Kenosha County Director of Emergency Management

Personal Statement: Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I would be a valuable addition in the position of the Director of Emergency Management as I have been a law enforcement officer for over twenty years serving in various roles. I have worked as a patrol officer, a front-line supervisor, the assistant deputy director, and for the past few years as the deputy director of Kenosha County Sheriff's Emergency Management. During this time, I have been able to supplement these roles with education and training in professional development, emergency management, and law enforcement.
I have displayed an ability to work on accomplishing goals and tasks in cooperation with others from the public, private sector partners, and other agencies that participate in emergency operations within Kenosha County. There have been many events that have taken place in Kenosha County in which I have participated. These include severe storms, tornadoes, large-scale power outages, special dignity events, civil unrest, protests, large-scale training exercises, and numerous high-profile crime scenes. I also have had experience in communicating effectively with members of the media and the public as the Public Information Officer at the Kenosha County Sheriff's Department.
My education, training, and experiences allow me to continue to manage the Kenosha County Sheriff's Division of Emergency Management in a way that will promote the participation of all in the coordination and implementation of emergency operations within Kenosha County.

WHEREAS, 2011 Wisconsin Act 35 grants employers that do not prohibit one or more employees from lawfully carrying a concealed weapon immunity from any liability arising from its decision, and;

County of Kenosha
Board of Supervisors
Resolution No. ____

Subject: A RESOLUTION TO LEASE KENOSHA COUNTY PROPERTY LOCATED AT 1301 85th STREET TO SQUARE DEAL TREES LLC FOR TWO MONTHS FOR THE SUM OF $250
Original _X_ Corrected __ 2nd Correction __ Resubmitted __
Date Submitted : 5/10/2022 Date resubmitted:

Prepared By: John F. Moyer

Whereas, Kenosha County recently acquired the property located at 1301 Sheridan Road, Kenosha, WI 53143, and

Whereas, this lot had been used in November and December as a Christmas tree lot for 30 years and Kenosha County was approached by the LLC which has been selling trees there by arrangement with the predecessor owner in order to continue for two more years to sell trees at the lot, and

Whereas, the property is currently vacant and its historic use and community familiarity support use by Square Deal Trees LLC and in the near-term it would be in the County's best interest to enter a short lease with a viable tenant, to assist in covering the on-going maintenance of the property, and

Whereas, the County was asked by Square Deal Trees LLC. to enter into a one-year lease (subject to one equivalent renewal term for 2023) for the vacant grass lot property, for the sum of $250, to operate a small, private, tree lot for holiday sales between November 1 and December 26, and

Whereas, the proposed use would be consistent with the property's current zoning, offer some short-term financial assistance for the property's maintenance and provide a venue for the continuation of a long-time holiday tree sales opportunity in the community.

NOW THEREFORE BE IT RESOLVED, The County Board of Supervisors approves the lease of the Kenosha County property located at 1301 Sheridan Road., Kenosha, WI, for $250 per two month term, and along the terms of the attached lease; and the County Clerk and County Executive are authorized to sign all necessary documents.

In the event of minor damage to any part of the Leased Premises, and if such damage does not render the Leased Premises unusable for Tenant's purposes, Landlord shall promptly repair such damage at the cost of the Landlord. In making the repairs called for in this paragraph, Landlord shall not be liable for any delays resulting from strikes, governmental restrictions, inability to obtain necessary materials or labor or other matters which are beyond the reasonable control of Landlord. Tenant shall be relieved from paying rent and other charges during any portion of the Lease term that the Leased Premises are inoperable or unfit for occupancy, or use, in whole or in part, for Tenant's purposes. Rentals and other charges paid in advance for any such periods shall be credited on the next ensuing payments, if any, but if no further payments are to be made, any such advance payments shall be refunded to Tenant. I was shocked the tires didn't pop rite there. It was also weird, because at 2 prior junctures on my detour travels on CJ, similar construction projects/ black top cross-cuts were pending east-ward towards MB (detour). These were considerably smoother/graded transitions between pavement/ ground under repair. Bottom line, the front tires were newer, but the backs needed replaced. Can we discuss compensation for the front tire assoc (dmg (tires + bent rims) plus an allignment?

