This park is to pay tribute to those who have served and those who currently serve. Further, it provides an opportunity for retreat, healing, education and to reconnect and reflect on their military service.

Rob Roberts, 1505 - 84<sup>th</sup> St., a 20+ veteran of the US Navy, represents the forgotten veterans of Desert Storm. Mr. Roberts passionately reminded the Board that Operation Desert Shield / Desert Storm is not the same as the wars in Iraq and Afghanistan; they were 10 years apart. This park will be a memorial for all veterans in Kenosha County and in the State of Wisconsin.

George Stover, 8615 – 113<sup>th</sup> Ave, as a veteran, thanked the Board members for making this park a reality. This park will provide students and residents an opportunity to learn about the rich heritage that this country, this state, and this county has provided with regard to the military population that has served this country. It provides an opportunity to reflect and continue on their journey towards healing.

Dale Kerkman, 331 – 264<sup>th</sup> Ave, as a resident of Brighton and the Veterans of Foreign Wars State Representative to the Union Grove Veterans Home, Mr. Kerkman and his wife take residents of the Veterans Home on outings. This park will provide a valuable opportunity for residents of the Veterans Home to get out and see the beautiful park which demonstrates appreciation for their service.

Bill Erickson, Marine Corps veteran, thanked the Board for providing an opportunity for Veterans, their families, and other citizens to honor veterans every day by their use of the park. Remembrance of our veterans should not be relegated to only two days each year, Veterans' Day and Memorial Day.
