Conflict Of Interest: It would be inappropriate for you, as a current or prospective appointee, to have a member of your immediate family directly involved with any action that may come under the inquiry or advice of the appointed board, commission, or committee. A committee member declared in conflict would be prohibited from voting on any motion where "direct involvement" had been declared and may result in embarrassment to you and/or Kenosha County.

Fiscal Note

Levy Objective Benchmark

It is estimated that adopting a levy objective of 1.75% adjusted for inflation would result in a reduction in taxes to the County homeowner.

This estimate is arrived at as follows: Using 3.25% as an estimate of new construction increase, a levy increase of 1.75% would result in a 1.50% decrease in levy for the County homeowner. The Consumer Price Index (CPI) for the last 12 months ending May 2022 was 8.60%. Applying a 8.6% CPI decrease to the rate results in an inflation-adjusted decrease of 10.10% or approximately \$24.15 for a \$100,000 home.

Fiscal Impact of Levy Objective

The Administration estimates that to achieve the example of a 1.75% levy increase, it would be necessary to increase revenue or reduce spending by a combined net total of \$2.82 million. This estimate does not include potentially material additional costs that could influence this amount negatively. These factors include but are not limited to, State budget changes causing added unfunded mandates, higher Human Services juvenile placement costs, changes to certain employee group compensation, increasing inflationary pressures on costs, and the lingering economic effects of the COVID-19 pandemic. It is not known at this time whether this advisory levy amount would impact programs or services. The Administration will identify this as part of the budget process as necessary. There are presently no new County Board adopted programs that would impact the 2023 levy.

Debt Service

Debt service shall be included as part of the levy objective. Debt service is currently projected to increase \$766,000 in 2023.

**COUNTY BOARD OF SUPERVISORS
OF
KENOSHA COUNTY, WISCONSIN**

Resolution No.: 2022-_____

**A Resolution Authorizing and Providing for the Issuance of Not to Exceed
\$13,735,000 General Obligation Promissory Notes;
Providing for the Notification and Sale of said Notes;
and Other Related Details**

RECITALS

The County Board of Supervisors (the “**Governing Body**”) of Kenosha County, Wisconsin (the “**County**”) makes the following findings and determinations:

1. The County needs funds for the following purposes and in the proposed borrowing amounts set forth below (collectively, the “**Project**”):

	Maximum Amount Authorized	Proposed Borrowing Amount	Initial Resolution Number and Purpose
(a)	\$ 2,040,000	\$ 255,000	2017-53 - Grants for the Kenosha Area Business Alliance;
(b)	15,240,000	565,000	2020-50 - Budgeted Capital Projects Including Road and Highway Improvements; and
(c)	16,625,000	12,915,000	2021-75 - Budgeted Capital Projects Including Road and Highway Improvements.

2. On November 8, 2017, the Governing Body adopted initial resolution number 2017-53 for the purposes and in the maximum amount authorized as set forth in paragraph 1(a) above (“**Initial Resolution 2017-53**”). Of the \$2,040,000 maximum borrowing amount authorized by Initial Resolution 2017-53, the County previously borrowed (i) \$255,000 in connection with the issuance of its \$13,360,000 General Obligation Promissory Notes, Series 2020C, dated September 3, 2020, and (ii) \$755,000 in connection with the issuance of its \$15,445,000 General Obligation Promissory Notes, Series 2021A, dated September 1, 2021 (the “**2021A Notes**”). As of the date of this resolution, \$1,030,000 of the maximum borrowing amount authorized by Initial Resolution 2017-53 remains available.

3. On November 12, 2020, the Governing Body adopted initial resolution number 2020-50 for the purposes and in the maximum amount authorized as set forth in paragraph 1(b) above (“**Initial Resolution 2020-50**”). Of the \$15,240,000 maximum borrowing amount authorized by Initial Resolution 2020-50, the County previously borrowed \$14,675,000

in connection with the issuance of the 2021A Notes. As of the date of this resolution, \$565,000 of the maximum borrowing amount authorized by Initial Resolution 2020-50 remains available.

4. On November 3, 2021, the Governing Body adopted initial resolution number 2021-75 for the purposes and in the maximum amount authorized as set forth in paragraph 1(c) above (“**Initial Resolution 2021-75**”). The County has not previously borrowed under the authority granted by Initial Resolution 2021-75; therefore, as of the date of this resolution, the maximum borrowing amount of \$16,625,000 authorized by Initial Resolution 2021-75 remains available.

