#### PAYMENT TO SUPERVISORY STAFF AT THE KENOSHA COUNTY SHERIFF'S DEPARTMENT

- Whereas, salaried supervisory employees at the Kenosha County Sheriff's Department are NOT paid for overtime hours in the performance of their duties and;
- Whereas, these salaried employees included the Chief Deputy, Captains, Lieutenants, Sergeants, and;
- Whereas, they worked in some cases as many as 100 hours per week during the riots of August 2020, in an atmosphere of Covid and danger;
- Whereas, it is unfair to expect them to work overtime for free and;
- Whereas, the American Rescue Plan Act can provide some of the funding retroactive to August 1, 2020;
- Whereas, many deputies do not apply for supervisory command positions because of non-payment of overtime, and;
- Whereas, this change in compensation will address that problem and is consistent with fairness.

Now therefore be it resolved and enacted by the Kenosha County Board of Supervisors as follows:

 Commencing August 1, 2020, Kenosha County Sheriff's Department Chief Deputy, Captains, Lieutenants, and Sergeants be paid overtime at a rate of time and one half;

- 2. The supervisor be paid at the rank attained August 1, 2020, and therefore, retroactively, and;
- 3. That the funding commencing August 1, 2020, be paid by the funds received pursuant to the American Rescue Plan Act and the balance, if any, be paid out of the Kenosha County General Fund.

Supervisor Terry W. Rose

# TIMING AND DISTRIBUTION OF FUNDS

#### 2. HOW AND WHEN WILL THE RECOVERY FUNDS BE DISTRIBUTED?

The ARP directs the Treasury to distribute funds no later than 60-days after a county certifies it needs funds. On May 10, the U.S. Treasury opened the portal for requesting funds. Treasury will distribute funds directly to **counties of all sizes – regardless of population**.

#### 3. IS THERE A DEADLINE TO APPLY FOR FUNDS?

No. The Interim Final Rule requires that costs be incurred by December 31, 2024. Counties are encouraged to apply as soon as possible.

# **ELIGIBLE USES**

#### 4. HOW DO I KNOW IF A SPECIFIC USE IS ELIGIBLE?

Fiscal Recovery Funds must be used in one of the four eligible use categories specified in the American Rescue Plan Act:

1. To respond to the public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality;

2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;

3. For the provision of government services to the extent of the reduction in revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and

4. To make necessary investments in water, sewer, or broadband infrastructure

#### 5. ARE EXPENSES THAT WERE ALLOWED UNDER THE CARES ACT CORONAVIRUS RELIEF FUND ALSO ALLOWABLE UNDER THE RECOVERY FUND?

Yes. However, there are three exceptions – certain restrictions on payroll costs for public health and safety employees, expenses related to issuing tax-anticipation notes are not eligible and non-federal matching requirements.

#### 6. WHAT IS THE DIFFERENCE IN PAYROLL EXPENSE COVERAGE IN THE CARES ACT CORONAVIRUS RELIEF FUND AND THE AMERICAN RESCUE PLAN STATE AND LOCAL FISCAL RECOVERY FUND?

FIELD CASE REPORT

#### NARRATIVE

I, Sgt. David Zoerner, responded to Stein Farms at 5708 312<sup>th</sup> Avenue reference following up on a Cabaret License Check that I conducted on 06-12-2019.

The structures and layout of the venue remain unchanged from my previous inspection. See attached diagram.

Stein Farms is not currently in possession of a valid Class B Liquor License, as it is to be voted upon by the Town of Wheatland Board at the town meeting Monday, June 22, 2020, per Wheatland Town Clerk, Shiela Siegler. Clerk Siegler advised that she will forward the Class B Liquor License as soon as it is available. No problems with its issuance are foreseen.

Nothing further at this time.

FIELD CASE SUPPLEMENT

CASE# 2019-00325599

#### SUPPLEMENTAL NARRATIVE

On 07/29/2019, I, Sgt. David Zoerner received notification from Town of Wheatland Clerk Sheila Siegler reference the Stein Farms Cabaret License Check final inspection. Clerk Siegler advised that the Stein Farm has not received "a final sign off," but with extenuating circumstances.

Stein Farms has received approval from the state of the revised fire suppression plans for the building. The fire suppression system has been installed and last Friday it did pass a pressure test of the system. But, to receive a final signoff, the test must be performed in the presence of the building inspector and fire chief by an independent testing firm. Neither of those two officials were available on Friday. So, a date has been set up for mid-August. At that time, there should be a final to this.