I am @ Salem Auto awaiting the new tires body

Re: Formal demand for mediation and Notice of Claim

Dear Executive Kerkman, Sheriff Beth, Corporation Counsel Cardamon and Clerk Waligora:

My office, along with Kimberley Motley of Motley Legal Services, has been retained to represent Justin Blake and his recent interaction on April 25, 2021 with the Kenosha Sheriff's Department. Please send all future correspondence to my attention.

As noted, Mr. Blake, who is the uncle of Jacob Blake, along with two other men, held a silent protest outside of the Public Safety Building in Kenosha, protesting Jacob Blake's shooting. Mr. Blake was arrested around 10:00 p.m., purportedly for disorderly conduct, and subsequently for obstruction of a police officer.

Despite the fact that members of the Kenosha Sheriff's Department knew who Justin Blake was, and that he was the uncle of Jacob Blake, Justin Blake was placed in an emergency restraint chair in excess of **six hours** for failing to provide his name (which likely serves as the basis for the obstruction charge). However, emails and other documents obtained through open record requests reveal that members of the Department, as well as the District Attorney's Office, were fully cognizant as to Mr. Blake's identity. At no point did Mr. Blake resist his arrest, attempt to escape or cause injury to himself or others. Thus, there was no basis for him to be placed in the restraint chair, other than as a means of punishment for exercising his First Amendment Right to Protest, and his Fifth Amendment Right to remain silent.

As a result of the illegal arrest and subsequent restraint, Mr. Blake has suffered injury, of which we will seek compensation of at least $1 million dollars.

RECEIVED
2022 JUN 1 P MAIL

This letter will serve both as a formal demand to Kenosha to mediate this blatant disregard of Mr. Blake's civil rights, as well as a Notice of Claim. If a positive response to mediate this matter, likely with a retired federal judge, is not received **on or before July 1, 2022**, Mr. Blake has authorized us to file a federal civil rights lawsuit against Kenosha County and its agents

We await your prompt response to this demand to mediate.

Very truly yours,

Description of Accident or Loss:

I was travelling southbound in the left lane of I-94. Shortly before exit 342 for Highway 158, I hit a pothole in the middle of the lane and heard two loud pops. I was able to change lanes and pull over to the right shoulder of the highway. Upon inspection of my vehicle, I found that both front and rear tires and (at the time I thought just the front) wheel rim on the passenger side were shattered. The Kenosha County Sheriff's Office responded, and officer Kless (unit #299) informed me that there had been several other incidents with this same pothole and damage to other vehicles. Jensen Towing transported my vehicle to Kenosha tire. I opted to replace all four tires, which is shown on the receipt, but the total figure on the claim form includes half of the cost of the tires for the two that were damaged beyond repair. I had trouble locating a wheel rim for my vehicle but was eventually able to purchase one from Griffin Ford in Waukesha where my parents picked it up and drove it to me in Kenosha. After Kenosha Tire looked at my vehicle, they found that the rear wheel rim on the passenger side was also massively damaged and cracked and that the tire sensor also had to be replaced. They installed three new tires and one new wheel rim and put my spare tire on my vehicle, and I drove back to Waukesha where I purchased a second rim and tire sensor from Griffin Ford. They installed the fourth tire on the new wheel rim but were closing for the day, so I had to replace the spare with the new tire and rim that evening.

Enclosures:

- Kenosha County case information sheet
- Jensen towing receipt - $184.63
- Kenosha Tire receipt - $474.75 (for two tires)
- Griffin Ford receipt, first rim - $277.85 (excluding core deposit)
- Griffin Ford receipt for core deposit return
- Griffin Ford receipt, second rim and tire sensor - $432.00
