered to be sold to a purchaser to be determined by competitive bid (the “**Purchaser**”).

### **Section 3.     Preparation of Official Statement and Notice of Sale.**

The Chairperson, the County Clerk, the County Executive, and the Finance Director (in consultation with the County's Financial Advisor, Ehlers and Associates, Inc.) are each hereby authorized to cause a preliminary offering document for the Bonds (the "**Official Statement**") to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a "**Notice of Sale**" and a "**Bid Form**". The Chairperson, the County Clerk, the County Executive, and the Finance Director are each hereby authorized, on behalf of the County, to approve the form of Official Statement and determine it to be deemed final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The County Clerk is hereby further authorized and directed to cause notice of the sale of the Bonds to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the same locations that the County routinely uses to post notices of its official business.

### **Section 4.     Bids for Bonds.**

Written bids for the sale of the Bonds shall be received by the County on the date fixed in the Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right, in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of the Notice of Sale for the Bonds.

### **Section 5.     Further Actions.**

The issuance of the Bonds shall be subject to the condition that the Governing Body has adopted a resolution to award the sale of the Bonds to the Purchaser, to approve the purchase contract submitted by the Purchaser to evidence the purchase of the Bonds, which may be in the form of an executed Bid Form (the "**Bond Purchase Agreement**"), to fix the interest rate or rates on the Bonds in accordance with the Bond Purchase Agreement, to provide for the form of the Bonds, to set forth any early redemption provisions, to levy taxes to pay the principal of, and interest on, the Bonds as required by law, to designate a fiscal agent for the Bonds, and to take such further action as may be necessary or expedient to provide for the preparation, execution, issuance, delivery, payment, and cancellation of the Bonds.

### **Section 6.     Severability of Invalid Provisions.**

In case any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this resolution.

**Section 7.     Authorization to Act.**

The officers of the County, attorneys for the County, or other agents or employees of the County are hereby authorized to do all acts and procedures required of them by this resolution for the full, punctual, and complete performance of all of the provisions of this resolution.

**Section 8.     Prior Actions Superseded.**

All prior resolutions, rules, ordinances, or other actions, or parts thereof, of the Governing Body in conflict with the provisions of this resolution shall be, and the same are hereby, rescinded insofar as they may so conflict.

**Section 9.     Effective Date.**

This resolution shall take effect upon its adoption and approval in the manner provided by law.

Debt service will be paid from ad valorem property taxes.</li> </ul> <p>Interest rates on the obligations proposed to be refunded are 3.00% to 3.50%.</p> <p>This refunding is considered to be a Current Refunding as the obligations being refunded are either callable (pre-payable) now, or will be within 90 days of the date of issue of the new Bonds.</p> <ul style="list-style-type: none"> <li>• Current Refunding of the 2012B General Obligation Notes. Debt service will be paid from ad valorem property taxes.</li> </ul> <p>Interest rates on the obligations proposed to be refunded are 2.125% to 2.50%.</p> <p>This refunding is considered to be a Current Refunding as the obligations being refunded are either callable (pre-payable) now, or will be within 90 days of the date of issue of the new Bonds.</p> <ul style="list-style-type: none"> <li>• Current Refunding of the 2013A General Obligation Notes. Debt service will be paid from ad valorem property taxes.</li> </ul> <p>Interest rates on the obligations proposed to be refunded are 2.00% to 2.60%.</p> <p>This refunding is considered to be a Current Refunding as the obligations being refunded are either callable (pre-payable) now, or will be within 90 days of the date of issue of the new Bonds.</p>
Authority:	<p>The Bonds are being issued pursuant to Wisconsin Statute(s):</p> <ul style="list-style-type: none"> <li>• 67.04</li> </ul>