Clerk Seigler advises that she will advise the Sheriff's Office of the outcome of that final inspection.

#### NARRATIVE

On 06-12-2019 at 1542 hours, Sergeant David Zoerner conducted a Probationary Cabaret License Application Check at Stein Farms, 5708 312<sup>th</sup> Avenue. I met with owner Clem Stein in the north building at the bar area. I observed their Class B Retailer's License issued by the Town of Wheatland on May 13, 2019 clearly displayed on the west wall at the bar area. Expires June 30, 2019. Also clearly displayed was the Temporary Cabaret License for an event held there on June 8, 2019. Mr. Stein also presented me with three additional Temporary Cabaret Licenses for upcoming events. These are dated for June 16, 2019, June 23, 2019 and June 30, 2019. I gave Clem Stein a printed copy of the Kenosha County Ordinance 8.02 Cabaret Licenses.

The Stein Farms venue is two separate buildings. The north building contains a dance area with a small stage in the northeast corner, bar and kitchen area. The building to the south contains seating area for dinner service, also can be used as a dancing area, per Clem Stein. There is an outdoor seating area to the east of these buildings. The north side of the property contains the parking area including clearly marked handicap accessible parking stalls directly in front of the north building and outdoor seating area.

Stein Farms has had issues with its fire suppression system and does not have a final inspection completed by the state at this time. I spoke with Shiela Siegler, Clerk for the Town of Wheatland reference the inspection for Stein Farms LLC. Clerk Siegler advised that Stein Farms is waiting for a revised state plan approval as there were changes made during the installation of their fire suppression system. Stein Farms cannot receive a final inspection from the Town of Wheatland building inspector until Town of Wheatland has the state approved plan on file.

Clerk Siegler advised that although municipalities can issue business licenses, the Town of Wheatland does not. Siegler provided me with copies of business documentation for Stein Farms LLC including the Wisconsin Department of Revenue Seller's Permit, State of Wisconsin Articles of Incorporation - Limited Liability Company, Alcohol Dealer Registration from the Alcohol and Tobacco Tax and Trade Bureau and their Internal Revenue Service Employer ID number assignment.

#### NARRATIVE

I, Sgt. David Zoerner, responded to Stein Farms at 5708 312<sup>th</sup> Avenue reference following up on a Cabaret License Check that I conducted on 06-12-2019.

The structures and layout of the venue remain unchanged from my previous inspection. See attached diagram.

Stein Farms is not currently in possession of a valid Class B Liquor License, as it is to be voted upon by the Town of Wheatland Board at the town meeting Monday, June 22, 2020, per Wheatland Town Clerk, Shiela Siegler. Clerk Siegler advised that she will forward the Class B Liquor License as soon as it is available. No problems with its issuance are foreseen.

Nothing further at this time.

CASE# 2019-00325599

#### SUPPLEMENTAL NARRATIVE

On 07/29/2019, I, Sgt. David Zoerner received notification from Town of Wheatland Clerk Sheila Siegler reference the Stein Farms Cabaret License Check final inspection. Clerk Siegler advised that the Stein Farm has not received "a final sign off," but with extenuating circumstances.

Stein Farms has received approval from the state of the revised fire suppression plans for the building. The fire suppression system has been installed and last Friday it did pass a pressure test of the system. But, to receive a final signoff, the test must be performed in the presence of the building inspector and fire chief by an independent testing firm. Neither of those two officials were available on Friday. So, a date has been set up for mid-August. At that time, there should be a final to this.

Clerk Seigler advises that she will advise the Sheriff's Office of the outcome of that final inspection.

### KENOSHA SHERIFF FIELD CASE REPORT

#### NARRATIVE

On 06-12-2019 at 1542 hours, Sergeant David Zoerner conducted a Probationary Cabaret License Application Check at Stein Farms, 5708 312<sup>th</sup> Avenue. I met with owner Clem Stein in the north building at the bar area. I observed their Class B Retailer's License issued by the Town of Wheatland on May 13, 2019 clearly displayed on the west wall at the bar area. Expires June 30, 2019. Also clearly displayed was the Temporary Cabaret License for an event held there on June 8, 2019. Mr. Stein also presented me with three additional Temporary Cabaret Licenses for upcoming events. These are dated for June 16, 2019, June 23, 2019 and June 30, 2019. I gave Clem Stein a printed copy of the Kenosha County Ordinance 8.02 Cabaret Licenses.

