Kenosha County to host mobile behavioral health resource unit 'Human Services on the Go' in local neighborhoods

KENOSHA – The [Kenosha County Division of Aging, Disability & Behavioral Health Services](#) in partnership with [Kenosha County Public Health](#) will offer a mobile human services unit, “Human Services on the Go,” at events this Friday and in August.

The mobile resource unit will visit local neighborhoods with high rates of drug overdose to provide more visibility of behavioral health services within the community.

Human Services on the Go will provide on-the-street Narcan training, as well as information and resources regarding mental health, substance abuse, lead abatement, Bright Family Beginnings and Parents as Teachers.

“Kenosha County is committed to reducing the rate of drug overdoses in our county, and our goal is to meet people right where they are,” said County Executive Samantha Kerkman, “Human Services on the Go provides Kenosha County residents with life-saving resources in a familiar environment, no matter where they are on the continuum of care.”

The mobile unit will provide behavioral health resources this Friday, July 29 from 2 to 5 p.m. at the [Alliance Women’s Clinic](#), 6105 22nd Ave., and Wednesday, Aug. 3 from 11 a.m. to 2 p.m. at the [ELCA Outreach Center](#), 6218 26th Ave. The unit will visit designated neighborhoods leading up to its participation at the [Kenosha County Fair](#) in mid-August.
