THE KENOSHA COUNTY BOARD OF SUPERVISORS DOES HEREBY ORDAIN that
Municipal Code of Kenosha County Chapter 2.05 (4)(b),
the County Board Rules of Procedure, is hereby amended
as follows:

2.05 Standing Committees

(4) Committee Operations.

- (b) The chair shall set the time and place for all meetings of the committee, shall check and list committee meeting dates with the County Clerk to avoid conflicts with other committee meetings, and shall report committee attendance to the County Clerk who shall maintain a record thereof. In order to provide transparent and accessible government, regular meetings of standing committees shall not begin any earlier than 6:00 p.m. This shall not be interpreted as prohibiting individual meetings from being scheduled earlier when, in the determination of the committee chair, in consultation with the Board Chair, such an earlier time is necessary to facilitate business or presentations, including, but not limited to, instances where persons appearing before the committee are unable to attend a regularly scheduled meeting. Further, this shall not be interpreted to hinder the ability of the Planning, Development and Education Extension

Committee or its successor committee to hold working
sessions when no action will be taken.

Respectfully submitted,

Brian Bashaw
