SUPERVISOR REPORTS – 7:42 PM*

Supervisor Elverman stated he is a proud graduate of Wilmot High School and commented on the phenomenal job the Wilmot Academic Decathlon Team achieved. The rail road crossing on Hwy S (hwy 142) near the freeway will be having some long awaited improvement work done. Grants have been submitted for the KD park. They are looking to enhance the bike trails, parking, handicap fishing pier and a boat launch for our first responders to practice. The supervisor of the Parks Dept. and the supervisor of the Highway Dept. both have retirements on the horizon. As it was put into the budget and the board voted on it, they will hire new people to work with them and to learn the procedures and to avoid a last minute situation. The plans at Brookside are progressing and on schedule. Golf has done well the last 3 years. Work crew has performed on average 12,920 hours. The golf course has gotten rave reviews. It would take 8 employees costing \$175,000 to duplicate that. The Hwy E bridge which has been there since 1920 will be replaced and the speed limit will be reduced to 40 mph.
