Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote, but the official may not advise or indicate a particular voting choice.

#### Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

#### Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question. When using an electronic ballot marking device ("ExpressVote,") to mark an optical scan ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the tactile pad to select "yes" if in favor of the question, or the voter shall touch the screen or use the tactile pad to select "no" if opposed to the question.

#### **Spoiled Ballots**

If a voter spoils an optical scan ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

#### After Voting the Ballot

After an official optical scan ballot is marked, it may be inserted in the security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

## STATE REFERENDUM

## NOTICE OF REFERENDUM ELECTION - STATE OF WISCONSIN IN KENOSHA COUNTY - APRIL 4, 2023

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, April 4, 2023, the following questions will be submitted to a vote of the people pursuant to law:

#### 2023 ENROLLED JOINT RESOLUTION 2

**To amend** section 8 (2) of article I of the constitution; **relating to:** conditions for release prior to conviction, including the imposition of bail (second consideration).

Whereas, the 2021 legislature in regular session considered a proposed amendment to the constitution in 2021 Assembly Joint Resolution 107, which became 2021 Enrolled Joint Resolution 6, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

SECTION 1. Section 8 (2) of article I of the constitution is amended to read: [Article I] Section 8 (2) All persons, before conviction, shall be eligible for release under reasonable conditions designed to assure their appearance in court, protect members of the community from serious bodily harm as defined by the legislature by law, or prevent the intimidation of witnesses. Monetary conditions of release may be imposed at or after the initial appearance only upon a finding that there is a reasonable basis to believe that the conditions are necessary to assure appearance in court, or if the person is accused of a violent crime as defined by the legislature by law, only upon a finding that there is a reasonable basis to believe that the conditions are necessary based on the totality of the circumstances, taking into account whether the accused has a previous conviction for a violent crime as defined by the legislature by law, the probability that the accused will fail to appear in court, the need to protect members of the community from serious harm as defined by the legislature by law, the need to prevent the intimidation of witnesses. and the potential affirmative defenses of the accused. The legislature may authorize, by law, courts to revoke a person's release for a violation of a condition of release.

*Now, therefore, be it resolved by the senate, the assembly concurring, That* the foregoing proposed amendment to the constitution is agreed to by the 2023 legislature; and, be it further

**Resolved, That** the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of April, 2023; and, be it further

**Resolved, That** the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

**QUESTION 1: "Conditions of release before conviction.** Shall section 8 (2) of article I of the constitution be amended to allow a court to impose on an accused person being released before conviction conditions that are designed to protect the community from serious harm?"

**QUESTION 2: "Cash bail before conviction.** Shall section 8 (2) of article I of the constitution be amended to allow a court to impose cash bail on a person accused of a violent crime based on the totality of the circumstances, including the accused's previous convictions for a violent crime, the probability that the accused will fail to appear, the need to protect the community from serious harm and prevent witness intimidation, and potential affinitive defenses?"

#### EXPLANATION

1. Explanatory statement regarding Question 1:

Under the current Wisconsin Constitution, courts may impose reasonable conditions on the release of a criminal defendant before trial for three purposes: (1) to secure the defendant's appearance in court; (2) to protect the community from "serious bodily harm;" and (3) to prevent intimidation of witnesses. Wis. Const. art. I,  $\S$  8(2).

Question 1 would change the language of the second factor from "serious bodily harm" to "serious harm as defined by the legislature by law." The question would thus change the type of harm to the community that a court could seek to protect against. Because the term "serious harm" would be defined by the legislature by law, what it means could evolve over time depending on legislative enactments.

A "yes" vote on Question 1 would vote to amend Wis. Const. art. I, § 8(2) to allow a circuit court to impose release conditions based on the purpose of avoiding "serious harm as defined by the legislature" rather than "serious bodily harm."

A "no" vote on Question 1 would vote not to amend Wis. Const. art. I, § 8(2) to change the term "serious bodily harm" as a factor for determining the conditions of a defendant's pretrial release.

