Regarding business conducted with Kenosha County

I served as Medical Director for United Occupational Medicine (previously Kenosha Occupational Medicine Clinic) from 1990 until August of 2018. As I enter semi-retirement, I now work part-time as an occupational medicine physician in the same service. During the vast majority of those years we have had the privilege of providing medical services for Kenosha County. This includes preplacement/post-offer services such as physicals and medical care for injured employees. Prior to May of 2001 I was a salaried physician. Since that time I have been reimbursed on an hourly basis. My reimbursement is in no way connected to our provision of services to Kenosha County, or any of the hundreds of companies we provide services for. Dr. Richard Goldberg, in conjunction with our office manager, would make any decisions regarding details of services provided, reimbursement, etc.

Additional Information

I have multiple years of experience with the Board of Health. I have practiced medicine for close to 40 years. In addition I have a postdoctoral Master of Public Health degree which provided additional expertise in this area. Finally, to maintain my board certification, I am required to have multiple hours of continuing education annually, acceptable to the American Board of Preventive Medicine.
