Donate to Kenosha County Parks

Kenosha County offers a unique way to leave a lasting impression on your parks through a donation program. Here are a few ways you can donate:

- Financial donations
- Gifts in honor or memory
- Support local dog parks
- Support local trails

The Adopt-A-Trail Program provides an opportunity for nature-loving, conservation-focused groups of all sizes and types to sponsor a section of Kenosha County Parks' trails.

More info on how to donate may be found at parks.kenoshacounty.org or (262) 857-1869

Picnic in the Park

Jim Kreuser Presents

2020 Activity Guide

Kenosha County Parks

Greetings,

Kenosha County is proud to provide its residents and visitors with a top-notch parks system that has something to offer to people of all ages, in all seasons.

With eight parks comprising more than 1,500 acres, plus an extensive network of multiuse trails and bicycle routes, there is always something new to discover in Kenosha County Parks.

In 2020, we are excited to begin development of a new parks initiative: The west-end park formerly known as KD Park has been rechristened as the Kenosha County Veterans Memorial Park. Going forward, this park will retain its focus on serenity and sustainability, while also serving as a tribute to those who have served our country. Watch for more details as this long-term planning process unfolds.

From hiking and biking to golfing, fishing and special events, there are many reasons to visit Kenosha County Parks. I hope to see you out in one sometime soon!
