PARKS

WELCOME

Kenosha County Parks

Whether it's a hike or a bike ride, a group activity, or a solitary stroll in the woods, something wonderful awaits you in a Kenosha County Park.

For 95 years, our parks have been our region's premier places for recreation and relaxation for our county residents and visitors alike.

In recent years, we've put an emphasis on new programming and special events, all the while working to preserve and enhance the natural beauty that is a hallmark of our Parks system.

From Kemper Center on the shores of Lake Michigan, to our flagship Petriy Springs Park, to our new Kenosha County Veterans Park — and many points in between — Kenosha County Parks have something to offer to everyone.

I hope to see you out in a park sometime soon!
