

COUNTY HIGHWAY Q TRAFFIC SWITCH

Kenosha County is underway with the reconstruction of the County Highway Q (104th Street) and County Highway U (136th Avenue) intersection with a scheduled completion of late fall 2022. The following work is scheduled to take place as part of this project.

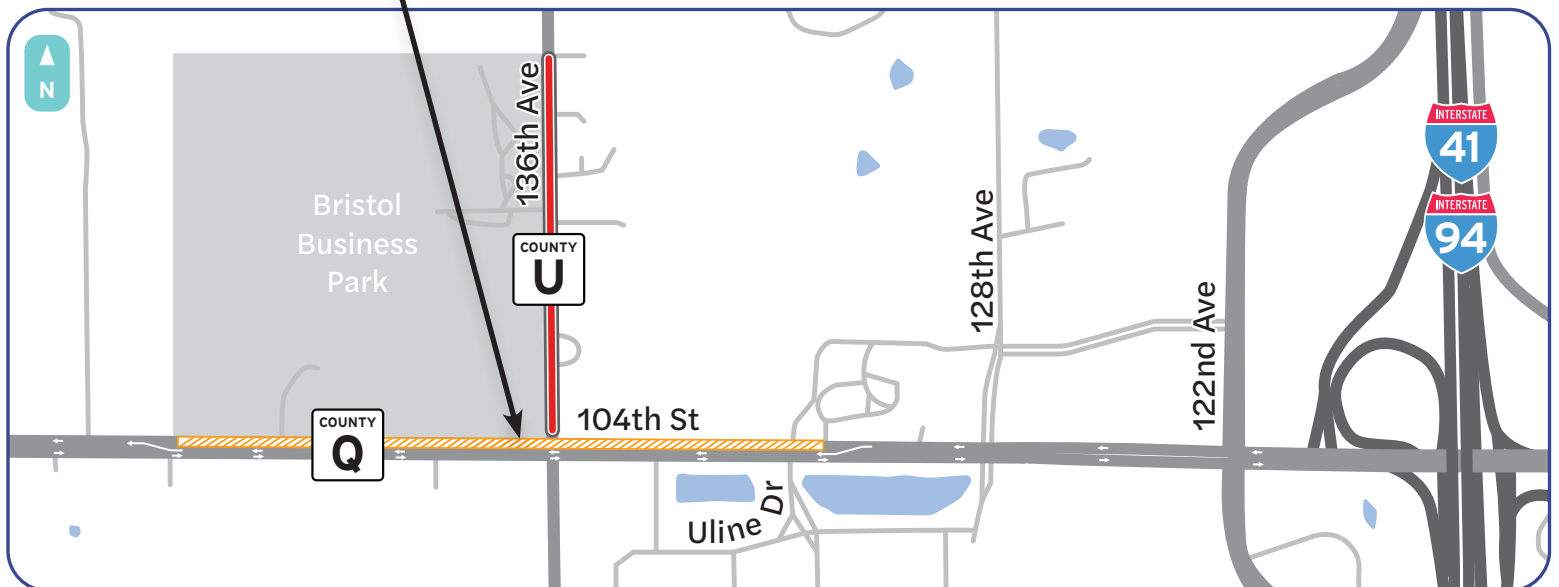

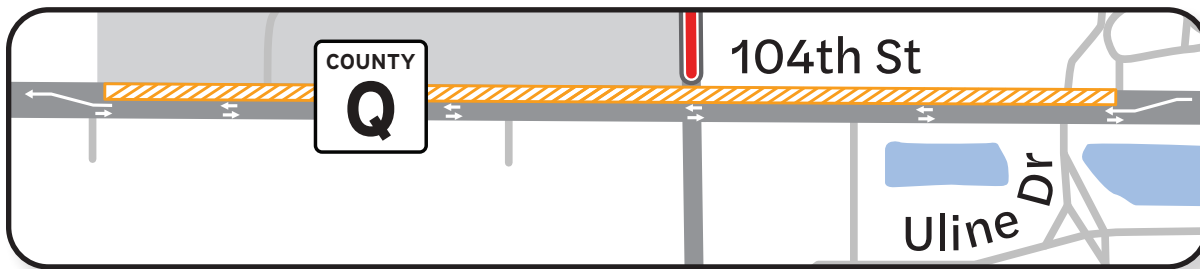

Thursday, August 11:

Traffic on County Highway Q, from just east of Uline Drive to west of County Highway U, is scheduled to be shifted to the south onto the eastbound lanes through late summer, while crews work to construct the westbound lanes.

One lane of traffic will be maintained in each direction.

Access to businesses and residences will be maintained.

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