5. Each initial resolution described in the preceding paragraphs was (i) adopted by an affirmative vote of at least three-fourths of the members-elect (as defined in Section 59.001 (2m) of the Wisconsin Statutes) of the Governing Body in accordance with Section 67.045(1)(f) of the Wisconsin Statutes, and (ii) approved and signed by the County Executive in accordance with Section 59.17(6) of the Wisconsin Statutes.

6. The County may choose to issue one or more separate series of obligations to finance portions of the Project.

7. The Governing Body deems it in the best interests of the County that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project, pursuant to the provisions of Section 67.12 (12) of the Wisconsin Statutes, and upon the terms and conditions set forth below.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Authorization to Combine Purposes of Notes.

The purposes of the Project are each hereby authorized to be undertaken and are hereby authorized to be combined into a single note issue; *provided, however*, that the County may choose to issue one or more separate series of notes to finance portions of the Project. In that event, the provisions of Sections 2 through 6 of this resolution will apply to each such series.

Section 2. Authorization of Issuance of Notes.

For the purposes of the Project, there shall be, and there are hereby, authorized and ordered to be prepared, executed, and issued, fully registered, negotiable, general obligation promissory notes of the County, in one or more series, in an aggregate principal amount of not to exceed \$13,735,000 (the “**Notes**”). The Notes will be issued under and by virtue of the provisions of Section 67.12 (12) of the Wisconsin Statutes.

Section 3. Authorization of Sale of Notes.

The Notes are hereby authorized and ordered to be sold to a purchaser to be determined by competitive bid (the “**Purchaser**”).

Section 4. Preparation of Official Statement and Notice of Sale.

The Chairperson, the County Clerk, the County Executive, and the Finance Director (in consultation with the County's Financial Advisor, Ehlers and Associates, Inc.) are each hereby authorized to cause a preliminary offering document for the Notes (the "**Official Statement**") to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a "**Notice of Sale**" and a "**Bid Form**". The Chairperson, the County Clerk, the County Executive, and the Finance Director are each hereby authorized, on behalf of the County, to approve the form of Official Statement and to deem it final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The County Clerk is hereby further authorized and directed to cause notice of the sale of the Notes to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the same locations that the County routinely uses for posting notices of its official business.

Section 5. Bids for Notes.

Written bids for the sale of the Notes shall be received by the County on the date fixed in the Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right, in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of the Notice of Sale.

Section 6. Further Actions.

The issuance of the Notes shall be subject to the condition that the Governing Body has adopted a resolution to award the sale of the Notes to the Purchaser, to approve the purchase contract submitted by the Purchaser to evidence the purchase of the Notes, which may be in the form of an executed Bid Form (the "**Note Purchase Agreement**"), to fix the interest rate or rates on the Notes in accordance with the Note Purchase Agreement, to provide for the form of the Notes, to set forth any early redemption provisions, to levy taxes to pay the principal of, and interest on, the Notes as required by law, to designate a fiscal agent for the Notes, and to take such further action as may be necessary or expedient to provide for the preparation, execution, issuance, delivery, payment, and cancellation of the Notes.

Section 7. Severability of Invalid Provisions.

In case any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this resolution.

Section 8. Authorization to Act.

The officers of the County, attorneys for the County, or other agents or employees of the County are hereby authorized to do all acts and procedures required of them by this resolution for the full, punctual, and complete performance of all the provisions of this resolution.

Section 9. Prior Actions Superseded.

All prior resolutions, rules, ordinances, or other actions, or parts thereof, of the Governing Body in conflict with the provisions of this resolution shall be and the same are hereby rescinded insofar as they may so conflict.

Section 10. Effective Date.

This resolution shall take effect upon its adoption and approval in the manner provided by law.

Remaining estimated General Obligation Borrowing Capacity will be approximately \$847 million.

Term/Call Feature:

The Notes are being issued for a term of 10 years. Principal on the Notes will be due on September 1 in the years 2023 through 2032. Interest is payable every six months beginning March 1, 2023.

The Notes will be subject to prepayment at the discretion of the County on September 1, 2030 or any date thereafter.

Bank Qualification:

Because the County is issuing, or expects to issue, more than \$10,000,000 in tax-exempt obligations during the calendar year, the County will be not able to designate the Notes as "bank qualified" obligations.

