I love Kenosha, I'm able to see that it is not perfect, but has so much potential; I believe I can help make Kenosha County a more equitable place. Additionally, volunteering is something I enjoy and miss greatly, I used to be very active in the community prior to having my son. Although I have not worked in government, even student government before, my position in the law office requires me to take information and make it accessible to people; I think I could apply those skills to this commission.

Conflict Of Interest: It would be inappropriate for you, as a current or prospective appointee, to have a member of your immediate family directly involved with any action that may come under the inquiry or advice of the appointed board, commission, or committee. A committee member declared in conflict would be prohibited from voting on any motion where "direct involvement" had been declared and may result in embarrassment to you and/or Kenosha County.

Re: Interactions with County Government

May 26, 2021

In the past five years I have had a variety of interactions doing business with the Kenosha County Government. Mainly through the work I do at a family law practice located in downtown Kenosha, going to the Court House, District Attorney's office or the Register of Deeds for documents. Additionally for personal reasons at times, having to procure my child's birth certificate and for the Deed to my home; having to appear in court for my own cases, as well as having to speak to the District Attorney's for cases involving people I know.

Most recently, besides the interactions required through work, I have purchased plants through the county public works offering local plants at an affordable price.

Cordially,
Elizabeth