	<p>The Bonds will be general obligations of the County for which its full faith, credit and taxing powers are pledged.</p> <p>The Bonds count against the County's General Obligation Debt Capacity Limit of 5% of total County Equalized Valuation. Following issuance of the Bonds, the County's total General Obligation debt principal outstanding will be approximately \$130.9 million, which is 16% of its limit. Remaining General Obligation Borrowing Capacity will be approximately \$710.6 million.</p>
<b>Term/Call Feature:</b>	<p>The Bonds are being issued for a term of 12 years. Principal on the Bonds will be due on June 1 in the years 2021 through 2032. Interest is payable every six months beginning December 1, 2020.</p> <p>The Bonds will be subject to prepayment at the discretion of the County on June 1, 2027 or any date thereafter.</p>
<b>Bank Qualification:</b>	<p>Because the County is issuing, or expects to issue, more than \$10,000,000 in tax-exempt obligations during the calendar year, the County will be not able to designate the Bonds as "bank qualified" obligations.</p>
<b>Rating:</b>	<p>The County's most recent bond issues were rated by Standard &amp; Poor's and Fitch Ratings. The current ratings on those bonds are "AA+". The County will request a new rating for the Bonds.</p> <p>If the winning bidder on the Bonds elects to purchase bond insurance, the rating for the issue may be higher than the County's bond rating in the event that the bond rating of the insurer is higher than that of the County.</p>
<b>Basis for Recommendation:</b>	<p>Based on our knowledge of your situation, your objectives communicated to us, our advisory relationship as well as characteristics of various municipal financing options, we are recommending the issuance of Bonds as a suitable option based on:</p> <ul style="list-style-type: none"> <li>• The expectation this form of financing will provide the overall lowest cost of funds while also meeting the County's objectives for term, structure and optional redemption.</li> <li>• The County having adequate General Obligation debt capacity to undertake this financing.</li> <li>• The existing General Obligation pledge securing the obligations to be refunded. The expectation this form of financing will provide the overall lowest cost of funds while also meeting the County's objectives for term, structure and optional redemption.</li> </ul>

<p><b>Method of Sale/Placement:</b></p>	<p>We will solicit competitive bids for the purchase of the Bonds from underwriters and banks.</p> <p>We will include an allowance for discount bidding in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.</p> <p>If the Bonds are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.</p>
<p><b>Premium Pricing:</b></p>	<p>In some cases, investors in municipal bonds prefer “premium” pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered “reoffering premium.” The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or “discount”) but will pay the remainder of the premium to the County.</p> <p>For this issue, any premium amount received that is in excess of the underwriting discount and any capitalized interest amounts must be placed in the debt service fund and used to pay a portion of the interest payments due on the Notes. We anticipate using any premium amounts received to reduce the issue size.</p> <p>The amount of premium allowed can be restricted in the bid specifications. Restrictions on premium may result in fewer bids, but may also eliminate large adjustments on the day of sale and unintended results with respect to debt service payment impacts. Ehlers will identify appropriate premium restrictions for the Bonds intended to achieve the County’s objectives for this financing.</p>
<p><b>Other Considerations:</b></p>	<p>The Bonds will be offered with the option of the successful bidder utilizing a term bond structure. By offering underwriters the option to “term up” some of the maturities at the time of the sale, it gives them more flexibility in finding a market for your Bonds. This makes your issue more marketable, which can result in lower borrowing costs. In the event that the successful bidder utilizes a term bond structure, we recommend the County retain a paying agent to handle responsibility for processing mandatory redemption/call notices associated with term bonds.</p>
<p><b>Review of Existing Debt:</b></p>	<p>We have reviewed all outstanding indebtedness for the County and find that, other than the obligations proposed to be refunded by the Bonds, there are no other refunding opportunities at this time.</p> <p>We will continue to monitor the market and the call dates for the County’s outstanding debt and will alert you to any future refunding opportunities.</p>