Rating:

The County's most recent bond issues were rated by S&P Global Ratings and Fitch Ratings. The current rating on those bonds is "AAA" and "AA+", respectively. The County will request a new rating for the Notes.

Basis for Recommendation:

Based on your objectives, financial situation and need, risk tolerance, liquidity needs, experience with the issuance of Notes and long-term financial capacity, as well as the tax status considerations related to the Notes and the structure, timing and other similar matters related to the Notes, we are recommending the issuance of Notes as a suitable option.

Method of Sale/Placement:

We are recommending the Notes be issued as municipal securities and offered through a competitive underwriting process. We will solicit competitive bids for the purchase of the Notes from underwriters and banks.

We will include an allowance for discount bidding in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.

If the Notes are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.

Premium Pricing:

In some cases, investors in municipal bonds prefer "premium" pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered "reoffering premium." The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or "discount") but will pay the remainder of the premium to the County.

For this issue of Notes, any premium amount received that is in excess of the underwriting discount and any capitalized interest amounts must be placed in the debt service fund and used to pay a portion of the interest payments due on the Notes. We anticipate using any premium amounts received to reduce the issue size.

The amount of premium allowed can be restricted in the bid specifications. Restrictions on premium may result in fewer bids, but may also eliminate large adjustments on the day of sale and unintended results with respect to debt service payment impacts. Ehlers will identify appropriate premium restrictions for the Notes intended to achieve the County's objectives for this financing.

Other Considerations:

The Notes will be offered with the option of the successful bidder utilizing a term bond structure. By offering underwriters the option to “term up” some of the maturities at the time of the sale, it gives them more flexibility in finding a market for your Notes. This makes your issue more marketable, which can result in lower borrowing costs. In the event that the successful bidder utilizes a term bond structure, we recommend the County retain a paying agent to handle responsibility for processing mandatory redemption/call notices associated with term bonds.

Review of Existing Debt:

We have reviewed all outstanding indebtedness for the County and find that there are no refunding opportunities at this time.

We will continue to monitor the market and the call dates for the County’s outstanding debt and will alert you to any future refunding opportunities.

Continuing Disclosure:

Because the County has more than \$10,000,000 in outstanding debt (including this issue) and this issue is over \$1,000,000, the County will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the “MSRB”), as required by rules of the Securities and Exchange Commission (SEC). The County is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.

Arbitrage Monitoring:

The County must ensure compliance with certain sections of the Internal Revenue Code and Treasury Regulations (“Arbitrage Rules”) throughout the life of the issue to maintain the tax-exempt status of the Notes. These Arbitrage Rules apply to amounts held in construction, escrow, reserve, debt service account(s), etc., along with related investment income on each fund/account.

IRS audits will verify compliance with rebate, yield restriction and records retention requirements within the Arbitrage Rules. The County’s specific arbitrage responsibilities will be detailed in the Tax Certificate (the “Tax Compliance Document”) prepared by your Bond Attorney and provided at closing.

The Notes may qualify for one or more exception(s) to the Arbitrage Rules by meeting 1) small issuer exception, 2) spend down requirements, 3) bona fide debt service fund limits, 4) reasonable reserve requirements, 5) expenditure within an available period limitations, 6) investments yield restrictions, 7) de minimis rules, or; 8) borrower limited requirements.

We recommend that the County review its specific responsibilities related to the Notes with an arbitrage expert in order to utilize one or more of the exceptions listed above.

Investment of Note Proceeds:

Ehlers can assist the County in developing a strategy to invest your Note proceeds until the funds are needed to pay project costs.

Other Service Providers:

This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.

RECITALS

The County Board of Supervisors (the “**Governing Body**”) of Kenosha County, Wisconsin (the “**County**”) makes the following findings and determinations:

1. The County needs funds for the following purposes and in the proposed borrowing amounts set forth below (collectively, the “**Project**”):

	Maximum Amount Authorized	Proposed Borrowing Amount	Initial Resolution Number and Purpose
(a)	\$7,945,000	\$ 165,000	2020-51 – Highway Projects Including Hwy S Project (between Hwy 31 and I-94); and
(b)	7,850,000	6,325,000	2021-76 – Highway, Bridge, and Waterway Projects.

