Name of the Commission, Committee or Board for which you are applying:

Kenosha County Local Emergency Planning Committee

**Personal Statement:** Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I welcome the nomination from the president of Aurora Medical Center Kenosha to serve as the AdvocateAurora Healthcare representative for the Kenosha County Local Emergency Planning Committee. I hope to bring my years of training and real world experiences to the Kenosha County Local Emergency Planning Committee. I am currently the manager of safety and emergency management for the southeast patient service area, an area consisting of Kenosha and Racine and have been in this role since the beginning of this year. Previously I worked for Amazon developing, implementing, and testing internal emergency response plans across the country in coordination with local and state governments while serving in an environmental, health and safety role. I have spent eleven years working on the front lines of emergencies as a firefighter and paramedic while receiving formal training in emergency management from Purdue University, the Department of Homeland security and FEMA in the fields of chemical, biological, radiological, nuclear and explosives along with natural disasters. Notable large emergency management responses I have been involved with have been due to Hurricane Harvey in Houston and the Covid 19 pandemic in southeastern Wisconsin.