Continuing Disclosure:	<p>Because the County has more than \$10,000,000 in outstanding debt (including this issue) and this issue is over \$1,000,000, the County will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the "MSRB"), as required by rules of the Securities and Exchange Commission (SEC). The County is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.</p>
Arbitrage Monitoring:	<p>Because the Bonds tax-exempt obligations, the County must ensure compliance with certain Internal Revenue Service (IRS) rules throughout the life of the issue. These rules apply to all gross proceeds of the issue, including initial bond proceeds and investment earnings in construction, escrow, debt service, and any reserve funds. How issuers spend bond proceeds and how they track interest earnings on funds (arbitrage/yield restriction compliance) are common subjects of IRS inquiries. Your specific responsibilities will be detailed in the Tax Certificate prepared by your Bond Attorney and provided at closing. We recommend that you regularly monitor compliance with these rules and/or retain the services of a qualified firm to assist you.</p>
Risk Factors:	<p><b>Current Refunding:</b> The Bonds are being issued to finance a current refunding of prior County debt obligations. Those prior debt obligations are "callable" on or after August 1, 2018, June 1, 2019, June 1, 2020 and August 1, 2020. The new Bonds will not be pre-payable until June 1, 2027.</p> <p>This refunding is being undertaken based in part on an assumption that the County does not expect to pre-pay off this debt prior to the new call date and that market conditions warrant the refunding at this time.</p>
Other Service Providers:	<p>This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.</p> <p><b>Bond Counsel:</b> Foley &amp; Lardner LLP</p> <p><b>Paying Agent:</b> To be named by Issuer</p> <p><b>Rating Agency:</b> Standard &amp; Poor's Global Ratings (S&amp;P) and FitchRatings</p>

**RECITALS**

The County Board of Supervisors (the “**Governing Body**”) of Kenosha County, Wisconsin (the “**County**”) makes the following findings and determinations:

1. The County is currently in need of funds to finance (i) the current refunding of the 2021 and after maturities of the County’s \$7,305,000 Taxable General Obligation Refunding Bonds, dated October 21, 2010, and (ii) the advance refunding of the 2021 and after maturities of the County’s \$2,810,000 General Obligation County Building Bonds, Series 2011B, dated August 9, 2011 (collectively, the “**Refunding**”).

2. The Governing Body deems it in the best interests of the County that the funds needed for the Refunding be borrowed pursuant to the provisions of Chapter 67 of the Wisconsin Statutes and upon the terms and conditions set forth below.

**RESOLUTIONS**

The Governing Body resolves as follows:

**Section 1.     Authorization of Issuance and Purposes of Bonds.**

Under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes, the County shall issue its negotiable taxable general obligation refunding bonds, in one or more series, in an aggregate principal amount of not to exceed \$3,815,000 (the “**Bonds**”) to finance the Refunding; *provided, however*, that the Bonds shall be sold and issued in whole or in part from time to time in such amount or amounts as shall be within the limits provided by law.

**Section 2.     Authorization of Sale of Bonds.**

The Bonds are hereby authorized and ordered to be sold to a purchaser to be determined by competitive bid (the “**Purchaser**”).

### **Section 3.     Preparation of Official Statement and Notice of Sale.**

The Chairperson, the County Clerk, the County Executive, and the Finance Director (in consultation with the County's Financial Advisor, Ehlers and Associates, Inc.) are each hereby authorized to cause a preliminary offering document for the Bonds (the "**Official Statement**") to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a "**Notice of Sale**" and a "**Bid Form**". The Chairperson, the County Clerk, the County Executive, and the Finance Director are each hereby authorized, on behalf of the County, to approve the form of Official Statement and determine it to be deemed final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The County Clerk is hereby further authorized and directed to cause notice of the sale of the Bonds to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the same locations that the County routinely uses to post notices of its official business.

### **Section 4.     Bids for Bonds.**

Written bids for the sale of the Bonds shall be received by the County on the date fixed in the Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right, in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of the Notice of Sale for the Bonds.

