Summary: The Kenosha County ALERT Bomb Squad is in need of a new bomb suit. We are currently using one EOD 10 and one EOD 9 bomb suits. The EOD 9 was manufactured in 04/2006. The manufacture of the suits recommends they be replaced after 10 years of use. The EOD Bomb Suit 2019 grant will allow for the purchase of a new EOD 10 bomb suit. The EOD 10 offers advanced technology with reduced weight and greater protection from explosive threats. The EOD 10 Bomb Suit Ensemble meets the requirements set forth in the U.S. National Institute of Justice NIJ 0117.01 Public Safety Bomb Suit Standard. The bomb suit will protect the bomb technician from the four main threats from a blast: overpressure, fragmentation, impact and heat. The bomb suit is a FBI required equipment item for certified bomb squads. The bomb suit ensemble consists of: a front jacket panel, neck/chest/groin plate, rear jacket panel and back protector with integrated ventilation, one-piece trousers, foot protectors, helmet, and visor with built-in lights. We will also purchase the EOD® 10 breathing apparatus (BA) face shield kit for CBRNe operations where chemical-biological threats are suspected. The face shield integrates with the SCBA.

Requirements for Federally Funded Grants

Data Universal Numbering System (DUNS) Number:

The federal government requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

All applicants for this grant opportunity must be registered in SAM before submitting an application; and continue to maintain an active SAM registration with current information at all times during the period of performance for the grant.

WEM's website has a helpful guide for SAM registration.