The Stein Farms venue is two separate buildings. The north building contains a dance area with a small stage in the northeast corner, bar and kitchen area. The building to the south contains seating area for dinner service, also can be used as a dancing area, per Clem Stein. There is an outdoor seating area to the east of these buildings. The north side of the property contains the parking area including clearly marked handicap accessible parking stalls directly in front of the north building and outdoor seating area.

Stein Farms has had issues with its fire suppression system and does not have a final inspection completed by the state at this time. I spoke with Shiela Siegler, Clerk for the Town of Wheatland reference the inspection for Stein Farms LLC. Clerk Siegler advised that Stein Farms is waiting for a revised state plan approval as there were changes made during the installation of their fire suppression system. Stein Farms cannot receive a final inspection from the Town of Wheatland building inspector until Town of Wheatland has the state approved plan on file.

Clerk Siegler advised that although municipalities can issue business licenses, the Town of Wheatland does not. Siegler provided me with copies of business documentation for Stein Farms LLC including the Wisconsin Department of Revenue Seller's Permit, State of Wisconsin Articles of Incorporation - Limited Liability Company, Alcohol Dealer Registration from the Alcohol and Tobacco Tax and Trade Bureau and their Internal Revenue Service Employer ID number assignment.

Kenosha County Sheriff's Department Application # BJA-2021-35004 BJA FY2021 Edward Byrne Memorial Justice Assistance Grant (JAG) Project Title: TruSpeed Laser Speed Devices Purpose Area: Law Enforcement Type of Program: Equipment

## Program Narrative

The federal Edward Byrne Memorial Justice Assistance Grant program provides critical funding for Kenosha County Sheriff's Department (KSD) to support law enforcement equipment. This round of funding will be used to purchase TruSpeed Laser Speed Devices, these devices assist in speed enforcement as well as measuring severe crashes and crime scenes

Kenosha County is located in the southeast corner of the State of WI with a population of 166,426 (2010 Census) and is positioned between two large municipalities: Milwaukee, WI to the north and Chicago, IL to the south, both within 1-hour travel. Kenosha County also is a part of the north-south corridor of Interstate 94, a major thoroughfare. The Kenosha County Sheriff's Department has patrol jurisdiction of the entire 272 square miles of the county.

Utilizing the annual JAG program funding opportunity, we've purchased three (3) AED's in 2007 and eight (8) AED's in 2012.

In 2018, the Sheriff's Department had included in their operating budget to afford to purchase twenty one (21) additional AED's.

In 2019, the Sheriff's Department purchased eleven (11) additional AED's using the JAG program funding opportunity;

In 2020, the Sheriff's Department utilized the grant funding to afford the purchase of ten (10) additional AED's.

In 2021, the Sheriff's Department will utilize the grant funding to afford the purchase of six (6) additional TruSpeed Laser Speed Devices used for speed enforcement as well as measuring severe crashes and crime scenes.

**Goal:** Increase the quantity of our inventory of TruSpeed Laser Speed Devices in order to provide enough devices to equip the new squads.

As a disparate jurisdiction under the FY2021 JAG Byrne grant program, Kenosha County, will set-aside 3% (\$437.00) of our sub-recipient amount of \$14,577 toward expenses incurred in order for the Kenosha County Sheriff's Department to become NIBRS compliant by September 30, 2023.

**Goal**: To utilize the \$437.00 of 'set-aside' funds awarded in the FY2021 JAG grant program to cover costs of software/hardware/labor costs to implement the move from UCR data reporting elements to NIBRS reporting format for crime statistics.

### Assessment/Evaluation

Performance measures will be dictated by accomplishing purchasing the Laser Speed Devices and installing them in the new squads as we move through the year. It will include demonstrating procurement and inventory control and staff training, if necessary.

Evaluation of the project will include determining the number of Laser Speed Devices that will still be needed to up fit the newly added fleet. Also, an assessment will be made as to the progress of the data conversion tasks that must be undertaken with our records management system to move from UCR crime reporting data to the NIBRS crime reporting data elements.

## Sustainability

Additional purchases may be required, once this funding expires, to continue adding to our inventory of Laser Speed Devices to be able to up fit new squads that will be added to our fleet in the future.

It is the intent of the Sheriff's Department to begin to utilize funds provided through the federal BJA Edward Byrne Memorial JAG annual formula grant to build our inventory of the Laser Speed Devices.

Annually, local levy funding and other non-levy revenue sources may be planned, through the Sheriff's operating budget process, to afford repairs and accessories for the current inventory of Laser Speed Devices. It is estimated that that no more than \$2,500 per year will be necessary for repair/supply needs.
