

COUNTY HIGHWAY S EAST FRONTAGE ROAD TO WIS 31

Project Update

May 3, 2021

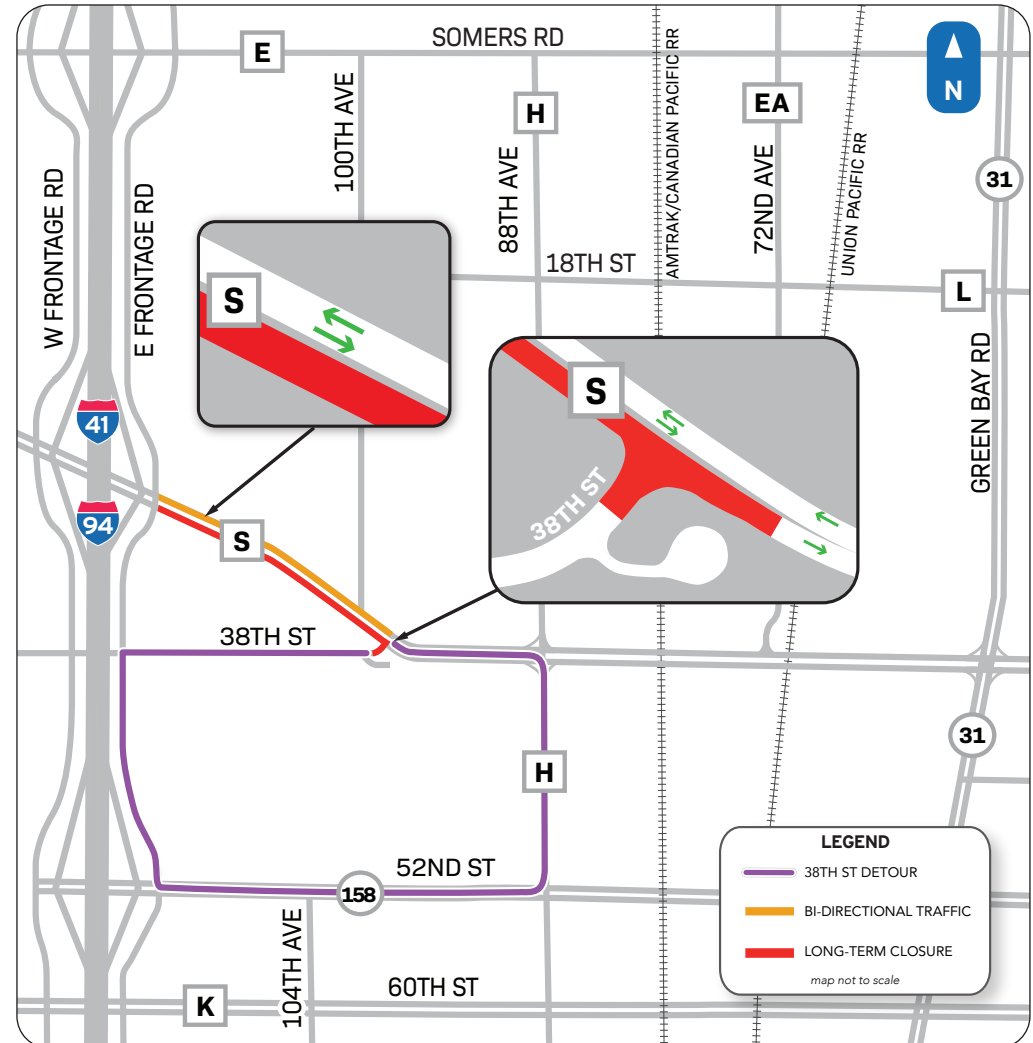

Kenosha County, in partnership with the Wisconsin Department of Transportation (WisDOT), is underway with reconstructing County Highway S from the Interstate 94 East Frontage Road to WIS 31, with scheduled completion in late fall 2021. The following work is scheduled for the next phase of this project.

Monday, May 10:

- 38th Street (formerly County Highway N) is scheduled to close to traffic for approximately two weeks at the intersection with County Highway S.
- County Highway S, from the Interstate 94 East Frontage Road to 38th Street, will reopen to traffic during this closure. One lane of traffic in each direction will be maintained on the future westbound lanes.
- * *Travelers should be aware of the new traffic pattern, obey traffic control signs and pavement markings, and drive safely throughout the work zone*

Please note that all work is weather dependent and subject to change

The project team thanks you for your patience and cooperation throughout this project!