### **Section 5.     Further Actions.**

The issuance of the Bonds shall be subject to the condition that the Governing Body has adopted a resolution to award the sale of the Bonds to the Purchaser, to approve the purchase contract submitted by the Purchaser to evidence the purchase of the Bonds, which may be in the form of an executed Bid Form (the "**Bond Purchase Agreement**"), to fix the interest rate or rates on the Bonds in accordance with the Bond Purchase Agreement, to provide for the form of the Bonds, to set forth any early redemption provisions, to levy taxes to pay the principal of, and interest on, the Bonds as required by law, to designate a fiscal agent for the Bonds, and to take such further action as may be necessary or expedient to provide for the preparation, execution, issuance, delivery, payment, and cancellation of the Bonds.

### **Section 6.     Severability of Invalid Provisions.**

In case any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this resolution.

**Section 7.     Authorization to Act.**

The officers of the County, attorneys for the County, or other agents or employees of the County are hereby authorized to do all acts and procedures required of them by this resolution for the full, punctual, and complete performance of all of the provisions of this resolution.

**Section 8.     Prior Actions Superseded.**

All prior resolutions, rules, ordinances, or other actions, or parts thereof, of the Governing Body in conflict with the provisions of this resolution shall be, and the same are hereby, rescinded insofar as they may so conflict.

**Section 9.     Effective Date.**

This resolution shall take effect upon its adoption and approval in the manner provided by law.

## Executive Summary of Proposed Debt

Proposed Issue:	\$3,815,000 Taxable General Obligation Refunding Bonds, Series 2020A
Purposes:	<p>The proposed issue includes financing for the following purposes:</p> <p>Current refund Taxable 2010D and advance refund tax exempt 2011B with an estimated reduction in debt service totaling \$126,020.</p> <ul style="list-style-type: none"> <li>Current Refunding of the 2010D Taxable General Obligation Bonds. Debt service will be paid from ad valorem property taxes.</li> </ul> <p>Interest rates on the obligations proposed to be refunded are 3.55% to 3.75%.</p> <p>This refunding is considered to be a Current Refunding as the obligations being refunded are either callable (pre-payable) now, or will be within 90 days of the date of issue of the new Bonds.</p> <ul style="list-style-type: none"> <li>Advance Refunding 2011B General Obligation Bonds. Debt service will be paid from ad valorem property taxes.</li> </ul> <p>Interest rates on the obligations proposed to be refunded are 3.00% to 4.25%.</p> <p>This refunding is considered an Advance Refunding as the new Bonds will be issued more than 90 days prior to the call date of the obligations being refunded.</p>
Authority:	<p>The Bonds are being issued pursuant to Wisconsin Statute(s):</p> <ul style="list-style-type: none"> <li>67.04</li> </ul> <p>The Bonds will be general obligations of the County for which its full faith, credit and taxing powers are pledged.</p> <p>The Bonds count against the County's General Obligation Debt Capacity Limit of 5% of total County Equalized Valuation. Following issuance of the Bonds, the County's total General Obligation debt principal outstanding will be approximately \$130.9 million, which is 16% of its limit. Remaining General Obligation Borrowing Capacity will be approximately \$710.6 million.</p>
Term/Call Feature:	<p>The Bonds are being issued for a term of 11 years. Principal on the Bonds will be due on March 1 in the years 2021 through 2031. Interest is payable every six months beginning September 1, 2020.</p> <p>The Bonds will be subject to prepayment at the discretion of the County on March 1, 2027 or any date thereafter.</p>