2. On November 12, 2020, the Governing Body adopted initial resolution number 2020-51 for the purposes and in the maximum amount authorized as set forth in paragraph 1(a) above (“**Initial Resolution 2020-51**”). Of the \$7,945,000 maximum borrowing amount authorized by Initial Resolution 2020-51, the County previously borrowed \$7,780,000 in connection with the issuance of its \$11,890,000 General Obligation Highway Improvement Bonds, Series 2021B, dated September 1, 2021. As of the date of this resolution, \$165,000 of the maximum borrowing amount authorized by Initial Resolution 2020-51 remains available.

3. On November 3, 2021, the Governing Body adopted initial resolution number 2021-76 for the purposes and in the maximum amount authorized as set forth in paragraph 1(b) above (“**Initial Resolution 2021-76**”). The County has not previously borrowed under the authority granted by Initial Resolution 2021-76; therefore, as of the date of this resolution, the maximum borrowing amount of \$7,850,000 authorized by Initial Resolution 2021-76 remains available.

4. Each initial resolution described in the preceding paragraphs was (i) adopted by an affirmative vote of at least three-fourths of the members-elect (as defined in

Section 59.001 (2m) of the Wisconsin Statutes) of the Governing Body in accordance with Section 67.045(1)(f) of the Wisconsin Statutes, and (ii) approved and signed by the County Executive in accordance with Section 59.17(6) of the Wisconsin Statutes.

5. The County Clerk caused notice of the adoption of (i) Initial Resolution 2020-51 to be given to the electors of the County by publication in the County's official newspaper on November 25, 2020 in the manner and form directed by Initial Resolution 2020-51, and (ii) Initial Resolution 2021-76 to be given to the electors of the County by publication in the County's official newspaper on November 10, 2021 in the manner and form directed by Initial Resolution 2021-76.

6. No sufficient petition for referendum on the question of the adoption or effectiveness of (i) Initial Resolution 2020-51, or the issuance of the bonds described therein, was filed with the County Clerk within 30 days after the date on which Initial Resolution 2020-51 was adopted, or (ii) Initial Resolution 2021-76, or the issuance of the bonds described therein, was filed with the County Clerk within 30 days after the date on which Initial Resolution 2021-76 was adopted.

7. The County may choose to issue one or more separate series of obligations to finance portions of the Project.

8. The Governing Body deems it in the best interests of the County that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project, pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and upon the terms and conditions set forth below.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Authorization to Combine Purposes of Bonds.

The purposes of the Project are each hereby authorized to be undertaken and are hereby authorized to be combined into a single bond issue designated as "corporate purpose bonds" as more fully provided below; *provided, however*, that the County may choose to issue one or more separate series of bonds to finance portions of the Project. In that event, the provisions of Sections 2 through 6 of this resolution will apply to each such series.

Section 2. Authorization of Issuance of Bonds.

For the purposes of the Project, there shall be, and there are hereby, authorized and ordered to be prepared, executed, and issued, fully registered, negotiable, general obligation corporate purpose bonds of the County, in one or more series, in an aggregate principal amount not to exceed \$6,490,000 (the "**Bonds**"). The Bonds will be issued under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes.

Section 3. Authorization of Sale of Bonds.

The Bonds are hereby authorized and ordered to be sold to a purchaser to be determined by competitive bid (the “**Purchaser**”).

Section 4. Preparation of Official Statement and Notice of Sale.

The Chairperson, the County Clerk, the County Executive, and the Finance Director (in consultation with the County’s Financial Advisor, Ehlers and Associates, Inc.) are each hereby authorized to cause a preliminary offering document for the Bonds (the “**Official Statement**”) to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a “**Notice of Sale**” and a “**Bid Form**”. The Chairperson, the County Clerk, the County Executive, and the Finance Director are each hereby authorized, on behalf of the County, to approve the form of Official Statement and deem it final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The County Clerk is hereby further authorized and directed to cause notice of the sale of the Bonds to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the same locations that the County routinely uses to post notices of its official business.

Section 5. Bids for Bonds.

Written bids for the sale of the Bonds shall be received by the County on the date fixed in the Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right, in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of the Notice of Sale for the Bonds.

Section 6. Further Actions.

