

FEELING OVERWHELMED?

You aren't alone. If you work in a healthcare setting or if you provide care for another person in any way—including your children, a parent, or a friend—and live in Kenosha County, you qualify for the **FREE** TAPS counseling service.

Sunrise Clinical Services offers **FREE** professional support to Kenosha County residents facing increased stress and anxiety during the COVID-19 pandemic.

This **FREE** program is confidential and is offered in partnership with the Kenosha County Division of Aging, Disability, and Behavioral Health Services. Contact us today to learn more about the **FREE** TAPS program.