Bank Qualification:	Because the Bonds are taxable obligations they will not be designated as “bank qualified” obligations.
Rating:	<p>The County’s most recent bond issues were rated by Standard &amp; Poor’s and Fitch. The current ratings on those bonds are “AA+” with both rating agencies. The County will request a new rating for the Bonds.</p> <p>If the winning bidder on the Bonds elects to purchase bond insurance, the rating for the issue may be higher than the County’s bond rating in the event that the bond rating of the insurer is higher than that of the County.</p>
Basis for Recommendation:	<p>Based on our knowledge of your situation, your objectives communicated to us, our advisory relationship as well as characteristics of various municipal financing options, we are recommending the issuance of Bonds as a suitable option based on:</p> <ul style="list-style-type: none"> <li>• The expectation this form of financing will provide the overall lowest cost of funds while also meeting the County’s objectives for term, structure and optional redemption.</li> <li>• The County having adequate General Obligation debt capacity to undertake this financing.</li> <li>• The existing General Obligation pledge securing the obligations to be refunded.</li> </ul>
Method of Sale/Placement:	<p>We will solicit competitive bids for the purchase of the Bonds from underwriters and banks.</p> <p>We will include an allowance for discount bidding in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.</p> <p>If the Bonds are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.</p>
Premium Pricing:	<p>In some cases, investors in municipal bonds prefer “premium” pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered “reoffering premium.” The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or “discount”) but will pay the remainder of the premium to the County.</p>

	<p>For this issue, any premium amount received that is in excess of the underwriting discount and any capitalized interest amounts must be placed in the debt service fund and used to pay a portion of the interest payments due on the Notes. We anticipate using any premium amounts received to reduce the issue size.</p> <p>The amount of premium allowed can be restricted in the bid specifications. Restrictions on premium may result in fewer bids, but may also eliminate large adjustments on the day of sale and unintended results with respect to debt service payment impacts. Ehlers will identify appropriate premium restrictions for the Bonds intended to achieve the County's objectives for this financing.</p>
Other Considerations:	<p>The Bonds will be offered with the option of the successful bidder utilizing a term bond structure. By offering underwriters the option to "term up" some of the maturities at the time of the sale, it gives them more flexibility in finding a market for your Bonds. This makes your issue more marketable, which can result in lower borrowing costs. In the event that the successful bidder utilizes a term bond structure, we recommend the County retain a paying agent to handle responsibility for processing mandatory redemption/call notices associated with term bonds.</p>
Review of Existing Debt:	<p>We have reviewed all outstanding indebtedness for the County and find that, other than the obligations proposed to be refunded by the Bonds, there are no other refunding opportunities at this time.</p> <p>We will continue to monitor the market and the call dates for the County's outstanding debt and will alert you to any future refunding opportunities.</p>
Continuing Disclosure:	<p>Because the County has more than \$10,000,000 in outstanding debt (including this issue) and this issue is over \$1,000,000, the County will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the "MSRB"), as required by rules of the Securities and Exchange Commission (SEC). The County is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.</p>
Arbitrage Monitoring:	<p>The Bonds are taxable obligations and are therefore not subject to IRS arbitrage and yield restriction requirements.</p>
Risk Factors:	<p><b>Current Refunding:</b> The Bonds are being issued to finance a current refunding of prior County debt obligations. Those prior debt obligations are "callable" on or after March 1, 2017. The new Bonds will not be pre-payable until March 1, 2027.</p>

	<p>This refunding is being undertaken based in part on an assumption that the County does not expect to pre-pay off this debt prior to the new call date and that market conditions warrant the refunding at this time.</p> <p><b>Advance Refunding:</b> The Bonds are being issued for the purpose of “advance” refunding prior County debt obligations. An advance refunding of an original tax-exempt debt obligation must be a taxable financing under current IRS rules. This refunding is being undertaken based in part on the following assumptions:</p> <ul style="list-style-type: none"> <li>• Since the new Bonds will extend the “call” date for this debt from August 1, 2021 to March 1, 2027, we are assuming that the County does not expect to have revenues available to pre-pay the current obligations prior to this new call date.</li> </ul>
Other Service Providers:	<p>This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.</p> <p><b>Bond Counsel:</b> Foley &amp; Lardner LLP</p> <p><b>Paying Agent:</b> To be named by Issuer</p> <p><b>Rating Agency:</b> Standard &amp; Poor's Global Ratings (S&amp;P) and Fitch Ratings</p> <p><b>CPA Escrow Verification Agent:</b> To Be Determined</p> <p><b>Escrow Agent:</b> To be Determined</p>