The issuance of the Bonds shall be subject to the condition that the Governing Body has adopted a resolution to award the sale of the Bonds to the Purchaser, to approve the purchase contract submitted by the Purchaser to evidence the purchase of the Bonds, which may be in the form of an executed Bid Form (the “**Bond Purchase Agreement**”), to fix the interest rate or rates on the Bonds in accordance with the Bond Purchase Agreement, to provide for the form of the Bonds, to set forth any early redemption provisions, to levy taxes to pay the principal of, and interest on, the Bonds as required by law, to designate a fiscal agent for the Bonds, and to take such further action as may be necessary or expedient to provide for the preparation, execution, issuance, delivery, payment, and cancellation of the Bonds.

Section 7. Severability of Invalid Provisions.

In case any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this resolution.

Section 8. Authorization to Act.

The officers of the County, attorneys for the County, or other agents or employees of the County are hereby authorized to do all acts and procedures required of them by this resolution for the full, punctual, and complete performance of all the provisions of this resolution.

Section 9. Prior Actions Superseded.

All prior resolutions, rules, ordinances, or other actions, or parts thereof, of the Governing Body in conflict with the provisions of this resolution shall be and the same are hereby rescinded insofar as they may so conflict.

Section 10. Effective Date.

This resolution shall take effect upon its adoption and approval in the manner provided by law.

BUILDING COMMUNITIES. IT'S WHAT WE DO.

EXECUTIVE SUMMARY OF PROPOSED DEBT

Proposed Issue:

\$6,490,000 General Obligation Corporate Purpose Bonds, Series 2022B

Purposes:

The proposed issue includes financing for the following purposes: Highway, bridge, and waterway projects. Debt service will be paid from ad valorem property taxes.

Authority:

The Bonds are being issued pursuant to Wisconsin Statute(s):

- 67.04

The Bonds will be general obligations of the County for which its full faith, credit and taxing powers are pledged.

The Bonds count against the County's General Obligation Debt Capacity Limit of 5% of total County Equalized Valuation. Following issuance of the Bonds and Notes, the County's total General Obligation debt principal outstanding will be approximately \$160 million, which is 16% of its limit. Remaining estimated General Obligation Borrowing Capacity will be approximately \$847 million.

Term/Call Feature:

The Bonds are being issued for a term of 20 years. Principal on the Bonds will be due on September 1 in the years 2023 through 2042. Interest is payable every six months beginning March 1, 2023.

The Bonds will be subject to prepayment at the discretion of the County on September 1, 2030 or any date thereafter.

Bank Qualification:

Because the County is issuing, or expects to issue, more than \$10,000,000 in tax-exempt obligations during the calendar year, the County will be not able to designate the Bonds as "bank qualified" obligations.

Rating:

The County's most recent bond issues were rated by S&P Global Ratings and Fitch Ratings. The current rating on those bonds is "AAA" and "AA+", respectively. The County will request a new rating for the Bonds.

Basis for Recommendation:

Based on your objectives, financial situation and need, risk tolerance, liquidity needs, experience with the issuance of Bonds and long-term financial capacity, as well as the tax status considerations related to the Bonds and the structure, timing and other similar matters related to the Bonds, we are recommending the issuance of Bonds as a suitable option.

Method of Sale/Placement:

We are recommending the Bonds be issued as municipal securities and offered through a competitive underwriting process. We will solicit competitive bids for the purchase of the Bonds from underwriters and banks.

We will include an allowance for discount bidding in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.

If the Bonds are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.

Premium Pricing:

In some cases, investors in municipal bonds prefer “premium” pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered “reoffering premium.” The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or “discount”) but will pay the remainder of the premium to the County.

For this issue of Bonds, any premium amount received that is in excess of the underwriting discount and any capitalized interest amounts must be placed in the debt service fund and used to pay a portion of the interest payments due on the Bonds. We anticipate using any premium amounts received to reduce the issue size.

The amount of premium allowed can be restricted in the bid specifications. Restrictions on premium may result in fewer bids, but may also eliminate large adjustments on the day of sale and unintended results with respect to debt service payment impacts. Ehlers will identify appropriate premium restrictions for the Bonds intended to achieve the County’s objectives for this financing.

Other Considerations:

The Bonds will be offered with the option of the successful bidder utilizing a term bond structure. By offering underwriters the option to “term up” some of the maturities at the time of the sale, it gives them more flexibility in finding a market for your Bonds. This makes your issue more marketable, which can result in lower borrowing costs. In the event that the successful bidder utilizes a term bond structure, we recommend the County retain a paying agent to handle responsibility for processing mandatory redemption/call notices associated with term bonds.

Review of Existing Debt:

We have reviewed all outstanding indebtedness for the County and find that there are no refunding opportunities at this time.

