## **Public Works / Facilities Committee Golf Division Status Report for September 2021**

- The Kenosha County Executive Cup will be held Tuesday September 14<sup>th</sup>. This will be a great event that includes lunch, dinner, 18 holes of golf and prizes. We are raising funds for our junior golf programs, which served over 220 youth this season.
- The Kenosha County Open was played August 13<sup>th</sup>-15<sup>th</sup> with 92 players and went very well. The event's first day was held at The Club at Strawberry Creek, day two on Brighton Dale's Blue Spruce course and the final round on the White Birch. It was an enjoyable, competitive golf tournament.
- We hosted a Taylor Made Club Demonstration day on the range August 29<sup>th</sup>. We will be hosting a Club Liquidation Sale on September 25<sup>th</sup>. Merchandise sale are up considerably this year!
- The conditions on all our courses remain excellent, but we are now moving into that part of the season when we begin Fall maintenance. We will be aerating the Red Pines greens 9/15, the White Birch 9/20 and the Petrifying Springs greens 9/27 (the Blue Spruce greens will be aerated next spring). Tee and fairway aeration is an ongoing process.
- Projects - either in process or on tap to start are:
  - **Drainage Work** - Additional drainage improvement work continues to be performed at each course.
  - **Pets Cart Path Restoration** - We continue to work on the smoothing, planting, and fertilizing necessary to restore the edges of the paved paths. This work will continue late into the Fall.
  - **BDL Tree/Brush Removal** - We are scheduled to remove 10 large dead trees from critical areas around the course and will also be clearing the grow-back in the areas we brushed-out two years ago.
