Color Key to Real Estate Interests

Fee (Fee Simple) – Pink

Fee simple is a term that refers to real estate or land ownership. The owner of the property has full and irrevocable ownership of the land and any improvements on that land. Fee simple is the highest form of property ownership.

PLE (Permanent Limited Easement) – Green

Permanent Limited Easement (PLE) is a right for construction and maintenance purposes, as defined herein, including the right to operate necessary equipment thereon and the right of ingress and egress, as long as required for such public purpose, including the right to preserve, protect, remove, or plant thereon any vegetation that the highway authorities may deem necessary or desirable. But without prejudice to the owner's right to make or construct improvement on said lands or to flatten the slopes, providing said activities with not impair or otherwise adversely affect the highway facilities. A PLE is a permanent acquisition for a specific purpose. It is typically used for construction outside the normal right-of-way that does not seriously impair the property owner's use but does require occasional access for maintenance purposes.

TLE (Temporary Limited Easement) – Blue

Temporary Limited Easement (TLE) is a right for construction purposes, as defined herein, including the right to operate necessary equipment thereon and the right of ingress and egress, as long as required for such public purpose, including the right to preserve, protect, remove, or plant thereon any vegetation that the highway authorities may deem necessary or desirable. All TLE's are to expire at the completion of the construction project for which this instrument is given.

PL (Property Line) - Orange

Property Line (PL) the boundary line between two pieces of property.

STH - 158, Kenosha County

Dear KENOSHA COUNTY:

As you may know, the Wisconsin Department of Transportation (WisDOT) is planning a highway safety project in your area. This project will affect your property and I look forward to working with you to answer your questions.

In compliance with Wisconsin statutes and federal regulations, I am writing to initiate negotiations to acquire property and/or property interests needed for the above highway project.

To explain the process, I ask you to review the following documents:

- Legal description of the land and/or interest(s) needed for the project
- Names of neighboring landowners affected by the project
- Appraisal Guidelines and Agreement
- Appraisal Report
- Agreement for Purchase and Sale of Real Estate
- "The Rights of Landowners Under Wisconsin Eminent Domain Law" pamphlet

Based on the fair market value of your affected interests, the Wisconsin Department of Transportation has determined compensation to be: **\$2,800.00.**

Allocation	Description	Size	Unit	Per Unit	Value (\$)
Land		0.243	Acres	\$11,111.11	\$2,700.00
Temporary Limited Easement (TLE)		0.067	Acres	\$1,492.54	\$100.00

Total Allocation \$2,800.00

The department has also determined that the acquisition of property needed for the project has caused the remainder, or a portion of the remainder, to be of limited economic value. See the attached plat map for uneconomic remnant(s). If you want WisDOT to acquire the uneconomic remnant(s), please contact me for an adjusted allocation. **WisDOT will acquire the uneconomic remnant(s) for an additional \$6,000.00.**

If you agree with the values in the appraisal report, **please sign the enclosed Agreement for Purchase and Sale of Real Estate for either \$2,800.00 (Plat Acquisition only of FEE & TLE) or \$8,700.00 (Full FEE Acquisition minus \$100 TLE).** Return the document in the enclosed envelope or by email (kathleen.panak@dot.wi.gov) for final review and approval. Once WisDOT is satisfied that the negotiations are complete, we will send you a fully executed (signed) copy of the agreement and I will contact you to arrange for payment and closing. Please note that your signature alone on the Agreement for Purchase and Sale of Real Estate is not sufficient to result in an enforceable contract for the purchase of the needed property.

If you are not satisfied with the compensation offered for your property, you have 60 days and no later than **May 3, 2021** to obtain a second appraisal from a qualified appraiser of your choice. Please see the enclosed Appraisal Guidelines and Agreement document for requirements for reimbursement of another appraisal. If your appraisal report is submitted to my office after the 60-day statutory date, the department may consider it for negotiation purposes, but it will not be eligible for reimbursement.

I want you to be satisfied that the Wisconsin Department of Transportation treated you fairly, we answered your questions, addressed your concerns, and fully considered your property and property interests. I am happy to provide any additional information requested, if available, or discuss any additional concerns. Please contact me at 262-548-6459.

Thank you for your part in contributing to safer Wisconsin roadways.

Sincerely,

Kathleen C Panak
