#### Note: Agricultural Use Conversion Charge

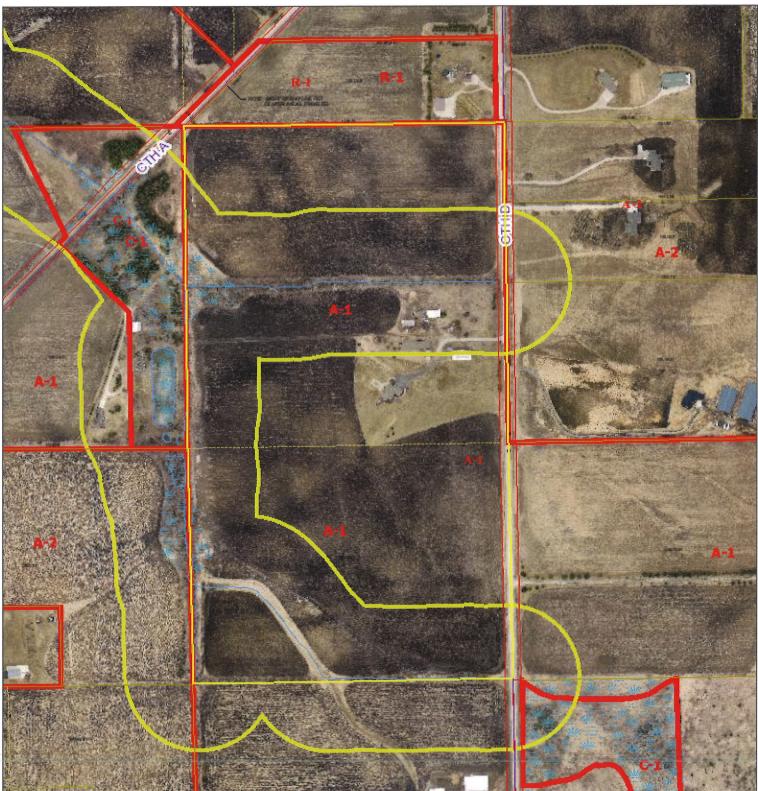

The use value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a non-agricultural use (e.g. residential or commercial development), that person may owe a conversion charge. To obtain more information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization Section at 608-266-2149 or visit <a href="http://www.revenue.wi.gov/faqs/slf/useassmt.html">http://www.revenue.wi.gov/faqs/slf/useassmt.html</a>.

Note that the act of rezoning property from an agricultural zoning district to a non-agricultural zoning district does not necessarily trigger the agricultural use conversion charge. It is when the <u>use</u> of the property changes from agricultural that the conversion charge is assessed.
