

# National Prescription Drug Take Back Day

National Prescription Drug Take Back Day is an annual day of recognition that aims to provide a safe, convenient and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications.

On Saturday, October 29, Kenosha County residents can visit various locations throughout the county to undergo life-saving NARCAN training and learn more about local behavioral health resources and services.

## Saturday, October 29 10 a.m. - 2 p.m.
