**Personal Statement:** Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I served and retired from the Army after 23 years. I have a very broad perspective of people all over the world. I have served on several boards in the Kenosha community and have been very active in several Kenosha community based organizations. I bring a vast knowledge of African American history through my education and from living in many different communities. I went to segregated schools and lived in Jim Crow cities as a child.

I believe that Kenosha has great potential to be an inclusive and diverse community and I would like to be part of the building block.

**Conflict Of Interest:** It would be inappropriate for you, as a current or prospective appointee, to have a member of your immediate family directly involved with any action that may come under the inquiry or advice of the appointed board, commission, or committee. A committee member declared in conflict would be prohibited from voting on any motion where "direct involvement" had been declared and may result in embarrassment to you and/or Kenosha County.
