Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 6, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2019CM000287 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 6, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

Respectfully submitted in the best interest of the public,

According to the minutes for case 2018CM000592, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 5, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2019CM000287.

According to the minutes for case 2019CM000287, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 5, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Respectfully submitted in the best interest of the public,

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 6, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000384 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 6, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000384 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 4, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 4, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2019CM000287 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 4, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 12, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000384 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 12, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000384 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 12, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000214.

According to the minutes for case 2018CM000214, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 12, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000214 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 13, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000214.

According to the minutes for case 2018CM000214, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 13, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 19, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000384 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 19, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000384 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 20, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000384.

According to the minutes for case 2018CM000384, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 20, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of felony crimes of false imprisonment and misconduct in public office on April 10, 2021 by Kenosha County Sheriff David Beth for intentionally confining and restraining me without my consent.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2018CM000214 that no longer exist because the deadline for a trial expired over 3 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 10, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2018CM000214 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 11, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2018CM000214.

According to the minutes for case 2018CM000214, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 11, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantec Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2020CM001395 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.

Subject: Notice of Claim.

To Kenosha County Clerk:

I Kit Stilwell am formally notifying Kenosha County by way of the Kenosha County Clerk of this notice of claim for fifty thousand dollars (\$50,000.00) for being the victim of a felony crime on April 18, 2021 of Misconduct in public office by Kenosha County Clerk of Court Rebecca Matosha-Mentink and or Kenosha County Court Commissioner Loren Keating for not performing their mandated job duties for case 2019CM000287.

According to the minutes for case 2019CM000287, on November 30, 2020 "cash bond was set." Wisconsin State Statute 969.09(3) mandates a defendant shall receive a copy of the bond and the defendant executes pursuant to this chapter.

On February 23, 2021, I notified Judge Schroeder in court that I have yet to receive my bond. Judge Schroeder stated on the record that the clerk will send me a copy of the bond. As of April 18, 2021, I have not received a cash bond or a copy of a cash bond from anyone. I made several request to county employees regarding the cash bond before the February court date, and it's even recorded in the minutes that are filed, in the court file, that bond was set.

The inactions of Kenosha County employees violates by guarantee Constitutional rights pursuant to the 5th, 8th and 14th amendment of the United States Constitution.

If I would have received my bond on November 30, 2020, I could have signed it and not been a victim of false imprisonment for over 225 days and counting.

I am requesting a response that this Notice of Claim was received. Thank you.

Kenosha County Sheriff David Beth did not only unlawfully detain me in KCDC for a trial for case 2019CM000287 that no longer exist because the deadline for a trial expired over 2 years ago, he did not have a court order/writ that authorizes him to hold/keep me in custody on April 20, 2021.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

I made two request to the Kenosha County Sheriff's department for a copy, of by what legal means I am being incarcerated, as of this date I have not received any legal document that states so and there is no court order in the court record for case 2019CM000287 that gives the Sheriff the authority to incarcerate me. One of the bogus responses was from Sheriff David Beth.

Kenosha County Sheriff David Beth's unlawful actions have; denied me of my liberties, cause anguish, by right to work, freedom of speech, the right to seek medical treatment of my choosing, the pursuit of happiness, eating healthy, etcetera.

Also Sheriff Beth violated my guarantee constitutional rights pursuant to the 1st, 5th, 8th and 14th amendment of the United States Constitution.

Please respond that you received this notice of claim. Thank you.