2. Explanatory statement regarding Question 2:

Question 2 would also change the language of Wis. Const. art. I, § 8(2), but in a different way from Question 1. Question 2 addresses the circuit court's ability to impose the specific condition of monetary bail.

Currently, the Wisconsin Constitution allows a court to impose a monetary bail requirement only if the court finds a reasonable basis to believe that bail is necessary in order to secure the defendant's appearance in court. Wis. Const. art. I, § 8 (2).

Question 2 would expand the factors a circuit court may consider in imposing monetary bail. In cases where a defendant is accused of a "violent crime as defined by the legislature by law," Question 2 would allow a court to impose monetary bail based on circumstances in addition to securing the defendant's appearance in court, including accounting for a previous conviction for a violent crime, the need to protect the community from serious harm, preventing witness intimidation, and potential affirmative defenses the defendant might assert.

A "yes" vote on Question 2 would vote to amend Wis. Const. art. I, § 8(2) in cases where the defendant is accused of a violent crime to allow a court to utilize monetary bail for additional reasons in addition to securing the defendant's appearance in court, including accounting for a previous conviction for a violent crime, the need to protect the community from serious harm, preventing witness intimidation, and accounting for the defendant's affirmative defenses. Because the term "violent crime" would be defined by the legislature by law, what it means could evolve over time depending on legislative enactments.

A "no" vote on Question 2 would vote not to amend Wis. Const. art. I,  $\S$  8(2) to expand the factors a court considers in imposing monetary bail.

#### 2023 ENROLLED JOINT RESOLUTION

**Relating to:** providing for an advisory referendum on the question of requiring ablebodied, childless adults to look for work in order to receive taxpayer-funded welfare benefits.

**Resolved by the senate, the assembly concurring, That** the following question be submitted, for advisory purposes only, to the voters of this state at the spring election to be held in April 2023:

"Shall able-bodied, childless adults be required to look for work in order to receive taxpayer-funded welfare benefits?"

#### EXPLANATION

Explanatory statement regarding Question 3, the advisory question:

This is an advisory referendum and would not change Wisconsin law. Wisconsin and federal law currently define various programs available to those with financial need based on criteria such as age, familial status, and disability, among other criteria. Most of those programs are limited to children, families with children, pregnant women, disabled persons, or those 65 or older, who Wisconsin law does not consider "able-bodied" for public assistance purposes. See, e.g., Wis. Stat. § 49.79(1)(am) (defining age limits for "able-bodied" under food stamp program).

Two programs currently available to "able-bodied, childless adults" are Wisconsin's BadgerCare Plus medical assistance program and the FoodShare program, also known as SNAP or food stamps. However, those programs are subject to certain federal requirements and restrictions that either would be inconsistent with the requirement about which the referendum asks or, in some cases, already include such a requirement.

BadgerCare Plus's medical assistance program is subject to federal Medicaid restrictions, and federal law does not allow for work-based requirements for such programs absent a federal waiver. See 42 U.S.C. § 1396a(a)(10)(A). Currently, there is no federal waiver in force that would allow Wisconsin to impose work requirements on this program. Wisconsin's FoodShare statute contains requirements that able-bodied, childless adults be employed or participate in an employment and training program, see Wis. Stat. § 49.79(9), but that requirement has been suspended by the federal government in response to the COVID-19 pandemic.

A "yes" vote on Question 3, the advisory referendum, would make no change to Wisconsin law.

A "no" vote on Question 3, the advisory referendum, also would make no change to Wisconsin law.

## SCHOOL DISTRICT REFERENDUM

#### Explanation

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to authorize the School District Number 1, Village of Bristol budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$800,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to sustain and maintain current operational and maintenance practices.

A "no" vote on the question is a vote to deny the School District Number 1, Village of Bristol the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$800,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to sustain and maintain current operational and maintenance practices.