We will continue to monitor the market and the call dates for the County's outstanding debt and will alert you to any future refunding opportunities.

Continuing Disclosure:

Because the County has more than \$10,000,000 in outstanding debt (including this issue) and this issue is over \$1,000,000, the County will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the "MSRB"), as required by rules of the Securities and Exchange Commission (SEC). The County is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.

Arbitrage Monitoring:

The County must ensure compliance with certain sections of the Internal Revenue Code and Treasury Regulations ("Arbitrage Rules") throughout the life of the issue to maintain the tax-exempt status of the Bonds. These Arbitrage Rules apply to amounts held in construction, escrow, reserve, debt service account(s), etc., along with related investment income on each fund/account.

IRS audits will verify compliance with rebate, yield restriction and records retention requirements within the Arbitrage Rules. The County's specific arbitrage responsibilities will be detailed in the Tax Certificate (the "Tax Compliance Document") prepared by your Bond Attorney and provided at closing.

The Bonds may qualify for one or more exception(s) to the Arbitrage Rules by meeting 1) small issuer exception, 2) spend down requirements, 3) bona fide debt service fund limits, 4) reasonable reserve requirements, 5) expenditure within an available period limitations, 6) investments yield restrictions, 7) de minimis rules, or; 8) borrower limited requirements.

We recommend that the County review its specific responsibilities related to the Bonds with an arbitrage expert in order to utilize one or more of the exceptions listed above.

Investment of Bond Proceeds:

Ehlers can assist the County in developing a strategy to invest your Bond proceeds until the funds are needed to pay project costs.

Other Service Providers:

This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously

required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.

3. Kenosha County agrees to record all ROW that is acquired within the limits of Kenosha County.
4. It is mutually agreed by and between the parties hereto that Kenosha County shall continue its maintenance and jurisdictional authority, including snow and ice control, over 39th Avenue north of Russell Road, excluding Lake County's maintenance responsibilities identified in Section III, Items 6-7 above.
5. Kenosha County agrees to coordinate future improvements on 39th Avenue (Kenosha County Trunk Highway EZ) with the Lake County's Director of Transportation/County Engineer, including but not limited to, pavement striping, signage, lighting and landscaping from Russell Road to 125th Place to minimize conflicts with necessary signage, lighting and overall operations of the ROUNDABOUT.

2. It is further mutually agreed by and between the parties hereto that for purposes of THIS AGREEMENT, ROUTINE MAINTENANCE shall include items such as snow and ice control, the removal of debris, removal of graffiti from signage, replacement and/or reinstallation of damaged signage, street sweeping, repair of potholes, minor curb repair, televising and cleaning storm sewer, storm sewer structure adjustments, and landscaping maintenance (including but not limited to mowing, removal of vegetation obscuring visibility of signs or limiting sight distance at intersections, and keeping areas around signs and other highway appurtenances clear.). Said ROUTINE MAINTENANCE of the ROUNDABOUT shall be performed by Lake County without reimbursement from Kenosha County so long as Russell Road and Lewis Avenue south of Russell Road remain under the Lake County's jurisdiction or until such time as the ROUNDABOUT is removed.
3. Hello,

My name is Mitchel Monroe and I have been asked to send in information regarding a vehicle collision.

On Monday, June 6th 2022 at around 6:30 am I left my home address of 7108 41st Ave, Kenosha WI 53142, and headed south on 41st Ave. I was on my way to work when I was approaching 73rd Street. Between the vehicles, I saw a brief flash of white out of the corner of my eye, and then there was a Kenosha County Sherriff's SUV in front of me. Its emergency lights were off. I could not stop in time and hit the passenger side of the vehicle with the front driver's side of my car. By the time the vehicle had stopped the passenger side rear tire was centered on my vehicle. We then pulled west onto 73rd at the corner of Pershing Blvd and 73rd Street. There we waited for the city police to come to take the reports. The damages to my vehicle include the hood bent up and out of shape, the passenger door does not open, and the front bumper being shifted over to the passenger side and bent into where there is rubbing against the tire and washer fluid reservoir, drive side headlight no longer works. The preliminary estimate is for \$7,449.22 to repair the damage to the vehicle. I am looking to have these fees processed by the insurance company of the person at fault. Please see the enclosed preliminary estimate and image report from Schmit Bros Auto Inc.
