Requirements for Federally Funded Grants

Data Universal Numbering System (DUNS) Number:

The federal government requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

Unique Entity Identifier and System for Award Management (SAM):

All applicants for this grant opportunity must be registered in SAM before submitting an application; and continue to maintain an active SAM registration with current information at all times during the period of performance for the grant.

WEM's website has a helpful guide for SAM registration.

This is in reference to a basic explosive breaching class that would be funded by a WEM ALERT grant. We have 3 techs who need this training. I am confident I can get the grant application paperwork done in the short timeline. I am not sure about the other moving parts that would be required.

The class registration is \$1500 and the rest is for rooms and meals. If the KSD training request is approved, can I register them for training before final board approval?

This is my first time doing a grant for training only.

Good Morning

I have completed the grant announcement for training in June for the Explosive breacher class (Jun 14-19). My intent is to allow two Kenosha County, one Dane, and one Milwaukee Co for this round. Chuck will look more into the Madison class as well. However, the dates on this grant are as follows...due Mar 12, start date April 5. Let me know if there will be any issues with those dates and to get registered.

I wanted to upload this yesterday but it was slowed down in WEM so hopefully I can get it uploaded Monday and ready for you to apply by Tuesday or Wednesday. Total for each agency is 2300 per person.

Let me know your thoughts?
